§ 20917. Checking system for social networking websites**(a) In general****(1) Secure system for comparisons**

The Attorney General shall establish and maintain a secure system that permits social networking websites to compare the information contained in the National Sex Offender Registry with the Internet identifiers of users of the social networking websites, and view only those Internet identifiers that match. The system—

(A) shall not require or permit any social networking website to transmit Internet identifiers of its users to the operator of the system, and

(B) shall use secure procedures that preserve the secrecy of the information made available by the Attorney General, including protection measures that render the Internet identifiers and other data elements indecipherable.

(2) Provision of information relating to identity

Upon receiving a matched Internet identifier, the social networking website may make a request of the Attorney General for, and the Attorney General shall provide promptly, information related to the identity of the individual that has registered the matched Internet identifier. This information is limited to the name, sex, resident address, photograph, and physical description.

¹ See References in Text note below.

(b) Qualification for use of system

A social networking website seeking to use the system shall submit an application to the Attorney General which provides—

- (2) the contact information for the website;
- (3) a description of the nature and operations of the website;
- (4) a statement explaining why the website seeks to use the system;
- (5) a description of policies and procedures to ensure that—
 - (A) any individual who is denied access to that website on the basis of information obtained through the system is promptly notified of the basis for the denial and has the ability to challenge the denial of access; and
 - (B) if the social networking website finds that information is inaccurate, incomplete, or cannot be verified, the site immediately notifies the appropriate State registry and the Department of Justice, so that they may delete or correct that information in the respective State and national databases;
- (6) the identity and address of, and contact information for, any contractor that will be used by the social networking website to use the system; and
- (7) such other information or attestations as the Attorney General may require to ensure that the website will use the system—

 - (B) for the limited purpose of making the automated comparison described in subsection (a).

(c) Searches against the system**(1) Frequency of use of the system**

A social networking website approved by the Attorney General to use the system may conduct searches under the system as frequently as the Attorney General may allow.

(2) Authority of Attorney General to suspend use

The Attorney General may deny, suspend, or terminate use of the system by a social networking website that—

- (A) provides false information in its application for use of the system;
- (B) may be using or seeks to use the system for any unlawful or improper purpose;
- (C) fails to comply with the procedures required under subsection (b)(5); or
- (D) uses information obtained from the system in any way that is inconsistent with the purposes of this Act.

(3) Limitation on release of Internet identifiers**(A) No public release**

Neither the Attorney General nor a social networking website approved to use the system may release to the public any list of the Internet identifiers of sex offenders contained in the system.

(B) Additional limitations

The Attorney General shall limit the release of information obtained through the use of the system established under sub-

section (a) by social networking websites approved to use such system.

(C) Strict adherence to limitation

The use of the system established under subsection (a) by a social networking website shall be conditioned on the website's agreement to observe the limitations required under this paragraph.

(D) Rule of construction

This subsection shall not be construed to limit the authority of the Attorney General under any other provision of law to conduct or to allow searches or checks against sex offender registration information.

(4) Payment of fee

A social networking website approved to use the system shall pay any fee established by the Attorney General for use of the system.

(5) Limitation on liability**(A) In general**

A civil claim against a social networking website, including any director, officer, employee, parent, contractor, or agent of that social networking website, arising from the use by such website of the National Sex Offender Registry, may not be brought in any Federal or State court.

(B) Intentional, reckless, or other misconduct

Subparagraph (A) does not apply to a claim if the social networking website, or a director, officer, employee, parent, contractor, or agent of that social networking website—

- (i) engaged in intentional misconduct; or
- (ii) acted, or failed to act—
 - (I) with actual malice;
 - (II) with reckless disregard to a substantial risk of causing injury without legal justification; or
 - (III) for a purpose unrelated to the performance of any responsibility or function described in paragraph (3).

(C) Minimizing access

A social networking website shall minimize the number of employees that are provided access to the Internet identifiers for which a match has been found through the system.

(6) Rule of construction

Nothing in this section shall be construed to require any Internet website, including a social networking website, to use the system, and no Federal or State liability, or any other actionable adverse consequence, shall be imposed on such website based on its decision not to do so.

(b) State constitutionality**(1) In general**

When evaluating whether a jurisdiction has substantially implemented this subchapter, the Attorney General shall consider whether the jurisdiction is unable to substantially implement this subchapter because of a demonstrated inability to implement certain provisions that would place the jurisdiction in violation of its constitution, as determined by a ruling of the jurisdiction’s highest court.

(3) Alternative procedures

If the jurisdiction is unable to substantially implement this subchapter because of a limitation imposed by the jurisdiction’s constitution, the Attorney General may determine that the jurisdiction is in compliance with this chapter if the jurisdiction has made, or is in the process of implementing,² reasonable alternative procedures or accommodations, which are consistent with the purposes of this chapter.

