7       (a) IN GENERAL.—Section 1902(a) of the Social Se-  
8       curity Act (42 U.S.C. 1396a) is amended—

9               (1) by striking “and” at the end of paragraph

8 shall suspend) eligibility for medical assist-  
9 ance for such juvenile during the period  
10 that such individual is an inmate of a pub-  
11 lic institution, but shall establish a process  
12 to ensure that—

13                           “(I) the State does not claim  
14 Federal financial participation for  
15 items and services that are excluded  
16 from the definition of medical assist-  
17 ance under subdivision (A) (following

22 title) items and services which are in-  
23 cluded in the definition of medical as-  
24 sistance and for which Federal finan-  
25 cial participation would have other-

1                   wise been permitted but for the status  
2                   of the juvenile as such an inmate; and

3                   “(ii) the State shall automatically re-  
4                   store full eligibility for such medical assist-  
5                   ance to such eligible juvenile upon release  
6                   from such institution and shall take all  
7                   necessary steps to ensure that such juve-  
8                   nile can begin receiving medical assistance  
9                   under this title immediately upon release  
10                  from such institution, unless (and until  
11                  such date) there is a determination that  
12                  the juvenile no longer meets the State or  
13                  Federal eligibility requirements for such  
14                  medical assistance.

15                  “(B) For purposes of this paragraph, the

23                         “(iii) on the expected date of release  
24                         of such individual from such institution—

1                   “(I) will be 21 years of age or

3                   “(II) notwithstanding subdivision  
4                   (A) (following paragraph (29)), in sec-  
5                   tion 1905(a), will be eligible for med-  
6                   ical assistance under the State plan.”.

7                   (b) EFFECTIVE DATE.—

8                   (1) IN GENERAL.—Except as provided in para-  
9                   graph (2), the amendments made by subsection (a)  
10                  shall take effect 6 months after the date of the en-  
11                  actment of this Act and shall apply to eligibility and  
12                  enrollment on or after such date.

13                  (2) RULE FOR CHANGES REQUIRING STATE  
14                  LEGISLATION.—In the case of a State plan for med-  
15                  ical assistance under title XIX of the Social Security  
16                  Act which the Secretary of Health and Human Serv-  
17                  ices determines requires State legislation (other than  
18                  legislation appropriating funds) in order for the plan  
19                  to meet the additional requirement imposed by the  
20                  amendments made by this subsection, the State plan  
21                  shall not be regarded as failing to comply with the  
22                  requirements of such title solely on the basis of its  
23                  failure to meet this additional requirement before  
24                  the first day of the first calendar quarter beginning  
25                  after the close of the first regular session of the

1 State legislature that begins after the date of the en-  
2 actment of this Act. For purposes of the previous  
3 sentence, in the case of a State that has a 2-year  
4 legislative session, each year of such session shall be  
5 deemed to be a separate regular session of the State  
6 legislature.
