

112TH CONGRESS
1ST SESSION

H. R. 3472

To prevent forfeited fishing vessels from being transferred to private parties
and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 17, 2011

Mr. YOUNG of Alaska introduced the following bill; which was referred to the Committee on Transportation and Infrastructure, and in addition to the Committees on Natural Resources, Energy and Commerce, and Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To prevent forfeited fishing vessels from being transferred
to private parties and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Pirate Fishing Vessel
5 Disposal Act of 2011”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1 (1) Stateless vessels forfeited to the United
2 States for engaging in illegal, unreported, and un-
3 regulated fishing are of little inherent economic
4 value, and have no useful commercial fishing pur-
5 pose other than engaging in this type of pirate fish-
6 ing.

7 (2) The environmental harm of allowing vessels
8 seized for illegal, unreported, or unregulated fishing
9 to return to such fishing activities far outweighs any
10 damage to the environment caused by sinking or
11 otherwise disposing of such vessels at appropriate
12 depths and distances from shore after proper decon-
13 tamination procedures and disposal site selection
14 have been followed.

15 (3) Maritime threats to the United States in-
16 creasingly involve asymmetrical warfare and the
17 Navy and Coast Guard need to be prepared for such
18 threats.

19 (4) Using vessels forfeited for engaging in ille-
20 gal, unreported, or unregulated fishing in live-fire
21 sinking exercises represents an important oppor-
22 tunity for the Armed Forces to prepare for such
23 asymmetrical maritime warfare.

24 (5) Since the oils and hazardous and toxic sub-
25 stances aboard such vessels pose a threat to the ma-

1 rine environment, and since such vessels are essen-
2 tially abandoned assets, it is appropriate to use the
3 Oil Spill Liability Trust Fund to prevent pollution
4 and pay for decontamination costs for such vessels.

5 **SEC. 3. DEFINITIONS.**

6 In this Act:

7 (1) ADMINISTRATOR.—Except as otherwise spe-
8 cifically provided, the term “Administrator” means
9 the Administrator of the Maritime Administration.

2 or have been misreported, to the relevant na-
3 tional authority of that nation in contravention
4 of its laws and regulations;

5 (B) conducted by a vessel flying the flag of
6 a nation that is a member of a regional fish-
7 eries management organization in contravention
8 of the conservation and management measures
9 adopted by that organization and by which that
10 nation is bound, including activities that have
11 not been reported, or have been misreported, in
12 contravention of the reporting requirements of
13 that organization;

14 (C) conducted by a vessel flying the flag of
15 a nation that is a cooperating non-member of a
16 regional fisheries management organization that
17 are inconsistent with the commitments under-
18 taken by that nation as a cooperating non-mem-
19 ber of that organization, including activities
20 that have not been reported, or have been
21 misreported, in a manner that is inconsistent
22 with those commitments; or

23 (D) conducted in the area of application of
24 a regional fisheries management organization
25 by a vessel without nationality or by a vessel

1 flying the flag of a nation that is not a member
