1 **TITLE II—GILA RIVER INDIAN COMMU-**
2 **NITY WATER RIGHTS SETTLEMENT**

3 **SEC. 201. SHORT TITLE.**

4 This title may be cited as the “Gila River Indian
5 Community Water Rights Settlement Act of 2002”.

6 **SEC. 202. FINDINGS AND PURPOSES.**

7 (a) FINDINGS.—Congress finds that—

8 (1) it is the policy of the United States, in
9 keeping with the trust responsibility of the United
10 States to Indian tribes—

11 (A) to promote Indian self-determination
12 and economic self-sufficiency; and

13 (B) to settle, whenever possible, Indian
14 water rights claims without lengthy and costly
15 litigation;

16 (2) meaningful Indian self-determination and
17 economic self-sufficiency largely depend on the devel-
18 opment of viable Indian reservation economies;

19 (3) the quantification of rights to water and de-
20 velopment of facilities needed to use tribal water
21 supplies in an effective manner is essential to the de-
22 velopment of viable Indian reservation economies,
23 particularly in arid western States;

1 (4) continued uncertainty concerning the extent
2 of the entitlement of the Gila River Indian Commu-
3 nity to water—

4 (A) has severely limited access by the
5 Community to water and financial resources
6 necessary to develop valuable agricultural land;
7 and

8 (B) has frustrated the efforts of the Com-
9 munity to achieve meaningful self-determination
10 and self-sufficiency;

11 (5) proceedings to determine and enforce the
12 full extent and nature of, and injury to, the water
13 rights of the Community are currently pending in
14 the United States District Court for the District of
15 Arizona, and water rights claims are pending in the
16 Superior Court of the State in and for Maricopa
17 County as part of the Gila River adjudication pro-
18 ceedings;

19 (6) because final resolution of pending litigation
20 would take many years and entail great expense,
21 continue economically and socially damaging limits
22 to access to water by the Community, prolong uncer-
23 tainty concerning the availability of water supplies,
24 and seriously impair long-term economic planning
25 and development, the Community and the neighbors

1 of the Community have sought to settle their dis-
2 putes concerning water and reduce the burdens of
3 litigation;

4 (7) after many years of negotiation, the United
5 States, the Community, and the neighbors of the
6 Community, many of whom are parties to the Gila
7 River adjudication proceedings, have entered into a
8 settlement agreement to—

9 (A) resolve permanently certain damage
10 claims and all water rights claims between the
11 United States and the Community and its
12 neighbors; and

13 (B) recognize the right of the allottees to
14 use water for irrigation purposes on the Res-
15 ervation; and

16 (8) to advance the goals of Federal Indian pol-
17 icy and to act consistently with the trust responsi-
18 bility of the United States to the Community and
19 the allottees, it is appropriate that the United States
20 participate in the implementation of the Gila River
21 agreement and contribute funds to enable the Com-
22 munity and the allottees to use the water entitle-
23 ments recognized or provided for in the Gila River
24 agreement or this title in developing a diverse and
25 efficient economy.

1 (b) PURPOSES.—The purposes of this title are—

2 (1) to authorize, ratify, and confirm the Gila
3 River agreement;

4 (2) to authorize and direct the Secretary to exe-
5 cute and perform all obligations of the Secretary
6 under the Gila River agreement; and

7 (3) to authorize the actions and appropriations
8 necessary for the United States to meet obligations
9 of the United States under the Gila River agreement
10 and this title.

11 **SEC. 203. APPROVAL OF THE GILA RIVER INDIAN COMMU-**
12 **NITY WATER RIGHTS SETTLEMENT AGREE-**
