**ORDER TO MAINTAIN ASSETS
AND APPOINTING A MONITOR AND A DIVESTITURE TRUSTEE**

PRELIMINARY STATEMENT

WHEREAS, the Court is entering this Order, with the parties' agreement, to fully achieve the Court's February 28, 2014, Judgment ("Judgment") enjoining St. Luke's acquisition of

Saltzer and requiring St. Luke's to "divest itself of Saltzer's physicians and assets and take any further action needed to unwind the Acquisition."

WHEREAS, the Court finds it appropriate to appoint a Monitor to monitor the asset maintenance requirements of this Order pending the divestiture of the Saltzer Assets and Business.

WHEREAS, the Court finds it appropriate to appoint a Trustee to accomplish the divestiture of the Saltzer Assets and Business as provided herein, so that the Saltzer Assets and Business will be operated as a viable, independent medical practice that will restore competition in the market for adult primary care physician services sold to commercially insured patients in Nampa, Idaho.

WHEREAS, the Court retains the authority to oversee and approve all aspects of the implementation of this Order including, but not limited to, hearing any issues raised by the Plaintiffs or Defendants concerning the Monitor, the Trustee, the divestiture process, the asset maintenance, and retaining the ultimate authority to interpret the Judgment and approve the divestiture, in whatever form, as proposed by the Trustee.

WHEREAS, the purpose of the Judgment and this Order is to remedy the likely lessening of competition resulting from St. Luke's acquisition of Saltzer, as found by this Court, and to restore the competitive intensity of Saltzer as a viable, independent competitor in the market for adult primary care physician services sold to commercially insured patients in Nampa, Idaho.

WHEREAS, this Order shall be interpreted broadly so as to fully achieve the requirements and purpose of the Judgment.

THEREFORE, in light of the stipulation of the parties and the Court otherwise being advised in the premises, and in consideration of the Court's review, it is hereby ORDERED:

I.

Until the divestiture is completed as required by the Judgment, and pursuant to this Order, and any further orders of the Court:

- A. St. Luke's and Saltzer shall fully and completely maintain the economic viability and marketability of the Saltzer Assets and Business, and SIHP. Among other things, and without limitation, St. Luke's and Saltzer shall:
1. Maintain all clinical services and Saltzer Physicians, Orthopedic Surgeons, and Designated Employees in their current employment status and location;
PROVIDED, HOWEVER, that changes in personnel status, positions, and location, or new agreements with such personnel, and the Saltzer Assets and Business, in general, may be approved by the Monitor and the Government Plaintiffs, as requested by Defendants;
 2. Not discourage any Saltzer Physician, Orthopedic Surgeon, or Designated Employee from continuing at Saltzer, or encourage them to seek employment at St. Luke's;
 3. Provide continuing support for all service lines in which such personnel in Paragraph I.A.2 were engaged;
 4. Not advocate or predict a Saltzer transition to a primary care focused model (and shall inform Saltzer personnel that any previous plans to transition to a primary care focused model are no longer in effect);

2. Reduce the level of any financial assistance that has been provided to the Saltzer Assets and Business and SIHP since the Acquisition;

4. Enter any contract that is exclusive or that otherwise irrevocably would bind any Saltzer Asset or Business beyond the time when the divestiture occurs, except with the approval of the Monitor in consultation with the Government Plaintiffs;
or
5. Take any action that might create a material change in the operations of any Saltzer Asset or Business, or of SIHP, except with the approval of the Monitor in consultation with the Government Plaintiffs.

- D. Except as otherwise limited by this Order, and under the review of the Monitor, until the divestiture approved by the Court is complete, Saltzer may operate as an independent medical group with control over the Saltzer Assets and Business, and St. Luke's shall maintain the economic viability and marketability of the Saltzer Assets and Business.

After completion of the negotiated divestiture contract or contracts for the divestiture, or at any time that the Trustee deems appropriate, St. Luke's and Saltzer will be given a copy of the divestiture contract or contracts for information.

St. Luke's may discharge, in whole or in part, the indemnification obligations of this paragraph for either the Monitor or Trustee, or both, through an insurance policy, so long as the Monitor or Trustee, respectively, and the Government Plaintiffs have agreed to the terms of such insurance policy as part of the agreements with the Monitor and Trustee in Paragraphs II.A. and II.B. of this Order. *PROVIDED, HOWEVER*, that any gaps in such insurance shall be covered by St. Luke's.
- H. Saltzer shall indemnify the Monitor and the Trustee and hold the Monitor and the Trustee harmless against any losses, claims, damages, liability or expenses arising out of, or in

connection with any claim brought by Saltzer, or by any Saltzer Physician, Saltzer Medical Professional, or Designated Employee concerning or related to the performance of the Monitor's or the Trustee's duties, whether or not resulting in any liability, except to the extent that such losses, claims, damages, liabilities or expense result from gross negligence, willful or wanton acts, or bad faith by the Monitor or the Trustee as determined by the Court. For purposes of this Order, the terms "Monitor" and "Trustee" shall include all persons retained by the Monitor and the Trustee pursuant to this Order. Saltzer may discharge, in whole or in part, the indemnification obligations of this paragraph for either the Monitor or Trustee, or both, through an insurance policy, so long as the Monitor or Trustee, respectively, and the Government Plaintiffs have agreed to the terms of such insurance policy as part of the agreements with the Monitor and Trustee in Paragraphs II.A. and II.B. of this Order. *PROVIDED, HOWEVER*, that any gaps in such insurance shall be covered by Saltzer.