§ 20985. Grants for Rape, Abuse & Incest National Network

(a) Findings

Congress finds as follows:

(1) More than 200,000 Americans each year are victims of sexual assault, according to the Department of Justice.

(2) In 2004, 1 American was sexually assaulted every 2.5 minutes.

(3) One of every 6 women, and 1 of every 133 men, in America has been the victim of a completed or attempted rape, according to the Department of Justice.

(4) The Federal Bureau of Investigation ranks rape second in the hierarchy of violent crimes for its Uniform Crime Reports, trailing only murder.

(5) The Federal Government, through the Victims of Crime Act [34 U.S.C. 20101 et seq.], Violence Against Women Act, and other laws, has long played a role in providing services to sexual assault victims and in seeking policies to increase the number of rapists brought to justice.

(6) Research suggests that sexual assault victims who receive counseling support are more likely to report their attack to the police and to participate in the prosecution of the offender.

(7) Due in part to the combined efforts of law enforcement officials at the local, State, and

Federal level, as well as the efforts of the Rape, Abuse & Incest National Network (RAINN) and its affiliated rape crisis centers across the United States, sexual violence in America has fallen by more than half since 1994.

(8) RAINN, a 501(c)(3) nonprofit corporation headquartered in the District of Columbia, has since 1994 provided help to victims of sexual assault and educated the public about sexual assault prevention, prosecution, and recovery.

(9) RAINN established and continues to operate the National Sexual Assault Hotline, a free, confidential telephone hotline that provides help, 24 hours a day, to victims nationally.

(10) More than 1,100 local rape crisis centers in the 50 States and the District of Columbia partner with RAINN and are members of the National Sexual Assault Hotline network (which has helped more than 970,000 people since its inception in 1994).

(11) To better serve victims of sexual assault, 80 percent of whom are under age 30 and 44 percent of whom are under age 18, RAINN will soon launch the National Sexual Assault Online Hotline, the web's first secure hotline service offering live help 24 hours a day.

(12) Congress and the Department of Justice have given RAINN funding to conduct its crucial work.

(13) RAINN is a national model of public/private partnership, raising private sector funds to match congressional appropriations and receiving extensive private in-kind support, including advanced technology provided by the communications and technology industries to launch the National Sexual Assault Hotline and the National Sexual Assault Online Hotline.

(14) *Worth* magazine selected RAINN as one of "America's 100 Best Charities", in recognition of the organization's "efficiency and effectiveness."¹

(15) In fiscal year 2005, RAINN spent more than 91 cents of every dollar received directly on program services.

(16) The demand for RAINN's services is growing dramatically, as evidenced by the fact that, in 2005, the National Sexual Assault Hotline helped 137,039 people, an all-time record.

(17) The programs sponsored by RAINN and its local affiliates have contributed to the increase in the percentage of victims who report their rape to law enforcement.

(18) According to a recent poll, 92 percent of American women said that fighting sexual and domestic violence should be a top public policy priority (a higher percentage than chose health care, child care, or any other issue).

(19) Authorizing Federal funds for RAINN's national programs would promote continued progress with this interstate problem and would make a significant difference in the prosecution of rapists and the overall incidence of sexual violence.

(b) Duties and functions of the Administrator

(1) Description of activities

§ 20989. Fugitive Safe Surrender

(a) Findings

Congress finds the following:

(1) Fugitive Safe Surrender is a program of the United States Marshals Service, in partnership with public, private, and faith-based organizations, which temporarily transforms a church into a courthouse, so fugitives can turn themselves in, in an atmosphere where they feel more comfortable to do so, and have non-violent cases adjudicated immediately.

(2) In the 4-day pilot program in Cleveland, Ohio, over 800 fugitives turned themselves in. By contrast, a successful Fugitive Task Force sweep, conducted for 3 days after Fugitive Safe Surrender, resulted in the arrest of 65 individuals.

(3) Fugitive Safe Surrender is safer for defendants, law enforcement, and innocent bystanders than needing to conduct a sweep.

(4) Based upon the success of the pilot program, Fugitive Safe Surrender should be expanded to other cities throughout the United States.

(b) Establishment

The United States Marshals Service shall establish, direct, and coordinate a program (to be known as the “Fugitive Safe Surrender Program”), under which the United States Marshals Service shall apprehend Federal, State, and local fugitives in a safe, secure, and peaceful manner to be coordinated with law enforcement and community leaders in designated cities throughout the United States.

(c) Authorization of appropriations

There are authorized to be appropriated to the United States Marshals Service to carry out this section—

- (1) \$3,000,000 for fiscal year 2007;
- (2) \$5,000,000 for fiscal year 2008; and
- (3) \$8,000,000 for fiscal year 2009.

(d) Other existing applicable law

Nothing in this section shall be construed to limit any existing authority under any other provision of Federal or State law for law en-

forcement agencies to locate or apprehend fugitives through task forces or any other means.
