Case No. 3:24-cr-00116-MPS

CHRISTOPHER ADAMS

JUDICIAL NOTICE CONCERNING COUNSEL

Judge Shea, Please take notice of the following.

I have been unable to reach my attorney Since July 3<sup>rd</sup> 2024, despite numerous attempts to communicate with him via phone and written correspondence.

My family has tried to reach him as well with no success.

I am requesting his assistance in seeking pre-trial release, and ask for the court to contact counsel and request he respond to my requests. I believe I have been more than patient and at this time seek your assistance in moving this case forward.