In selecting a substitute Monitor or Trustee the Government Plaintiffs shall consult with the Defendants. any right to approve or veto any selection by the Government Plaintiffs. The terms of the Order shall fully apply to such Monitor or Trustee, as appropriate. The Trustee shall be a person with experience and expertise in acquisitions and divestitures in the healthcare field. Within ten (10) days of appointment, St. Luke's shall enter an agreement with the substitute Monitor or substitute Trustee, subject to approval by the Government Plaintiffs in their sole discretion, that fully empowers the substitute Monitor or substitute Trustee to perform his or her duties pursuant to this Order.

- J. St. Luke's, and Saltzer shall take no action to interfere with or impede the Trustee's accomplishment of the divestiture or with the Monitor monitoring the asset maintenance requirements. St. Luke's and Saltzer shall not (i) instruct or otherwise direct the Monitor or the Trustee concerning the performance of their duties under this Order, and under the Monitor's agreement and the Trustee's agreement with St. Luke's, or (ii) instruct, direct, discourage or otherwise attempt to influence the Saltzer Physicians, the Orthopedic Surgeons, and the Designated Employees in cooperating with the Monitor and the Trustee. *PROVIDED, HOWEVER*, Defendants may provide their views on any issue arising under this Order directly to the Monitor and the Trustee so long as they do not interfere with the Monitor's duties and the Trustee's efforts to divest. Any delays in divestiture caused by St. Luke's or Saltzer shall extend the time for divestiture in an amount equal to the delay, as determined by the Court. *PROVIDED FURTHER, HOWEVER*, that the Saltzer Physicians (without interference from St. Luke's and Saltzer) shall have the right to review and provide input to the Trustee regarding the specific provisions of any proposed agreement to divest the Saltzer Assets and Business relating to individual Physician's scope of service, work site, compensation, work and

call schedule, and the term and termination of professional services, before such agreement is submitted to the Court; and the Saltzer Physicians may discuss issues, including any proposed agreement relating to these terms, among themselves and as a group (so long as St. Luke's and Saltzer do not interfere with or direct such discussions). If any individual Saltzer Physician decides not to enter any agreement regarding these terms that is to be submitted to the Court as part of any proposed divestiture, such Physician may exercise such rights as the Physician has under any contractual arrangement that Physician has with Saltzer.

- K. The Court may, on its own initiative or at the request of any Party or the Monitor or the Trustee, issue such additional orders or directions as may be necessary or appropriate to accomplish the required divestiture and to assure Defendants' compliance with the obligations of the Judgment and of this Order. *PROVIDED, HOWEVER*, that nothing in this Order prohibits Defendants from seeking additional interpretations, or directions from the Court relating to the Monitor, the Trustee, the Monitor's or Trustee's actions or process, or any other issue related to this Order or any order of the Court in this matter. Moreover, all parties reserve the right to apply to the Court for an order modifying or amending the terms of this Order, either upon consent of the other Parties or upon a showing of good cause and other appropriate showing under the particular circumstances.

PARAGRAPH III.A. COMMUNICATION

PARAGRAPH III.A. COMMUNICATION:

Date

Dear _____,

I am writing to you, a valued employee, to share some information about how you will be affected by a recent court order in the St. Luke's antitrust litigation. This settlement order was approved by the Federal District Court on _____ and is intended to implement the Court's 2014 judgment that requires St. Luke's to divest Saltzer. It also requires St. Luke's to keep Saltzer as a viable operation until it is divested or spun-off as an independent competitor.

Pursuant to the settlement order, we are notifying you as follows:

1. St. Luke's and Saltzer will not take any action to restrict your discussions with and employment or affiliation with a company that may buy Saltzer.
2. During the divestiture process, you may meet personally with potential acquirers outside the presence or hearing of any employee, agent, or management of St. Luke's or Saltzer. You may also share your views with the Divestiture Trustee, Mr. James Moloney, or his associates, from Cain Brothers. Mr. Moloney has been engaged to find a buyer for Saltzer, and to negotiate the terms of that transaction. In addition, Mr. Richard Shermer, of R. Shermer & Company, has been appointed the Monitor under the Order, to assure St. Luke's and Saltzer comply with the Court's Order to maintain the Saltzer assets.
3. We encourage you to remain with Saltzer if Saltzer is purchased by a third party.
4. Everything will stay as it is between St. Luke's and Saltzer until divestiture is complete. You are still required to perform your current duties and responsibilities to maintain your employment. Neither St. Luke's nor Saltzer will make any changes in employment, unless those changes are approved by the Monitor and the Federal Trade Commission and Idaho Attorney General.
5. Saltzer is putting its plans to be a primary care focused practice on hold. Any changes will wait until Saltzer is divested.

Although the divestiture process may be somewhat unsettling, we assure you that St. Luke's and Saltzer are committed to supporting all of your needs so that you can continue to provide our patients the excellent care they have come to expect.

If you desire a copy of the settlement order, have questions about the settlement order, or questions about any other issue relating to the divestiture process, please feel free to call or email me. You may also contact the Trustee, Mr. James Moloney, of Cain Brothers, at (415) 962-2961

or JMoloney@Cainbrothers.com, or the Monitor, Mr. Richard Shermer, of R. Shermer & Company, at (214) 668-0294 or dshermer@rshermer.com.

Sincerely,

Saltzer Representative
