1ST SESSION

S. RES. 334

Memorializing those impacted by and lost to the COVID–19 virus.

IN THE SENATE OF THE UNITED STATES

AUGUST 3, 2021

Ms. WARREN (for herself, Mr. MARKEY, and Mr. HEINRICH) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions

RESOLUTION

Memorializing those impacted by and lost to the COVID–
19 virus.

Whereas the first Monday in March is an appropriate day to be recognized as “COVID–19 Victims and Survivors Memorial Day”;

Whereas COVID–19 (SARS–CoV–2), a novel coronavirus, is a deadly illness caused by a virus that can transmit from person to person;

Whereas, in 2020, COVID–19 began to spread throughout the world, creating a global pandemic that has had a catastrophic impact on human life, communities in the United States, and the United States economy;

Whereas, in March 2020, communities in every State began to experience increased loss of life and families lost fa-

thers, mothers, brothers, sisters, sons, daughters, and neighbors from the virus;

Whereas, beginning in 2020, many across the United States were, and continue to be, personally impacted by COVID–19, including mourning their loved ones and neighbors or suffering from the unknown long-term health implications of the virus;

Whereas, by the end of July 2021, there had been more than 34,733,631 known cases of the virus in the United States and more than 600,000 people tragically lost their lives;

Whereas COVID–19 has had a disproportionate impact on low-income communities and communities of color, with higher rates of infection and death, exacerbating inequities already prevalent in our systems that must addressed throughout the United States;

Whereas public servants, frontline and essential workers, and health care professionals took selfless actions to protect their neighbors and communities, support struggling local economies, and find innovative ways to provide services;

Whereas local, State, Tribal, and Federal Government entities provided critical support to businesses, communities, and the people of the United States in need;

Whereas the COVID–19 pandemic continues to have an impact on the United States and countries around the world; and

Whereas each life lost to COVID–19, each inequity and broken system brought to light, and each sacrifice made shall never be forgotten: Now, therefore, be it
