

107TH CONGRESS
2D SESSION

S. 2236

To amend title III of the Public Health Service Act to provide coverage for domestic violence screening and treatment, to authorize the Secretary of Health and Human Services to make grants to improve the response of health care systems to domestic violence, and train health care providers and federally qualified health centers regarding screening, identification, and treatment for families experiencing domestic violence.

IN THE SENATE OF THE UNITED STATES

APRIL 24, 2002

Mr. WELLSTONE introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To amend title III of the Public Health Service Act to provide coverage for domestic violence screening and treatment, to authorize the Secretary of Health and Human Services to make grants to improve the response of health care systems to domestic violence, and train health care providers and federally qualified health centers regarding screening, identification, and treatment for families experiencing domestic violence.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Domestic Violence
3 Screening and Services Act of 2002”.

4 **SEC. 2. FINDINGS.**

5 Congress finds the following:

6 (1) Nearly $\frac{1}{3}$ of American women (31 percent)
7 report being physically or sexually abused by a hus-
8 band or boyfriend at some point in their lives, and
9 about 1200 women are murdered every year by their
10 intimate partner, nearly 3 each day.

11 (2) 85 percent of violent victimizations are ex-
12 perienceed by women.

13 (3) 37 percent of all women who sought care in
14 hospital emergency rooms for violence-related inju-
15 ries were injured by a current or former spouse, boy-
16 friend, or girlfriend.

17 (4) In addition to injuries sustained during vio-
18 lent episodes, physical and psychological abuse are
19 linked to a number of adverse physical health effects
20 including arthritis, chronic neck or back pain, mi-
21 graine and other frequent headaches, stammering,
22 problems with vision, and sexually transmitted infec-
23 tions, including HIV/AIDS.

24 (5) Medical services for abused women cost an
25 estimated \$857,300,000 every year.

1 (6) Each year, at least 6 percent of all preg-
2 nant women, about 240,000 pregnant women, in this
3 country are battered by the men in their lives. This
4 battering leads to complications of pregnancy, in-
5 cluding low weight gain, anemia, infections, and first
6 and second trimester bleeding.

7 (7) Pregnant and recently pregnant women are
8 more likely to be victims of homicide than to die of
9 any other cause, and evidence exists that a signifi-
10 cant proportion of all female homicide victims are
11 killed by their intimate partners.

12 (8) Children who witness domestic violence are
13 more likely to exhibit behavioral and physical health
14 problems including depression, anxiety, and violence
15 towards peers. They are also more likely to attempt
16 suicide, abuse drugs and alcohol, run away from
17 home, engage in teenage prostitution, and commit
18 sexual assault crimes.

19 (9) Fifty percent of men who frequently assault
20 their wives frequently assault their children. The
21 United States Advisory Board on Child Abuse and
22 Neglect suggests that domestic violence may be the
23 single major precursor to child abuse and neglect fa-
24 talities in this country.

1 (10) Currently, about 10 percent of primary
2 care physicians routinely screen for intimate partner
3 abuse during new patient visits and nine percent
4 routinely screen during periodic checkups.

5 (11) Recent clinical studies have proven the ef-
6 fectiveness of a 2-minute screening for early detec-
7 tion of abuse of pregnant women. Additional longitu-
8 dinal studies have tested a 10-minute intervention
9 that was proven highly effective in increasing the
10 safety of pregnant abused women. Comparable re-
11 search does not yet exist to support the effectiveness
12 of screening men.

13 (12) 70 to 81 percent of the patients studied
14 reported that they would like their health care pro-
15 viders to ask them privately about intimate partner
16 violence.

17 **SEC. 3. DOMESTIC VIOLENCE PREVENTION GRANTS.**

18 Part P of title III of the Public Health Service Act
19 (42 U.S.C. 280g et seq.) is amended by adding at the end
20 the following:

21 **“SEC. 3990. DOMESTIC VIOLENCE PREVENTION GRANTS.**

22 “(a) GRANTS AUTHORIZED.—The Secretary is au-
23 thorized to award grants to eligible entities to improve the
24 treatment of and screening for domestic violence.

