Executive Documents

SPACE POLICY DIRECTIVE-4. ESTABLISHMENT OF THE UNITED STATES SPACE FORCE

Space Policy Directive-4, Feb. 19, 2019, 84 F.R. 6049, provided:

Memorandum for the Vice President[,] the Secretary of State[,] the Secretary of Defense[,] the Secretary of Commerce[,] the Secretary of Labor[,] the Secretary of Transportation[,] the Secretary of Homeland Security[,] the Director of the Office of Management and Budget[,] the Director of National Intelligence[,] the Assistant to the President for National Security Affairs[,] the Director of the Office of Science and Technology Policy[,] the Chairman of the Joint Chiefs of Staff[,] the Administrator of the National Aeronautics and Space Administration[, and] the Deputy Assistant to the President for Homeland Security and Counterterrorism

SECTION 1. *Introduction.* Space is integral to our way of life, our national security, and modern warfare. Although United States space systems have historically maintained a technological advantage over those of our potential adversaries, those potential adversaries are now advancing their space capabilities and actively developing ways to deny our use of space in a crisis or conflict. It is imperative that the United States adapt its national security organizations, policies, doctrine, and capabilities to deter aggression and protect our interests. Toward that end, the Department of Defense shall take actions under existing authority to marshal its space resources to deter and counter threats in space, and to develop a legislative proposal to establish a United States Space Force as a sixth branch of the United States Armed Forces within the Department of the Air Force. This is an important step toward a future military department for space. Under this proposal, the United States Space Force would be authorized to organize, train, and equip military space forces of the United States to ensure unfettered access to, and freedom to operate in, space, and to provide vital capabilities to joint and coalition forces in peacetime and across the spectrum of conflict.

SEC. 2. *Definitions.* For the purposes of this memorandum and the legislative proposal directed by section 3 of this memorandum, the following definitions shall apply:

(a) The term “United States Space Force” refers to a new branch of the United States Armed Forces to be initially placed by statute within the Department of the Air Force.

(b) The term “Department of the Space Force” refers to a future military department within the Department of Defense that will be responsible for organizing, training, and equipping the United States Space Force.

(c) The term “United States Space Command” refers to a Unified Combatant Command to be established pursuant to the Presidential memorandum of December 18, 2018 (Establishment of United States Space Command as a Unified Combatant Command) [10 U.S.C. 161 note], that will be responsible for Joint Force space operations as will be assigned in the Unified Command Plan.

SEC. 3. *Legislative Proposal and Purpose.* The Secretary of Defense shall submit a legislative proposal to the President through the Office of Management and Budget that would establish the United States Space Force

as a new armed service within the Department of the Air Force.

The legislative proposal would, if enacted, establish the United States Space Force to organize, train, and equip forces to provide for freedom of operation in, from, and to the space domain; to provide independent military options for national leadership; and to enhance the lethality and effectiveness of the Joint Force. The United States Space Force should include both combat and combat support functions to enable prompt and sustained offensive and defensive space operations, and joint operations in all domains. The United States Space Force shall be organized, trained, and equipped to meet the following priorities:

(a) Protecting the Nation's interests in space and the peaceful use of space for all responsible actors, consistent with applicable law, including international law;

(b) Ensuring unfettered use of space for United States national security purposes, the United States economy, and United States persons, partners, and allies;

(c) Deterring aggression and defending the Nation, United States allies, and United States interests from hostile acts in and from space;

(d) Ensuring that needed space capabilities are integrated and available to all United States Combatant Commands;

(e) Projecting military power in, from, and to space in support of our Nation's interests; and

(f) Developing, maintaining, and improving a community of professionals focused on the national security demands of the space domain.

SEC. 4. *Scope.* (a) The legislative proposal required by section 3 of this memorandum shall, in addition to the provisions required under section 3 of this memorandum, include provisions that would, if enacted:

(i) consolidate existing forces and authorities for military space activities, as appropriate, in order to minimize duplication of effort and eliminate bureaucratic inefficiencies; and

(ii) not include the National Aeronautics and Space Administration, the National Oceanic and Atmospheric Administration, the National Reconnaissance Office, or other non-military space organizations or missions of the United States Government.

(b) The proposed United States Space Force should:

(i) include, as determined by the Secretary of Defense in consultation with the Secretaries of the military departments, the uniformed and civilian personnel conducting and directly supporting space operations from all Department of Defense Armed Forces;

(ii) assume responsibilities for all major military space acquisition programs; and

(iii) create the appropriate career tracks for military and civilian space personnel across all relevant specialties, including operations, intelligence, engineering, science, acquisition, and cyber.

SEC. 5. *United States Space Force Budget.* In accordance with the Department of Defense budget process, the Secretary of Defense shall submit to the Director of the Office of Management and Budget a proposed budget for the United States Space Force to be included in the President's Fiscal Year 2020 Budget Request.

SEC. 6. *United States Space Force Organization and Leadership.* (a) The legislative proposal required by section 3 of this memorandum shall create a civilian Under Secretary of the Air Force for Space, to be known as the Under Secretary for Space, appointed by the President by and with the advice and consent of the Senate.

(b) The legislative proposal shall establish a Chief of Staff of the Space Force, who will be a senior military officer in the grade of General or Admiral, and who shall serve as a member of the Joint Chiefs of Staff.

SEC. 7. *Associated Elements.* (a) A Unified Combatant Command for space, to be known as the United States Space Command, will be established consistent with law, as directed on December 18, 2018. This command will have all of the responsibilities of a Unified Combatant Command in addition to the space-related re-

sponsibilities previously assigned to United States Strategic Command. It will also have the responsibilities of the Joint Force provider and Joint Force training for space operations forces. Moving expeditiously toward a Unified Combatant Command reflects the importance of warfighting in space to the Joint Force. The commander of this command will lead space warfighting through global space operations that may occur in the space domain, the terrestrial domains, or through the electromagnetic spectrum.

