

119TH CONGRESS
1ST SESSION

H. RES. 172

Raising awareness for the sarcoma cancer chordoma.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 27, 2025

Mr. JOHNSON of Georgia (for himself, Mrs. MCBATH, Ms. WILSON of Florida, Ms. VELÁZQUEZ, and Ms. NORTON) submitted the following resolution; which was referred to the Committee on Energy and Commerce

RESOLUTION

Raising awareness for the sarcoma cancer chordoma.

Whereas chordoma is a slow growing, yet aggressive bone cancer of the skull and spine;

Whereas it strikes people of all ages and affects more than 25,000 individuals worldwide;

Whereas, each year, thousands of people are diagnosed with chordoma including about 300 people annually in the United States;

Whereas chordomas are among the most complicated tumors to treat due to involvement of critical structures such as the brain stem, spinal cord, and important nerves and arteries;

Whereas surgery or radiation performed by a skilled treatment team can be curative for some patients, but even

with the best care possible, the recurrence rate remains high; and

Whereas no drugs are known to cure or effectively control the disease, meaning that patients whose disease progresses after exhausting surgical and radiation options have little hope for a full recovery: Now, therefore, be it
