

117TH CONGRESS
1ST SESSION

S. RES. 279

Designating June 21, 2021 through June 25, 2021, as “National
Cybersecurity Education Week”.

IN THE SENATE OF THE UNITED STATES

JUNE 17, 2021

Ms. ROSEN (for herself and Mr. CASSIDY) submitted the following resolution;
which was referred to the Committee on the Judiciary

JUNE 24, 2021

Committee discharged; considered and agreed to

RESOLUTION

Designating June 21, 2021 through June 25, 2021, as
“National Cybersecurity Education Week”.

Whereas, according to a 2017 projection, the United States
will face a shortage of 1,800,000 cybersecurity workers
by 2022;

Whereas recent cyberattacks on the United States have high-
lighted the cybersecurity workforce shortage in the
United States that—

(1) poses a threat to the national security of the
United States;

(2) jeopardizes the economy of the United States;

(3) puts the digital privacy of the United States at
risk; and

(4) threatens the critical infrastructure of the United States;

Whereas expanding cybersecurity education opportunities is important to address the cybersecurity workforce shortage and prepare the United States for ongoing and future national security threats;

Whereas cybersecurity education can provide learning and career opportunities for kindergarten through grade 12 students across the United States, as well as bolster the capacity of the domestic workforce to defend the United States and secure the economy of the United States;

Whereas, in 2020, introduced as part of the Providing Resources for Ongoing Training and Education in Cyber Technologies Act of 2020 and enacted as part of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (Public Law 116–283), Congress authorized the Cybersecurity Education Training Assistance Program, a Department of Homeland Security initiative to provide cybersecurity career awareness, curricular resources, and professional development to elementary and secondary schools; and

Whereas ensuring access to cybersecurity education for all students in the United States regardless of race, ethnicity, socioeconomic status, or geographic location will expand opportunities for good-paying jobs in high-demand fields: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) designates June 21, 2021 through June 25,

3 2021, as “National Cybersecurity Education Week”;

1 (2) encourages the people of the United States
2 to acknowledge the importance of cybersecurity edu-
3 cation;

4 (3) encourages educational and training institu-
5 tions to increase the understanding and awareness
6 of cybersecurity education at such institutions; and

7 (4) commits to—

8 (A) raising awareness about cybersecurity
9 education; and

10 (B) taking legislative actions to address cy-
11 bersecurity education expansion and address
12 the cybersecurity workforce shortage.