(b) With forces provided by the United States Space Force and other United States Armed Forces, the United States Space Command shall ensure unfettered access to, and freedom to operate in, space and provide vital effects and capabilities to joint and coalition forces during peacetime and across the spectrum of conflict.

SEC. 8. *Relationship with National Intelligence.* The Secretary of Defense and the Director of National Intelligence shall create and enhance mechanisms for collaboration between the Department of Defense and the United States Intelligence Community in order to increase unity of effort and the effectiveness of space operations. The Secretary of Defense and the Director of National Intelligence shall provide a report to the President within 180 days of the date of this memorandum [Feb. 19, 2019] on steps they have taken and are planning to take toward these ends, including legislative proposals as necessary and appropriate.

SEC. 9. *Operational Authorities.* In order to ensure that the United States Space Force and United States Space Command have the necessary operational authorities, the National Space Council and the National Security Council shall coordinate an accelerated review of space operational authorities. Within 90 days of the date of this memorandum, the Secretary of Defense shall present to the National Space Council and the National Security Council proposed relevant authority changes for the President's approval. The National Space Council and the National Security Council shall then conduct an interagency review of the Secretary's proposal and make recommendations to the President on appropriate authorities, to be completed no later than 60 days from the date the Secretary of Defense presents his proposal to the councils.

SEC. 10. *Periodic Review.* As the United States Space Force matures, and as national security requires, it will become necessary to create a separate military department, to be known as the Department of the Space Force. This department will take over some or all responsibilities for the United States Space Force from the Department of the Air Force. The Secretary of Defense will conduct periodic reviews to determine when to recommend that the President seek legislation to establish such a department.

SEC. 11. *General Provisions.* (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law and United States national and homeland security requirements, and subject to the availability of appropriations.

(c) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(d) The Secretary of Defense is authorized and directed to publish this memorandum in the Federal Register.

DONALD J. TRUMP.

dered by members of the Joint Chiefs of Staff on matters affecting the Department of the Air Force.

HISTORICAL AND REVISION NOTES 1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
8210(a)	10:506a(a) (words before 1st semicolon).	Aug. 7, 1947, ch. 512, § 503(a), 61 Stat. 885.
8210(b)	10:506a(a) (less words before 1st semicolon, and less provisos).	
8210(c)	10:506a(a) (1st, 2d, and 3d provisos).	
8210(d)	10:506a(a) (4th proviso).	
8210(e)	10:506a(a) (last proviso).	

As enacted, section 503(a) of the Officer Personnel Act of 1947 (10:506a(a)) provided, subject to certain percentage limitations, for the following authorized strength of the Regular Army in general officers on the active list:

Medical Corps	16
Dental Corps	4
Veterinary Corps	1

The Chaplains	2
Army, exclusive of the above	334
Total	357

Under section 208(e) of the National Security Act of 1947 (5 U.S.C. 626c(e)), allocations of those authorized strengths were made between the Army and the Air Force as follows:

	Army	Air Force
Medical Corps	12	4
Dental Corps	3	1
Veterinary Corps	1	0
The Chaplains	1	1
Army and Air Force, exclusive of the above	184	150
Total	201	156

After the enactment of the Officer Personnel Act of 1947, section 308 of the Army Organization Act of 1950 (10:61-1) provided for an Assistant Judge Advocate General and three brigadier generals in the Judge Advocate General's Corps of the Army. The creation of these four general officer spaces served to increase the mentioned authorized strength figure from 357 to 361, and the figure 201 to 205. The opinion of the Judge Advocate General of the Army (JAGA 1948/5806, 2 Sept. 1948) is in accord with that conclusion.

The revised section reflects the authorized strength of the Regular Air Force in general officers on the active list resulting from the mentioned allocation to the Air Force.

That allocation, and those mentioned in the explanation of subsection (c) below, have had the force of law since July 26, 1950, when the period for transfers, including the administrative authority to change these allocations, expired.

The word “regular” is substituted for the word “permanent” throughout the revised subsection.

In subsection (c), 10:506a(a) (1st proviso) is omitted, since there is no authority to appoint to a regular grade above major general. 10:506a(a) (last 65 words of 2d proviso) is omitted as executed by the declaration of a national emergency on December 16, 1950.

In subsection (c)(1), the figures “4” and “2” result from the allocation of the original figures “16” and “8”.

In subsection (c)(2), the figure “1” results from the allocation of the original figures “4” and “2”.

In subsection (c)(3), the figure “1” results from the allocation of the original figures “2” and “1”. (The major general was allocated to the Army, the brigadier general to the Air Force.)

In subsection (c)(4), the figures “150” and “75” result from the allocation of the original figures “334” and “167”. That allocation corresponds to the allotment made by the Secretary of War between the Air Corps and the Army exclusive of the Air Corps, the Medical Department, and the Chaplains, under 10: 506a(a) (3d proviso). That proviso is omitted as executed.

In subsection (e), the words “by law to hold any civil office under the United States” are substituted for the words “by Acts of Congress to hold appointments in the Diplomatic or Consular Service of the Government or to hold any civil office under the Government”.

8257(a)	10:297a.	June 3, 1941, ch. 165, §§ 1, 3 (1st and 2d sentences), 55 Stat. 239.
8257(b)	10:299 (1st sentence, less last 19 words).	June 13, 1949, ch. 199, § 3, 63 Stat. 175.
8257(c)	10:291f-2 (less 1st 55 words of 1st proviso). 10:299 (last 19 words of 1st sentence).	
8257(d)	10:291f-2 (1st 55 words of 1st proviso). 10:299 (2d sentence).	

