

118TH CONGRESS
2D SESSION

H. R. 8239

To improve the consideration by the Securities and Exchange Commission
of the costs and benefits of regulations and orders of the Commission.

IN THE HOUSE OF REPRESENTATIVES

MAY 2, 2024

Mrs. WAGNER (for herself, Mr. GARBARINO, Mr. NUNN of Iowa, Mr. MEUSER,
Mr. HUIZENGA, and Mr. EMMER) introduced the following bill; which was
referred to the Committee on Financial Services

A BILL

To improve the consideration by the Securities and Exchange
Commission of the costs and benefits of regulations and
orders of the Commission.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “SEC Regulatory Ac-
5 countability Act”.

1 **SEC. 2. CONSIDERATION BY THE SECURITIES AND EX-**
2 **CHANGE COMMISSION OF THE COSTS AND**
3 **BENEFITS OF REGULATIONS AND CERTAIN**
4 **OTHER AGENCY ACTIONS OF THE COMMIS-**
5 **SION.**

6 Section 23 of the Securities Exchange Act of 1934
7 (15 U.S.C. 78w) is amended by adding at the end the fol-
8 lowing:

9 “(e) CONSIDERATION OF COSTS AND BENEFITS.—

10 “(1) CONSIDERATIONS BEFORE PROPOSING A
11 REGULATION.—Before proposing a regulation, the
12 Commission shall—

13 “(A) clearly identify the nature and source
14 of the problem that the regulation is designed
15 to address, as well as assess the significance of
16 that problem, to enable assessment of whether
17 any new regulation is warranted; and

18 “(B) ensure that the regulation would be
19 within the Commission’s jurisdiction and that
20 the Commission has sufficient experience and
21 expertise to regulate the subject matter covered
22 by the regulation.

23 “(2) REQUIREMENTS FOR ISSUING A PROPOSED
24 OR FINAL REGULATION.—

25 “(A) IN GENERAL.—In issuing a proposed
26 or final regulation, the Commission shall—

1 “(i) clearly identify the market par-
2 ticipants who will be impacted by the regu-
3 lation;

4 “(ii) utilize the Chief Economist of
5 the Commission to assess the costs and
6 benefits, both qualitative and quantitative,
7 of the regulation, both on the regulation’s
8 own and cumulatively with other existing
9 and proposed regulations;

10 “(iii) only issue the regulation if the
11 Commission makes a reasoned determina-
12 tion that the benefits of the regulation jus-
13 tify the costs of the regulation;

14 “(iv) identify and assess available al-
15 ternatives to the regulation that were con-
16 sidered, including modification of an exist-
17 ing regulation;

18 “(v) ensure that the regulation is ac-
19 cessible, consistent, written in plain lan-
20 guage, and easy to understand; and

21 “(vi) ensure that the length of the
22 public comment period is commensurate
23 with the complexity of the regulation and
24 the expected public interest in the rule-
25 making.

1 “(B) INCLUSION OF INFORMATION IN A
2 PROPOSED OR FINAL REGULATION.—In issuing
3 a proposed or final regulation, the Commission
4 shall include in the regulation—

5 “(i) the results of the identifications
6 and assessments required under clauses (i)
7 and (ii) of subparagraph (A) with respect
8 to the regulation;

9 “(ii) an explanation of why the regula-
10 tion meets the regulatory objectives of the
11 Commission more effectively than other
12 available alternatives, including modifica-
13 tion of an existing regulation;

14 “(iii) a description of how the Com-
15 mission intends the regulation to interact
16 with existing regulations and proposed reg-
17 ulations; and

18 “(iv) a justification of the length of
19 the public comment period for the regula-
20 tion.

21 “(3) CONSIDERATIONS AND ACTIONS.—

22 “(A) REQUIRED ACTIONS.—In deciding
23 whether and how to regulate, the Commission
24 shall assess the costs and benefits of available
25 regulatory alternatives, including the alternative

1 of not regulating, and choose the approach that
2 maximizes net benefits. Specifically, the Com-
3 mission shall—

4 “(i) consistent with the requirements
5 of section 3(f) (15 U.S.C. 78c(f)), section
6 2(b) of the Securities Act of 1933 (15
7 U.S.C. 77b(b)), section 202(c) of the In-
8 vestment Advisers Act of 1940 (15 U.S.C.
9 80b-2(c)), and section 2(c) of the Invest-
10 ment Company Act of 1940 (15 U.S.C.
11 80a-2(c)), consider whether a rulemaking
12 (both on the regulation’s own and cumula-
13 tively with other existing and proposed reg-
14 ulations), in addition to being in the inter-
15 est of protecting investors, will promote ef-
16 ficiency, competition, and capital forma-
17 tion;

18 “(ii) evaluate whether, consistent with
19 obtaining regulatory objectives, a regula-
20 tion (both on the regulation’s own and cu-
21 mulatively with other existing and pro-
22 posed regulations) is tailored to impose the
23 least burden on society, including market
24 participants, individuals, businesses of dif-
25 fering sizes, and other entities (including

1 State and local governmental entities), tak-
 2 ing into account, to the extent practicable,
 3 the cumulative costs of regulations; and

4 “(iii) evaluate whether a regulation is
 5 inconsistent, incompatible, or duplicative of
 6 other Federal regulations.

