2 (a) FINDINGS.—Congress finds that—

3 (1) on September 11, 2001, the United States
4 was attacked and our world was changed forever
5 when terrorists murdered nearly 3,000 innocent peo-
6 ple at the World Trade Center, at the Pentagon, and
7 in a field in Shanksville, Pennsylvania, in the largest
8 terrorist attack ever committed in the United States;

9 (2) millions of people from every State and
10 every country have visited Ground Zero to pay their
11 respects;

12 (3) established in 2003, the National September
13 11 Memorial and Museum at the World Trade Cen-
14 ter Foundation, Inc., a nonprofit organization de-
15 scribed in section 501(c)(3) of the Internal Revenue
16 Code of 1986, has been dedicated to raising funds
17 for and overseeing the design, construction, and op-
18 eration of the Memorial and Museum at the World
19 Trade Center site;

20 (4) the Memorial will ensure that future gen-
21 erations never forget the thousands of people who
22 were killed by the terrorist attack on September
23 11th, 2001, in New York, Pennsylvania, and Vir-
24 ginia, as well as those who died in the terrorist
25 bombing at the World Trade Center on February
26 26, 1993;

1 (5) the Memorial—

2 (A) will further recognize the thousands
3 who survived the terrorist attacks and all who
4 demonstrated extraordinary compassion in the

7 grams, that the history of September 11, 2011,
8 and the implications of that day, continue to be
9 told, especially to the youth of the United
10 States; and

11 (C) will be a resource to the more than
12 600 September 11 Memorials being established
13 throughout the United States;

14 (6) the Memorial is scheduled to open on the
15 10th anniversary of the terrorist attacks, while the
16 Museum is scheduled to open in 2012;

17 (7) it is projected that the Memorial will be one
18 of the most visited venues in the United States, with
19 millions of visitors each year, reflecting the enor-
20 mous impact the terrorist attacks had on the United
21 States and the world;

22 (8) throughout the history of the United States,
23 Congress has stepped forward to authorize operating
24 funds, in public and private partnership with private

1 donors, for memorials and museums of national sig-
2 nificance;

3 (9) the Memorial is a true public and private
4 partnership, recognized as a public charity under the