In subsection (b), the words “Under such regulations as the Secretary of the Army may prescribe” are omitted, since the Secretary has inherent authority to issue regulations appropriate to exercising his statutory functions.

In subsection (c), the words “who is otherwise qualified” and “with his consent” are substituted for 10:291f-2 (less 1st 55 words of 1st proviso).

In subsection (d), the first sentence is substituted for 10:291f-2 (proviso). The words “after June 13, 1940” (the date of enactment of the source statute) are substituted for the word “hereafter”, in 10:291f-2. The words “after June 13, 1949”, in 10:291f-2, are omitted as executed. The first 17 words of the last sentence are substituted for 10:299 (1st 20 words of 2d sentence). Clause (2) is substituted for 10:299 (proviso of 2d sentence).

1958 ACT

The new subsection (e) is necessary to reflect the last 11 words of the second sentence of section 4 of the Army Aviation Cadet Act (formerly 10 U.S.C. 304), which were omitted from the original military codification act, the Act of August 10, 1956, chapter 1041, as part of the source law for section 20(b) of that Act (70A Stat. 627). See Senate Report No. 2484, 84th Congress, 2d Session, page 738. Since the source law did not permit the payment of a money allowance to an aviation cadet in place of the issuance of uniforms, clothing, and equipment, as may be done for enlisted members generally, it is necessary to restate this provision separately. See Opinion of the Deputy General Counsel, Department of Defense, May 29, 1957.

In subsection (a), the words “Except as provided in section 94 of this title”, not contained in section 1169 of the Revised Statutes, but contained in the United States Code, are omitted as surplusage, since 10:94 deals exclusively with assignments. The words “except within the categories prescribed in section 8067(a)-(d) of this title” are substituted for the words “in the line or in other staff corps”. Air Force nurses and women medical specialists are not covered by subsection (a), since their command authority is specifically stated in subsection (b).

In subsection (b), the words “may exercise command only” are substituted for the words “shall not be entitled * * * to command except”. The words “by virtue of their rank” and “by competent authority” are omitted as surplusage. 10:166(e) (last 22 words of last sentence) is omitted as superseded by section 8012(e) of this title.

The words “so long as any or all are necessary” and “in the active military service” are omitted as surplusage. EFFECTIVE DATE OF 2018 AMENDMENT

Amendment by Pub. L. 115–232 effective Feb. 1, 2019, with provision for the coordination of amendments and special rule for certain redesignations, see section 800 of Pub. L. 115–232, set out as a note preceding section 3001 of this title.

§ 9279. Distinguished flying cross: award; limitations

(a) The President may award a distinguished flying cross of appropriate design with accompanying ribbon to any person who, while serving in any capacity with the Air Force, distinguishes himself by heroism or extraordinary achievement while participating in an aerial flight.

(b) Not more than one distinguished flying cross may be awarded to a person. However, for each succeeding act that would otherwise justify the award of such a cross, the President may award a suitable bar or other device to be worn as he directs.

(Aug. 10, 1956, ch. 1041, 70A Stat. 541, § 8749; renumbered § 9279, Pub. L. 115–232, div. A, title VIII, § 806(b)(11), Aug. 13, 2018, 132 Stat. 1833; Pub. L. 116–92, div. A, title V, § 582(b)(4), Dec. 20, 2019, 133 Stat. 1412.)

In subsections (a) and (b), the words “or volunteer service, or both” are omitted as obsolete in accordance with an opinion of the Attorney General, 22 Ops. Atty. Gen. 199, Aug. 30, 1898, holding that such words refer to volunteer service in the Civil War. The words “upon his request” are substituted for the words “if he make application therefor to the President”.

In subsection (b), the applicability of 10:942 to warrant officers is based on an opinion of the Judge Advocate General of the Army (JAGA 1950/6951, 4 Jan. 1951), which holds that 10:594 (less provisos) makes 10:942 applicable to warrant officers.

In subsections (a), (b), and (d), the word “maintain” is substituted for the word “establish”, and in subsection (c) the word “maintain” is substituted for the word “established”, since the lists have been established and are published annually.

In subsection (a), the words “Effective upon June 29, 1948” are omitted as executed. 10:1001 (last 12 words of 1st sentence, and last sentence) is omitted as no longer required, since, upon enactment of this title, laws referring to the limited or unlimited retired list will be expressly repealed.

In subsection (b), the word “shall” is substituted for the word “may”, since 10:1036 further requires that such a list be published annually in the Register. The requirement as to publication necessarily implies that the list must be maintained.

Subsection (b)(1) is substituted for the words “all commissioned officers and former commissioned officers * * * or the Air Force of the United States, as the case may be * * * or the Regular Air Force, heretofore or hereafter granted retirement pay under sections 456, 456a, and 1036a of this title, or any law hereafter enacted to provide retirement pay for commissioned officers * * * or the Regular Air Force”.

Subsections (c) and (d) are inserted, since sections 8964 and 8965 of this title refer to service on the retired list as a warrant officer or enlisted member.

AMENDMENTS

2018—Pub. L. 115–232, div. A, title VIII, § 806(d)(3)(B)(ii), (e)(1), Aug. 13, 2018, 132 Stat. 1833, redesignated chapter 871 of this title as this chapter and items 8991 and 8992 as 9361 and 9362, respectively.

§ 9361. Computation of retired pay

(a) COMPUTATION.—

(1) FORMULA.—The monthly retired pay of a member entitled to such pay under this subtitle is computed by multiplying—

(A) the member’s retired pay base (as computed under section 1406(e) or 1407 of this title), by

(B) the retired pay multiplier prescribed in section 1409 of this title for the number of years credited to the member under section 1405 of this title.

