

119TH CONGRESS

H. R. 1572

To direct the Secretary of Education to award grants to local educational agencies to establish or improve world language or dual language programs, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 25, 2025

Mrs. KIGGANS of Virginia (for herself and Mr. PANETTA) introduced the following bill; which was referred to the Committee on Education and Workforce

A BILL

To direct the Secretary of Education to award grants to local educational agencies to establish or improve world language or dual language programs, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “World Language Edu-
5 cation Assistance Program Act” or the “World LEAP
6 Act”.

1 **SEC. 2. PURPOSE.**

2 The purpose of this Act is to establish and make as-
3 sistance available to the World Language Education As-
4 sistance Program in order to—

5 (1) establish or improve and carry out World
6 Language Education Assistance Program grant pro-
7 grams;

8 (2) support and uplift dual language and world
9 language programs; and

10 (3) provide students with the language skills
11 necessary for an interconnected and global world.

12 **SEC. 3. FINDINGS.**

13 Congress finds the following:

14 (1) Recent academic studies demonstrate that
15 America’s language capacity has reached a crisis
16 point, with only one fifth of United States residents
17 speaking a language other than English at home, 90
18 percent of United States-based employers reporting
19 a reliance on employees with language skills other
20 than English, and one third of foreign language-de-
21 pendent employers reporting a language skills gap.

22 This language crisis has real world implications for
23 business, government, the military, and diplomatic
24 and intelligence services.

1 (2) The Department of Education does not
2 have an innovative world languages program for ele-
3 mentary and secondary students.

4 (3) The Nation’s education system is suffering
5 from severe shortages of world language, English
6 learner, and bilingual and dual language immersion
7 educators.

8 (4) The lack of a Federal elementary and sec-
9 ondary school world language and dual language
10 program, coupled with the continuing shortage of
11 world language and bilingual teachers, creates sig-
12 nificant obstacles to providing equitable opportuni-
13 ties for all students to develop multilingualism.
14 English learners, a population which has grown by
15 2,100,000 between 2000 and 2019, have been dis-
16 proportionately impacted.

17 (5) The Federal Government has a strong in-
18 terest in better preparing American students to com-
19 pete in the global economy.

20 **SEC. 4. DEFINITIONS.**

21 In this Act:

23 **SCHOOL.**—The term “community-based heritage lan-
