19 no meaningful ability to tell the Chinese Communist  
20 Party “no” if officials request user data.

24 **SEC. 3. STATEMENT OF POLICY.**

25 It is the policy of the United States to secure the

2 applications and software services developed and owned by  
3 foreign adversaries, specifically the People’s Republic of  
4 China and the Chinese Communist Party, which continue  
5 to threaten the national security, foreign policy, and econ-