(2) ADDITIONAL 10 PERCENT FOR CERTAIN ENLISTED MEMBERS CREDITED WITH EXTRAORDINARY HEROISM.—If a member who is retired under section 9314 of this title has been credited by the Secretary of the Air Force with extraordinary heroism in the line of duty, the member’s retired pay shall be increased by 10 percent of the amount determined under paragraph (1) (but to not more than 75 percent of the retired pay base upon which the computation of such retired pay is based). The Secretary’s determination as to extraordinary heroism is conclusive for all purposes.

(b) GENERAL RULES.—

(1) USE OF MOST FAVORABLE FORMULA.—If a person would otherwise be entitled to retired pay computed under more than one formula in subsection (a) or the table in section 1401 of this title, he is entitled to be paid under the applicable formula that is most favorable to him.

(2) ROUNDING TO NEXT LOWER DOLLAR.—The amount computed under subsection (a), if not a multiple of \$1, shall be rounded to the next lower multiple of \$1.

(c) SPECIAL RULE FOR RETIRED RESERVE ENLISTED MEMBERS COVERED BY SECTION 9343.—In the case of a Reserve enlisted member retired under section 9314 of this title whose retired grade is determined under section 9343 of this title and who first became a member of a uniformed service before September 8, 1980, the retired pay base of the member (notwithstanding section 1406(a)(1) of this title) is the amount of the monthly basic pay of the member’s retired grade (determined based upon the rates of basic pay applicable on the date of the member’s retirement), and that amount shall be used for the purposes of subsection (a)(1)(A) rather than the amount computed under section 1406(e) of this title.

8991 Foot-note 5.		

In the introductory paragraph, the applicability of the rule stated in the third sentence to situations not expressly covered by the laws named in the source statutes above is a practical construction that the rule must be reciprocally applied in all cases.

In formula B, the words “basic pay” are substituted for the words “base and longevity pay” to conform to the terminology of the Career Compensation Act of 1949, 63 Stat. 802 (37 U.S.C. 231 et seq.). The words “his retired grade” are substituted for the words “permanent grade held at time of retirement” to reflect the right to higher retired grade when qualified under other provisions of law. 10:941a(e) (last proviso of clause (1)), is omitted, since, under section 202 of the Career Compensation Act of 1949, 63 Stat. 807 (37 U.S.C. 233), the active duty pay of all members of the Air Force is based upon years of service.

In formula C, the computation is based on monthly pay instead of annual pay to conform to the other formulas of the revised section. The words “basic pay” are substituted for the words “active duty base and longevity pay”, and the words “in determining his basic pay” are substituted for the words “for longevity pay purposes”, to conform to the terminology of the Career Compensation Act of 1949, 63 Stat. 802 (37 U.S.C. 231 et seq.). The words “Monthly basic pay of member’s retired grade” are substituted for the words “the rank upon which they are retired”, in 10:971, and “rank with which retired”, in 10:971b, to reflect their right to advancement on the retired list. 10:971 now applies only when the retiring officer has 30 or more years of service which may be credited in computing his retired pay.

10:971b (2d proviso) is omitted, since, under section 202 of the Career Compensation Act of 1949, 63 Stat. 807 (37 U.S.C. 233), the pay of all members is based upon cumulative years of service. 10:971b (4th proviso) is omitted as executed. 10:971b (last proviso) is omitted, since the distinction between limited and unlimited retired lists was abolished by section 201 of the Act of June 29, 1948, ch. 708, 62 Stat. 1084. Sections 8918, 8920, and 8924 are included under this formula, since it achieves the same result as is reached on a basis of 30 years multiplied by 2½ percent, and simplifies the table.

In formulas D and E the words “credited under section 8925” are substituted for the words “active Federal service”, since that revised section makes explicit the service covered. The Act of August 10, 1946, ch. 952, § 6(c), 60 Stat. 996, is not contained in 10:948. It is also omitted from the revised section as executed. 10:980 now applies only when the retiring enlisted member has at least 30 years of service which may be credited in computing his retired pay. However, as noted above, 10:980 is the only provision of law applicable to cases in which the retiring member has at least 30 years of service. The Act of June 16, 1942, ch. 413, § 19 (63d through 75th words of 2d par.), 56 Stat. 369, repealed so much of the Act of March 2, 1907, ch. 2513, 34 Stat. 1217, as provided allowances for enlisted men on the retired list. The repeal of section 19 of the Act of June 16, 1942, by section 531(b)(34) of the Career Compensation Act of 1949, 63 Stat. 839, did not revive that portion of the Act of March 2, 1907, which had been repealed by the Act of June 16, 1942. Accordingly, the Act of March 2, 1907, as thus modified by the Act of June 16, 1942, is used as the basis for formula E.

Footnote 2 reflects the long-standing construction of those provisions dealing with computation of retired pay which do not specifically provide that the member is entitled to compute his retired pay on the basis of the monthly basic pay to which he would be entitled if he were on active duty in his retired grade. Except in cases covered by formula C, the pertinent basic computation provisions for such retirement either provide for computation of retired pay on the same basis as the provisions dealing with higher retired grade, or the basic retirement provisions were themselves enacted after the provisions authorizing higher retired grade. The provisos of 10:1002 and 1005 are omitted as surplusage, since no formula for the computation of retired pay includes inactive service on the retired list as a credit.

The words “at rates applicable on date of retirement and adjust to reflect later changes in permanent rates”, in footnote 2; and all of footnote 4; are based on the source statutes incorporated in the formulas to which footnotes 2 and 4 apply.

In footnote 4, the words “and disregard a part of a year that is less than six months” are made applicable to formulas A–E, although this part of the rule is expressed only as to formula B, in 10:941a(4)(1). The legislative history of the Career Compensation Act of 1949 (Hearings before the Committee on Armed Services of the Senate on H.R. 5007, 81st Congress, first session, p. 313, July 6, 1949) indicates that the provisions, upon which formulas A and C–E are based, should be construed to require that a part of a year that is less than six months be disregarded.