1 “(b) USE OF FUNDS.—Grants awarded pursuant to
2 subsection (a) may be used for activities such as—

3 “(1) the implementation, dissemination, and
4 evaluation of policies and procedures to guide health
5 care professionals and staff responding to domestic
6 violence;

7 “(2) the provision of training and follow-up
8 technical assistance to health care professionals and
9 staff to screen for domestic violence, and then to ap-
10 propriately assess, treat, and refer patients who are
11 victims of domestic violence to domestic violence
12 service providers; and

13 “(3) the development of on-site access to serv-
14 ices to address the safety, medical, mental health,
15 and economic needs of patients either by increasing
16 the capacity of existing health care professionals and
17 staff to address these issues or by contracting with
18 or hiring domestic violence advocates to provide the
19 services or other model appropriate to the geo-
20 graphic and cultural needs of a site.

21 “(c) ELIGIBLE ENTITY.—In this section, the term
22 ‘eligible entity’ shall mean a Federally qualified health
23 centers as defined in section 1861(aa)(4) of the Social Se-
24 curity Act (42 U.S.C. 1395x(aa)(4)).

1 “(d) APPLICATIONS.—Each eligible entity desiring a
2 grant under this section shall submit an application to the
3 Secretary at such time, in such manner, and accompanied
4 by such information as the Secretary may require.

5 “(e) AUTHORIZATION OF APPROPRIATIONS.—

6 “(1) IN GENERAL.—There is authorized to be
7 appropriated to carry out this section, \$5,000,000
8 for each of fiscal years 2003, 2004, 2005, and 2006.

9 “(2) SET ASIDE FOR TRIBAL ORGANIZATIONS.—

10 An amount equal to 4 percent of the amount appro-
11 priated for a fiscal year in accordance with para-
12 graph (1) to carry out this section shall be set aside
13 for making grants to Indian tribes and tribal organi-
14 zations (as defined in section 4 of the Indian Self-
15 Determination and Education Assistance Act (25
16 U.S.C. 450b)).”.

17 **SEC. 4. NATIONAL HEALTH SERVICE CORPS.**

18 Section 331 of the Public Health Service Act (42
19 U.S.C. 254d) is amended—

20 (1) by redesignating subsection (i) as subsection
21 (j); and

22 (2) by inserting after subsection (h) the fol-
23 lowing:

24 “(i) The Secretary shall ensure that health care pro-
25 fessionals working in the National Health Service Corps

1 receive training on how to screen for domestic violence,
 2 and to appropriately assess, treat, and refer patients who
 3 are victims of domestic violence to domestic violence serv-
 4 ice providers.”.

5 **SEC. 5. GRANTS FOR DOMESTIC VIOLENCE SCREENING**
 6 **AND TREATMENT.**

7 (a) **AUTHORITY TO AWARD GRANTS.—**

8 (1) **IN GENERAL.—**The Secretary of Health and
 9 Human Services (in this section referred to as the
 10 “Secretary”), acting through the Assistant Secretary
 11 for the Administration for Children and Families,
 12 shall award grants under this section to eligible
 13 State entities and eligible local entities in order to
 14 strengthen the response of State and local health
 15 care systems to domestic violence by building the ca-
 16 pacity of health care professionals and staff to iden-
 17 tify, address, and prevent domestic violence.

18 (2) **DEFINITIONS OF ELIGIBLE ENTITIES.—**In
 19 this section:

20 (A) **ELIGIBLE STATE ENTITY.—**The term
 21 “eligible State entity” means a State depart-
 22 ment (or other division) of health, a nonprofit
 23 State domestic violence coalition or service-
 24 based program, or any other nonprofit or State
 25 entity with a history of effective work in the

1 field of domestic violence and health care, that
 2 demonstrates that the applicant is representing
 3 a team of organizations and agencies working
 4 collaboratively to strengthen the response of the
 5 health care system to domestic violence and
 6 that such team includes domestic violence and
 7 health care organizations.

8 (B) ELIGIBLE LOCAL ENTITY.—The term
 9 “eligible local entity” means a nonprofit domes-
 10 tic violence service based program, a local de-
 11 partment (or other division) of health, a local
 12 health clinic, hospital, or system, or any other
 13 nonprofit or local entity with a history of effec-
 14 tive work in the field of domestic violence and
 15 health care.

16 (b) NUMBER AND DURATION OF PROGRAMS; MAX-
 17 IMUM AMOUNT OF GRANTS.—

18 (1) NUMBER OF PROGRAMS.—Not more than—

19 (A) 10 programs shall be conducted by eli-
 20 gible State entities under a grant made under
 21 this section; or

22 (B) 10 programs shall be conducted by eli-
 23 gible local entities under a grant made under
 24 this section.

