

112TH CONGRESS
1ST SESSION

H. R. 623

To establish the National Commission on State Workers' Compensation Laws.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 10, 2011

Mr. BACA (for himself, Mr. CONNOLLY of Virginia, Mr. CONYERS, Mr. FILNER, Mr. GRIJALVA, Mr. KILDEE, and Mr. STARK) introduced the following bill; which was referred to the Committee on Education and the Workforce

A BILL

To establish the National Commission on State Workers' Compensation Laws.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “National Commission
5 on State Workers' Compensation Laws Act of 2011”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) The full protection of American workers
9 from job-related injury or death requires an ade-
10 quate, prompt, and equitable system of workers'

1 compensation as well as an effective program of oc-
2 cupational health and safety regulation.

3 (2) The vast majority of American workers and
4 their families are dependent on workers' compensa-
5 tion for their basic economic security in the event
6 such workers suffer injury or death in the course of
7 employment.

8 (3) In 1972, the National Commission on State
9 Workmen's Compensation Laws found that the sys-
10 tem of State workers' compensation laws was "in-
11 equitable and inadequate". Since that time, changes
12 in reductions in State workers' compensation laws
13 have increased the inadequacy and inequitable levels
14 of workers' compensation benefits. Serious questions
15 exist concerning the fairness and adequacy of
16 present workers' compensation laws in light of the
17 growth of the economy, changing nature of the labor
18 force, misclassification of workers as independent
19 contractors, and as leased employees, as well as ero-
20 sion of remedies for the bad faith handling and
21 delay in payment of benefits and medical care to
22 workers and their families, increases in medical
23 knowledge, changes in the hazards associated with
24 various employment, new risks to health and safety

1 created by new technology, and increases in the gen-
2 eral level of wages and in the cost of living.

3 **SEC. 3. ESTABLISHMENT OF COMMISSION.**

4 There is established a commission to be known as the
5 “National Commission on State Workers’ Compensation
6 Laws” (hereinafter in this Act referred to as the “Com-
7 mission”).

8 **SEC. 4. DUTIES OF COMMISSION.**

9 (a) IN GENERAL.—The duties of the Commission
10 shall be—

11 (1) to review the findings of the previous Na-
12 tional Commission on State Workmen’s Compensa-
13 tion Laws and its recommendations;

14 (2) to study and evaluate State workers’ com-
15 pensation laws in order to determine if such laws
16 provide an adequate, prompt, and equitable system
17 of compensation for injury or death arising out of or
18 in the course of employment; and

19 (3) to study and evaluate whether additional
20 remedies should be recommended to ensure prompt
21 and good faith payment of benefits and medical care
22 to injured workers and their families.

23 (b) MATTERS TO BE EVALUATED AND STUDIED.—

24 The study and evaluation under subsection (a)(2) shall in-
25 clude—

1 (1) the amount of permanent and temporary
2 disability benefits and the criteria for determining
3 the maximum limitations of such benefits or the
4 elimination of such maximum limitations;

5 (2) a study and evaluation of State workers'
6 compensation laws in order to determine if, and to
7 ensure that, such laws provide an adequate, prompt,
8 and equitable system of compensation and medical
9 care for injuries or death arising in the course of
10 employment;

11 (3) a study of whether other adequate remedies
12 are available to ensure the prompt payment of bene-
13 fits and to reduce or eliminate bad faith delays in
14 payments of benefits, providing medical care, and
15 discouraging misclassification of workers as inde-
16 pendent contractors and/or leased employees to avoid
17 paying workers' compensation benefits;

18 (4) the amount and duration of medical benefits
19 and provisions ensuring adequate medical care and
20 free choice of physician;

21 (5) rehabilitation;

22 (6) standards for determining assurance of ben-
23 efits caused by aggravation or acceleration of pre-
24 existing injuries or disease;

25 (7) time limits on filing claims;

- 1 (8) waiting periods;
- 2 (9) compulsory or elective coverage;
- 3 (10) administration;
- 4 (11) ensuring prompt hearings and due process
- 5 evidentiary rights in the resolution of claims;
- 6 (12) the relationship between workers' com-
- 7 pensation on the one hand, and old-age, disability,
- 8 and survivors insurance and other types of insurance
- 9 (public or private) on the other hand; and
- 10 (13) methods of communicating the rec-
- 11 ommendations of the Commission.