1963—Pub. L. 88-132 substituted in column 1 of Formula A in table “Monthly basic pay² of member's retired grade¹” for “Monthly basic pay to which member would be entitled if he were on active duty in his retired grade¹” and eliminated from footnote 2 to such table “and adjust to reflect later changes in applicable

permanent rates. However, if member's retired grade is determined under section 3963(a) or 3963(b), use pay to which member would be entitled if he were on active duty in his retired grade” after “date of retirement”.

§ 9442. Cadets: appointment; numbers, territorial distribution

(a) The authorized strength of cadets of the Academy (determined for any year as of the day before the last day of the academic year) is 4,400 or such lower number as may be prescribed by the Secretary of the Air Force under subsection (j). Subject to that limitation, cadets are selected as follows:

(1) 65 cadets selected in order of merit as established by competitive examination from the children of members of the armed forces who were killed in action or died of, or have a service-connected disability rated at not less than 100 per centum resulting from wounds or injuries received or diseases contracted in, or

preexisting injury or disease aggravated by, active service, children of members who are in a “missing status” as defined in section 551(2) of title 37, and children of civilian employees who are in “missing status” as defined in section 5561(5) of title 5. The determination of the Department of Veterans Affairs as to service connection of the cause of death or disability, and the percentage at which the disability is rated, is binding upon the Secretary of the Air Force.

(2) Five cadets nominated at large by the Vice President or, if there is no Vice President, by the President pro tempore of the Senate.

(3) Ten cadets from each State, five of whom are nominated by each Senator from that State.

(4) Five cadets from each congressional district, nominated by the Representative from the district.

(5) Five cadets from the District of Columbia, nominated by the Delegate to the House of Representatives from the District of Columbia.

(6) Four cadets from the Virgin Islands, nominated by the Delegate in Congress from the Virgin Islands.

(7) Six cadets from Puerto Rico, five of whom are nominated by the Resident Commissioner from Puerto Rico and one who is a native of Puerto Rico nominated by the Governor of Puerto Rico.

(8) Five cadets from Guam, nominated by the Delegate in Congress from Guam.

(9) Three cadets from American Samoa, nominated by the Delegate in Congress from American Samoa.

(10) Three cadets from the Commonwealth of the Northern Mariana Islands, nominated by the Delegate in Congress from the commonwealth.

Each Senator, Representative, and Delegate in Congress, including the Resident Commissioner from Puerto Rico, is entitled to nominate 15 persons¹ for each vacancy that is available to him under this section. Nominees may be submitted without ranking or with a principal candidate and 9 ranked or unranked alternates. Qualified nominees not selected for appointment under this subsection shall be considered qualified alternates for the purposes of selection under other provisions of this chapter. When a nominee of a Senator, Representative, or Delegate is selected for appointment as a cadet, the Senator, Representative, or Delegate shall be notified at least 48 hours before the official notification or announcement of the appointment is made.

(b) In addition, there may be appointed each year at the Academy cadets as follows:

(1) one hundred selected by the President from the children of members of an armed force who—

(A) are on active duty (other than for training) and who have served continuously on active duty for at least eight years;

(B) are, or who died while they were, retired with pay or granted retired or retainer pay;

(C) are serving as members of reserve components, or the Space Force, and are credited with at least eight years of service computed under section 12733 of this title; or

(D) would be, or who died while they would have been, entitled to retired pay under chapter 1223 of this title except for not having attained 60 years of age;

however, a person who is eligible for selection under paragraph (1) of subsection (a) may not be selected under this paragraph.

(2) 85 nominated by the Secretary of the Air Force from enlisted members of the Regular Air Force or the Space Force.

(3) 85 nominated by the Secretary of the Air Force from enlisted members of reserve components of the Air Force.

(4) 20 nominated by the Secretary of the Air Force, under regulations prescribed by the Secretary, from the honor graduates of schools designated as honor schools by the Department of the Army, the Department of the Navy, or the Department of the Air Force, and from members of the Air Force Reserve Officers' Training Corps.

(5) 200¹ selected by the Secretary of the Air Force in order of merit (prescribed pursuant to section 9443 of this title) from qualified alternates nominated by persons named in paragraphs (3) through (10) of subsection (a).

(c) The President may also appoint as cadets at the Academy children of persons who have been awarded the Medal of Honor for acts performed while in the armed forces.

(d) The Superintendent may nominate for appointment each year 50 persons from the country at large. Persons nominated under this paragraph may not displace any appointment authorized under paragraphs (2) through (9) of subsection (a) and may not cause the total strength of cadets to exceed the authorized number.

(e) If the annual quota of cadets under subsection (b)(1), (2), or (3) is not filled, the Secretary may fill the vacancies by nominating for appointment other candidates from any of these sources who were found best qualified on examination for admission and not otherwise nominated.

(f) Each candidate for admission nominated under paragraphs (3) through (9) of subsection (a) must be domiciled in the State, or in the congressional district, from which he is nominated, or in the District of Columbia, Puerto Rico, American Samoa, Guam, or the Virgin Islands, if nominated from one of those places.

(g) The Secretary of the Air Force may limit the number of cadets authorized to be appointed under this section to the number that can be adequately accommodated at the Academy as determined by the Secretary after consulting with the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, subject to the following:

(1) Cadets chargeable to each nominating authority named in subsection (a)(3) or (4) may not be limited to less than four.

(2) If the Secretary limits the number of appointments under subsection (a)(3) or (4), appointments under subsection (b)(1)–(4) are limited as follows:

¹ See Applicability of Amendment note below.

