9 serve components, members of the National Guard,
10 and veterans need to be more easily and readily ac-
11 cessible; and

12 (3) medical records and records of deployment
13 need a “warm transition” and better collaboration
14 between the Department of Defense and the Depart-
15 ment of Veterans Affairs.

17 **CERTAIN HEALTH CARE PROFESSIONALS.**

23 (B) by striking “regardless” and all that
24 follows through the end and inserting “regard-
25 less of where such health-care professional or
26 the patient are located, so long as the practice

1 is within the scope of the authorized Federal
2 duties.”; and

3 (2) in paragraph (2), by striking “member of
4 the armed forces” and inserting “member of the
5 armed forces, civilian employee of the Department of
6 Defense, personal services contractor under section
7 1091 of this title, or other health-care professional
8 credentialed and privileged at a Federal health care
9 institution or location specially designated by the
10 Secretary for this purpose”.
