## RESOLUTION

Recognizing the 48th anniversary of Black April and the  
Fall of Saigon on April 30, 1975.

Whereas, since 1975, hundreds of thousands of Vietnamese  
have resettled in the United States and built vibrant  
communities across the United States which contribute to  
the rich diversity of the Nation;

overthrown by communist forces in an event known as  
“Black April” or the “Fall of Saigon”, which is observed  
in Vietnamese-American communities across the United  
States each year;

Whereas members of the South Vietnamese military fought side by side with the United States Armed Forces in defense of the ideals of democracy and freedom;

Whereas Vietnamese Americans have continuously advocated for freedom and democracy in Vietnam, and spoken out against human rights abuses by the Vietnamese Government; and

Whereas Vietnam continues to hold one of the worst records on human rights in the region, violating religious freedom, obstructing press freedom, restricting its own citizens' freedom of speech and assembly, and detaining prisoners of conscience: Now, therefore, be it