- (A) 27 appointments under subsection (b)(1);
- (B) 27 appointments under subsection (b)(2);
- (C) 27 appointments under subsection (b)(3); and
- (D) 13 appointments under subsection (b)(4).

(3) If the Secretary limits the number of appointments under subsection (b)(5), appointments under subsection (b)(2)–(4) are limited as follows:

- (A) 27 appointments under subsection (b)(2);
- (B) 27 appointments under subsection (b)(3); and
- (C) 13 appointments under subsection (b)(4).

(4) The limitations provided for in this subsection do not affect the operation of subsection (e).

(h) The Superintendent shall furnish to any Member of Congress, upon the written request of such Member, the name of the Congressman or other nominating authority responsible for the nomination of any named or identified person for appointment to the Academy.

(i) For purposes of the limitation in subsection (a) establishing the aggregate authorized strength of cadets, the Secretary of the Air Force may for any year permit a variance in that limitation by not more than one percent. In applying that limitation, and any such variance, the last day of an academic year shall be considered to be graduation day.

(j)(1) Beginning with the 2003–2004 academic year, the Secretary of the Air Force may prescribe annual increases in the cadet strength limit in effect under subsection (a). For any academic year, any such increase shall be by no more than 100 cadets or such lesser number as applies under paragraph (3) for that year. Such annual increases may be prescribed until the cadet strength limit is 4,400.

(2) Any increase in the cadet strength limit under paragraph (1) with respect to an academic year shall be prescribed not later than the date on which the budget of the President is submitted to Congress under sections 1105 of title 31 for the fiscal year beginning in the same year as the year in which that academic year begins. Whenever the Secretary prescribes such an increase, the Secretary shall submit to Congress a notice in writing of the increase. The notice shall state the amount of the increase in the cadet strength limit and the new cadet strength limit, as so increased, and the amount of the increase in Senior Air Force Reserve Officers' Training Corps enrollment under each of sections 2104 and 2107 of this title.

(3) The amount of an increase under paragraph (1) in the cadet strength limit for an academic year may not exceed the increase (if any) for the preceding academic year in the total number of cadets enrolled in the Air Force Senior Reserve Officers' Training Corps program under chapter 103 of this title who have entered into an agreement under section 2104 or 2107 of this title.

(4) In this subsection, the term “cadet strength limit” means the authorized maximum strength of cadets of the Academy.

§ 9448. Cadets: agreement to serve as officer

(a) Each cadet shall sign an agreement with respect to the cadet's length of service in the armed forces. The agreement shall provide that the cadet agrees to the following:

(1) That the cadet will complete the course of instruction at the Academy.

(2) That upon graduation from the Academy the cadet—

(A) will accept an appointment, if tendered, as a commissioned officer of the Regular Air Force or the Space Force; and

(B) will serve on active duty for at least five years immediately after such appointment.

(A) will accept an appointment as a commissioned officer as a Reserve in the Air Force for service in the Air Force Reserve or will accept further assignment in a space force active status; and

(B) will remain in that reserve component, or the Space Force, until completion of the commissioned service obligation of the cadet.

(4) That if an appointment described in paragraph (2) or (3) is tendered and the cadet participates in a program under section 2121 of this title, the cadet will fulfill any unserved obligation incurred under this section on active duty, regardless of the type of appointment held, upon completion of, and in addition to, any service obligation incurred under section 2123 of this title for participation in such program.

(4) A cadet who violates paragraph (5) of subsection (a) is not eligible for the alternative obligation under paragraph (1).

(c) The Secretary of the Air Force shall prescribe regulations to carry out this section. Those regulations shall include—

(1) standards for determining what constitutes, for the purpose of subsection (b), a breach of an agreement under subsection (a);

It is unnecessary to include a reference to section 541 of title 10, since that section does not derogate from the authority granted in this section.

The change reflects the opinion of the Judge Advocate General of the Air Force (July 19, 1957) that the words “from and after the date of the accrediting of said academies” in the source law for section 9353(a) (Act of May 25, 1933, ch. 37 (48 Stat. 73), as amended) were a condition precedent to the authority to grant degrees and should not have been omitted.

§ 9514. Indemnification of Department of Transportation for losses covered by defense-related aviation insurance

(a) PROMPT INDEMNIFICATION REQUIRED.—(1) In the event of a loss that is covered by defense-related aviation insurance, the Secretary of Defense shall promptly indemnify the Secretary of Transportation for the amount of the loss consistent with the indemnification agreement between the two Secretaries that underlies such insurance. The Secretary of Defense shall make such indemnification—

(A) in the case of a claim for the loss of an aircraft hull, not later than 30 days after the date on which the Secretary of Transportation determines the claim to be payable or that amounts are due under the policy that provided the defense-related aviation insurance; and

(B) in the case of any other claim, not later than 180 days after the date on which the Secretary of Transportation determines the claim to be payable.

(2) When there is a loss of an aircraft hull that is (or may be) covered by defense-related aviation insurance, the Secretary of Transportation may make, during the period when a claim for such loss is pending with the Secretary of Transportation, any required periodic payments owed by the insured party to a lessor or mortgagee of such aircraft. Such payments shall commence not later than 30 days following the date of the presentment of the claim for the loss of the aircraft hull to the Secretary of Transportation. If the Secretary of Transportation determines that the claim is payable, any amount paid under this paragraph arising from such claim shall be credited against the amount payable under the aviation insurance. If the Secretary of Transportation determines that the claim is not payable, any amount paid under this paragraph arising from such claim shall constitute a debt to the United States, payable to the insurance fund. Any such amounts so returned to the United States shall be promptly credited to the fund or account from which the payments were made under this paragraph.

(b) SOURCE OF FUNDS FOR PAYMENT OF INDEMNITY.—The Secretary of Defense may pay an indemnity described in subsection (a) from any

funds available to the Department of Defense for operation and maintenance, and such sums as may be necessary for payment of such indemnity are hereby authorized to be transferred to the Secretary of Transportation for such purpose.