1 (2) DURATION.—A program conducted under a
2 grant made under this section by an eligible State
3 entity or an eligible local entity shall not exceed 4
4 years.

5 (3) MAXIMUM AMOUNT OF GRANTS.—A grant
6 awarded under this section shall not exceed—

7 (A) \$350,000 per year, in the case of a
8 program conducted by an eligible State entity;
9 or

10 (B) \$150,000 per year, in the case of a
11 program conducted by an eligible local entity.

12 (c) USE OF FUNDS.—

13 (1) ELIGIBLE STATE ENTITIES.—An eligible
14 State entity awarded a grant under this section shall
15 use funds provided under the grant to design and
16 implement comprehensive statewide strategies to im-
17 prove the response of the health care system to do-
18 mestic violence in clinical and public health care set-
19 tings and to promote education and awareness about
20 domestic violence at a statewide level. Such strate-
21 gies shall include the following:

22 (A) Collaboration with State professional
23 health associations and departments (or other
24 divisions) of health to integrate responses to do-

1 mestic violence into existing policy, practice,
2 and education efforts.

3 (B) Promotion of policies and funding
4 sources that advance domestic violence screen-
5 ing, training, and protocol development and
6 that protect the confidentiality of patients and
7 prohibit insurance discrimination.

8 (C) Dissemination, implementation, and
9 evaluation of practice guidelines on domestic vi-
10 olence that guide health care providers and
11 public health professionals response to domestic
12 violence.

13 (D) Training and follow-up technical as-
14 sistance to health care professionals and staff
15 to screen for domestic violence, and then to ap-
16 propriately assess, treat, and refer patients who
17 are victims of domestic violence to domestic vio-
18 lence services.

19 (E) Creation and implementation of public
20 education campaigns for patients and providers
21 about domestic violence prevention.

22 (F) Development and dissemination of pa-
23 tient and provider education materials.

24 (G) Promotion of the inclusion of domestic
25 violence into medical and nursing school cur-

1 riculum and integration of domestic violence
2 into health care accreditation and professional
3 licensing examinations, such as medical boards.

4 (H) Evaluation of the practice and institu-
5 tionalization of screening, intervention, and doc-
6 umentation of domestic violence and promotion
7 of the use of quality improvement measure-
8 ments.

9 (2) ELIGIBLE LOCAL ENTITIES.—An eligible
10 local entity awarded a grant under this section shall
11 use funds provided under the grant to design and
12 implement comprehensive local strategies to improve
13 the response of the health care system to domestic
14 violence in hospitals, clinics, managed care settings,
15 emergency medical services, and other health care
16 settings. Such strategies shall include the following:

17 (A) Implementation, dissemination, and
18 evaluation of policies and procedures to guide
19 clinical and public health professionals and staff
20 responding to domestic violence including iden-
21 tification, treatment, and documentation of do-
22 mestic violence and strategies to ensure that
23 health information is held in a manner that
24 protects the patient's privacy and safety.

1 (B) Training and follow-up technical as-
2 sistance to health care professionals and staff
3 to screen for domestic violence, and then to ap-
4 propriately assess, treat, and refer patients who
5 are victims of domestic violence to domestic vio-
6 lence services.

7 (C) Development of on-site access to serv-
8 ices to address the safety, medical, mental
9 health, and economic needs of patients either by
10 increasing the capacity of existing health care
11 professionals and staff to address these issues
12 or by contracting with or hiring domestic vio-
13 lence advocates to provide the services, or to
14 model other services appropriate to the geo-
15 graphic and cultural needs of a site.

16 (D) Development or adaptation and dis-
17 semination of patient and provider education
18 materials.

19 (E) Evaluation of practice and the institu-
20 tionalization of screening, intervention, and doc-
21 umentation including quality improvement
22 measurements such as patient satisfaction sur-
23 veys, patient record reviews, case consultation,
24 or other methods used to evaluate and enhance
25 staff compliance with protocols.

1 (d) AUTHORIZATION OF APPROPRIATIONS.—There is
2 authorized to be appropriated to the Secretary of Health
3 and Human Services for the purpose of awarding grants
4 under this section, \$5,000,000 for each of fiscal years
5 2003 through 2006.

○