7 “(B) ADDITIONAL CONSIDERATIONS.—In
 8 addition, in making a reasoned determination
 9 under paragraph (2)(A)(iii) of the costs and
 10 benefits of a regulation, the Commission shall,
 11 to the extent that each is relevant to the par-
 12 ticular regulation, take into consideration the
 13 impact of the regulation on—

14 “(i) investor choice;

15 “(ii) market liquidity in the securities
 16 markets;

17 “(iii) small businesses;

18 “(iv) competition in the marketplace;

19 “(v) investor access; and

20 “(vi) the United States economic com-
 21 petitiveness.

22 “(4) POST-ADOPTION IMPACT ASSESSMENT.—

23 “(A) IN GENERAL.—Whenever the Com-
 24 mission issues a final regulation that is a
 25 ‘major rule’ (as defined under section 804 of

1 title 5, United States Code), it shall state, in
2 the regulation, the following:

3 “(i) The purposes and intended con-
4 sequences of the regulation.

5 “(ii) Appropriate post-implementation
6 quantitative and qualitative metrics to
7 measure the economic impact of the regu-
8 lation and to measure the extent to which
9 the regulation has accomplished the stated
10 purposes.

11 “(iii) The assessment plan that will be
12 used, consistent with the requirements of
13 subparagraph (B) and under the super-
14 vision of the Chief Economist, to assess
15 whether the regulation has achieved the
16 stated purposes.

17 “(iv) Any unintended or negative con-
18 sequences that the Commission foresees
19 may result from the regulation.

20 “(B) REQUIREMENTS OF ASSESSMENT
21 PLAN AND REPORT.—

22 “(i) REQUIREMENTS OF PLAN.—For
23 each regulation described under subpara-
24 graph (A), the Chief Economist shall es-
25 tablish an assessment plan, which shall—

1 “(I) consider the costs, benefits,
2 and intended and unintended con-
3 sequences of the regulation;

4 “(II) specify the data to be col-
5 lected, the methods for collection and
6 analysis of the data, and a date for
7 completion of the assessment; and

8 “(III) include an analysis of any
9 jobs added or lost as a result of the
10 regulation, differentiating between
11 public and private sector jobs.

12 “(ii) TIMING OF ASSESSMENT PLAN
13 REPORT.—A report on each completed as-
14 sessment plan described under clause (i)
15 shall be submitted by the Chief Economist
16 to the Commission not later than the end
17 of the 4-year period beginning on the date
18 the applicable regulation is issued, unless
19 the Commission, at the request of the
20 Chief Economist, publishes at least 90
21 days before the end of such period a notice
22 in the Federal Register extending the date
23 and providing specific reasons why an ex-
24 tension is necessary.

1 “(iii) PUBLIC COMMENT.—Not later
2 than 7 days after the Commission receives
3 an assessment plan report under clause
4 (ii), the Commission shall publish the re-
5 port in the Federal Register for public
6 comment.

7 “(5) REGULATION DEFINED.—In this sub-
8 section, the term ‘regulation’—

9 “(A) means an agency statement of gen-
10 eral applicability and future effect that is de-
11 signed to implement, interpret, or prescribe law
12 or policy or to describe the procedure or prac-
13 tice requirements of an agency, including rules,
14 orders of general applicability, interpretive re-
15 leases, and other statements of general applica-
16 bility that the agency intends to have the force
17 and effect of law; and

18 “(B) does not include—

19 “(i) a regulation issued in accordance
20 with the formal rulemaking provisions of
21 section 556 or 557 of title 5, United States
22 Code;

23 “(ii) a regulation that is limited to
24 agency organization, management, or per-
25 sonnel matters;

1 “(iii) a regulation promulgated pursu-
2 ant to statutory authority that expressly
3 prohibits compliance with this provision;
4 and

5 “(iv) a regulation that is certified by
6 the agency to be an emergency action, if
7 such certification is published in the Fed-
8 eral Register.”.

9 **SEC. 3. SENSE OF CONGRESS RELATING TO OTHER REGU-**
10 **LATORY ENTITIES.**

11 It is the sense of the Congress that the Public Com-
12 pany Accounting Oversight Board should also follow the
13 requirements of section 23(e) of the Securities Exchange
14 Act of 1934, as added by section 2.

15 **SEC. 4. ACCOUNTABILITY PROVISION RELATING TO OTHER**
16 **REGULATORY ENTITIES.**

17 A rule adopted by the Municipal Securities Rule-
18 making Board or any national securities association reg-
19 istered under section 15A of the Securities Exchange Act
20 of 1934 (15 U.S.C. 78o–3) shall not take effect unless
21 the Securities and Exchange Commission determines that,
22 in adopting such rule, the Board or association has com-
23 plied with the requirements of section 23(e) of the Securi-
24 ties Exchange Act of 1934, as added by section 2, in the

- 1 same manner as is required by the Commission under such
- 2 section 23(e).