(c) NOTICE TO CONGRESS.—In the event of a loss that is covered by defense-related aviation insurance in the case of an incident in which the covered loss is (or is expected to be) in an amount in excess of \$10,000,000, the Secretary of Defense shall submit to Congress notification of the loss as soon after the occurrence of the loss as possible and in no event more than 30 days after the date of the loss.

(d) IMPLEMENTING MATTERS.—(1) Payment of indemnification under this section is not subject to section 2214 or 2215 of this title or any other provision of law requiring notification to Congress before funds may be transferred.

(2) Consolidation of claims arising from the same incident is not required before indemnification of the Secretary of Transportation for payment of a claim may be made under this section.

(e) CONSTRUCTION WITH OTHER TRANSFER AUTHORITY.—Authority to transfer funds under this section is in addition to any other authority provided by law to transfer funds (whether enacted before, on, or after the date of the enactment of this section) and is not subject to any dollar limitation or notification requirement contained in any other such authority to transfer funds.

(f) DEFINITIONS.—In this section:

(1) DEFENSE-RELATED AVIATION INSURANCE.—The term “defense-related aviation insurance” means aviation insurance and reinsurance provided through policies issued by the Secretary of Transportation under chapter 443 of title 49 that pursuant to section 44305(b) of that title is provided by that Secretary without premium at the request of the Secretary of Defense and is covered by an indemnity agreement between the Secretary of Transportation and the Secretary of Defense.

(2) LOSS.—The term “loss” includes damage to or destruction of property, personal injury or death, and other liabilities and expenses covered by the defense-related aviation insurance.

§ 9515. Charter air transportation services: minimum annual purchase amount for carriers participating in Civil Reserve Air Fleet

(a) IN GENERAL.—The Secretary shall take steps to—

(1) improve the predictability in Department of Defense charter requirements;

(2) strengthen Civil Reserve Airlift Fleet participation to assure adequate capacity is available to meet steady-state, surge and mobilization requirements; and

(3) provide incentives for commercial air carriers to provide newer, more efficient and reliable aircraft for Department of Defense service rather than older, fully depreciated aircraft.

(b) CONSIDERATION OF RECOMMENDATIONS.—In carrying out subsection (a), the Secretary shall consider the recommendations on courses of action for the Civil Reserve Air Fleet as outlined in the report required by section 356 of the National Defense Authorization Act for Fiscal Year 2008 (Public Law 110-181).

(c) CONTRACTS FOR CHARTER AIR TRANSPORTATION SERVICES.—The Secretary may award to an air carrier or an air carrier contractor team arrangement participating in the Civil Reserve Air Fleet on a fiscal year basis a one-year contract for charter air transportation services with a minimum purchase amount under such contract determined in accordance with this section.

(d) ELIGIBLE CHARTER AIR TRANSPORTATION CARRIERS.—In order to be eligible for payments under the minimum purchase amount provided by this section, an air carrier (or any air carrier participating in an air carrier contractor team arrangement)—

(1) if under contract with the Department of Defense in the prior fiscal year, shall have an average on-time pick up rate, based on factors within such air carrier’s control, of at least 90 percent;

(2) shall offer such amount of commitment to the Civil Reserve Air Fleet in excess of the minimum required for participation in the Civil Reserve Air Fleet as the Secretary shall specify for purposes of this section; and

(3) may not have refused a Department of Defense request to act as a host for other Civil Reserve Air Fleet carriers at intermediate staging bases during the prior fiscal year.

(e) AGGREGATE MINIMUM PURCHASE AMOUNT.—

(1) The aggregate amount of the minimum pur-

chase amount for all contracts awarded under subsection (c) for a fiscal year shall be based on forecast needs, but may not exceed the amount equal to 80 percent of the average annual expenditure of the Department of Defense for charter air transportation services during the five-fiscal year period ending in the fiscal year before the fiscal year for which such contracts are awarded.

(2) In calculating the average annual expenditure of the Department of Defense for charter air transportation services for purposes of paragraph (1), the Secretary shall omit from the calculation any fiscal year exhibiting unusually high demand for charter air transportation services if the Secretary determines that the omission of such fiscal year from the calculation will result in a more accurate forecast of anticipated charter air transportation services for purposes of that paragraph.

(f) ALLOCATION OF MINIMUM PURCHASE AMONG CHARTER AIR TRANSPORTATION CONTRACTS.—(1) The aggregate amount of the minimum purchase amount for all contracts awarded under subsection (c) for a fiscal year, as determined under subsection (e), shall be allocated among all air carriers and air carrier contractor team arrangements awarded contracts under subsection (c) for such fiscal year in proportion to the commitments of such carriers to the Civil Reserve Air Fleet for such fiscal year.

(2) In determining the minimum purchase amount payable under paragraph (1) under a contract under subsection (c) for charter air transportation services provided by an air carrier or air carrier contractor team arrangement during the fiscal year covered by such contract, the Secretary may adjust the amount allocated to such carrier or arrangement under paragraph (1) to take into account periods during such fiscal year when charter air transportation services of such carrier or a carrier in such arrangement are unavailable for usage by the Department of Defense, including during periods of refused business or suspended operations or when such carrier is placed in nonuse status pursuant to section 2640 of this title for safety reasons.

(g) DISTRIBUTION OF AMOUNTS.—If any amount available under this section for the minimum purchase of charter air transportation services from a carrier or air carrier contractor team arrangement for a fiscal year under a contract under subsection (c) is not utilized to purchase charter air transportation services from the carrier or arrangement in such fiscal year, such amount shall be provided to the carrier or arrangement before the first day of the following fiscal year.

(h) COMMITMENT OF FUNDS.—(1) The Secretary of each military department shall transfer to the transportation working capital fund a percentage of the total amount anticipated to be required in such fiscal year for the payment of minimum purchase amounts under all contracts awarded under subsection (c) for such fiscal year equivalent to the percentage of the anticipated use of charter air transportation services by such military department during such fiscal year from all carriers under contracts awarded under subsection (c) for such fiscal year.

(2) Any amounts required to be transferred under paragraph (1) shall be transferred by the

last day of the fiscal year concerned to meet the requirements of subsection (g) unless minimum purchase amounts have already been distributed by the Secretary under subsection (g) as of that date.

(i) **AVAILABILITY OF AIRLIFT SERVICES.**—(1) From the total amount of charter air transportation services available for a fiscal year under all contracts awarded under subsection (c) for such fiscal year, a military department shall be entitled to obtain a percentage of such services equal to the percentage of the contribution of the military department to the transportation working capital fund for such fiscal year under subsection (h).

(2) A military department may transfer any entitlement to charter air transportation services under paragraph (1) to any other military department or to any other agency, element, or component of the Department of Defense.

(j) **DEFINITION.**—In this section, the term “charter air transportation” has the meaning given such term in section 40102(14) of title 49.

		Mar. 3, 1875, ch. 131 (proviso of 1st sentence of 1st par. under "War Department"), 18 Stat. 410.

In subsection (a), the word "members" is substituted for the words "officers and enlisted men", in 10:1237. Clause (2) is substituted for 10:904. Reference to the Secretary of the Air Force is substituted for reference to branch, office, or officers of the Army, in 10:1237, since the functions which, for the Army are assigned to subordinate officers, are, for the Air Force assigned to the Secretary of the Air Force. 32:156 is omitted as cov-

ered by 10:904, since the words “officers of the Air Force” necessarily cover all persons named in 32:156. The words “Except for articles and items acquired through the use of working capital funds under sections 172–172j of title 5” are inserted to reflect Title IV of the National Security Act of 1947, as amended (63 Stat. 585), which authorized the Secretary of Defense to prescribe regulations governing the use and sale of certain inventories at cost, including applicable administrative expenses. (See opinion of the Assistant General Counsel (Fiscal Matters) of the Office of the Secretary of Defense, January 4, 1955.)

In subsection (b), the first sentence states expressly the rule which is implicit in 10:1238. The word “members” is substituted for the words “officers and enlisted men”. The words “shall be understood, in all cases of such sales” are omitted as surplusage. The last sentence is inserted to reflect Title IV of the National Security Act of 1947, as amended (63 Stat. 585), which authorized the Secretary of Defense to prescribe regulations governing the use and sale of certain inventories at cost, including applicable administrative expenses. (See opinion of the Deputy General Counsel of the Office of the Secretary of Defense, March 28, 1956.)

In subsection (c), the word “members” is substituted for the words “officers and enlisted men”. The words “prices at which like property is sold to” are substituted for the words “same price as is charged to”.

In subsections (c) and (d), the words “other armed forces” are substituted for the words “Navy and Marine Corps”, since such sales are authorized to members of the Coast Guard by section 144(b) of Title 14.

In subsection (d), the words “other than subsistence supplies” are inserted, since the sale of subsistence supplies is covered by subsection (c).

In subsection (e), the words “a person who has been discharged” are substituted for the words “discharged officers and enlisted men”. The words “Navy * * * or Marine Corps”, omitted from the 1952 edition of the United States Code, are inserted to conform to the source statute. The words “may buy” are substituted for the words “shall * * * be permitted to purchase”. The words “at the prices at which like property is sold” are substituted for the words “at the same price as charged”. The word “member” is substituted for the words “officers and enlisted men”. The words “while undergoing such care and treatment” are omitted as surplusage.

In subsection (f), the words “person who has been discharged” are substituted for the words “former members * * * who have been separated therefrom”. The words “at the prices at which like articles are sold to members” are inserted to conform to the last sentence of subsection (a) and subsection (e).

In subsection (g), the words “regulations to be prescribed by the Secretary” are substituted for the words “Army Regulations”. The words “of the Government” are omitted as surplusage. 10:1253 (last 22 words of 1st sentence) is omitted as surplusage. The words “or to another executive department of the Government” are omitted as superseded by section 7 of the act of May 21, 1920, ch. 194, as amended (31 U.S.C. 686). The provisions of 10:1253 relating to the computation of cost are omitted to reflect Title IV of the National Security Act of 1947, as amended (63 Stat. 585), which authorized the Secretary of Defense to prescribe regulations governing the use and sale of certain inventories at cost, including applicable administrative expenses. (See opinion of the Assistant General Counsel (Fiscal Matters) of the Office of the Secretary of Defense, January 4, 1955.)

In subsection (h), the word “outside” is substituted for the words “beyond the continental limitations”. The words “or in Alaska” are omitted, since, under section 101(l) of this title, the words “United States” are defined to include only the States and the District of Columbia. The word “continental”, after the words “within the”, is omitted for the same reason. The last sentence is substituted for 10:1241 (proviso).

In subsection (i), 10:1196 (last 30 words) is omitted as superseded by the Act of April 27, 1914, ch. 72 (last pro-

viso under “Subsistence of the Army”), 38 Stat. 361. The words “So much of the” and “as may be necessary” are omitted as surplusage. The words “members * * * on active duty, for the use of themselves and their families” are substituted for the words “officers for the use of themselves and their families, and to commanders of companies or other organizations, for the use of the enlisted men of their companies or organizations”, to conform to 10:1237 and 1238. Those sections provide the basic authority for procurement and sale of subsistence supplies to all members. This interpretation conforms to established administrative practice under those sections. The word “supplies” is substituted for the word “stores”.
