Regulated area means an area where special local regulations apply to a specific described waterway to include creeks, sounds, bays, rivers, and oceans. Regulated areas include all navigable waters of a specific body of water described with intent to define boundaries where the Coast Guard enforces special local regulations. Boundaries may be described from shoreline to shoreline, reference bridges or other fixed structures, by points and lines defined by latitude and longitude. All coordinates reference Datum: NAD 1983.

Spectator area means an area bound by coordinates provided in latitude and longitude within the regulated area that outlines the boundary of an area reserved for non-participant vessels watching the event.

(c) *Patrol of the Marine Event.* The respective COTP may assign one or more official patrol vessels, as described in §100.40, to each regulated event listed in the table. For each event assigned a patrol vessel, an Event PATCOM will be designated to oversee the patrol. The patrol vessel and the Event PATCOM may be contacted on VHF-

FM Channel 16. The Event PATCOM may terminate the event, or the operation of any vessel participating in the marine event, at any time if deemed necessary for the protection of life or property.

(d) *Special local regulations—(1) Controls on vessel movement.* The Event PATCOM or official patrol vessel may forbid and control the movement of all persons and vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, the person or vessel being hailed must immediately comply with all directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) *Directions, instructions, and minimum speed necessary.* (i) The operator of a vessel in the regulated area must stop the vessel immediately when directed to do so by an official patrol vessel and then proceed only as directed.

(ii) A person or vessel must comply with all instructions of the Event PATCOM or official patrol vessel.

(iii) A vessel operator may request permission to enter and transit through a regulated area by contacting the Event PATCOM or official patrol vessel on VHF-FM channel 16. When authorized to transit through the regulated area, the vessel must proceed at the minimum speed necessary to maintain a safe course that minimizes wake near the event area.

(3) *Race area.* Only participants and official patrol vessels are allowed to enter the race area.

(4) *Spectator area.* Non-participants are only allowed inside the regulated area if they remain within a designated spectator area or have authorization from the Event PATCOM or official patrol vessel to transit through the area. A non-participant vessel must be stationary or operate at a safe speed while within the designated spectator area. On scene official patrol vessels or the Event PATCOM will direct non-participant vessels to the spectator area. A non-participant must contact the Event PATCOM or official patrol vessel to request permission to pass through the regulated area. If permission is granted, the non-participant must pass directly through the regulated area at

minimum speed necessary to maintain a safe course that minimizes wake and without loitering.

(5) *Regulated area.* Non-participants are only allowed inside the regulated area to pass through or enter and remain within a designated spectator area. A non-participant must contact the Event PATCOM or an official patrol vessel to request permission to either enter the Spectator Area or pass through the regulated area. If permission is granted, the non-participant may enter the spectator area or pass directly through the regulated area as instructed by the Event PATCOM or official patrol vessel at minimum speed necessary to maintain a safe course that minimizes wake and without loitering.

(6) *Postponement or cancellation.* The respective COTP, or Event PATCOM may postpone or cancel a marine event at any time if, in the COTP's sole discretion, the COTP determines that cancellation is necessary for the protection of life or property.

(e) *Contact information.* Questions about marine events should be addressed to the local Coast Guard Captain of the Port for the area in which the marine event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector—Captain of the Port Zone, please see subpart 3.25 of this chapter.

(g) *Enforcement periods.* Each year prior to an event the Coast Guard will announce details concerning the event, including the exact date(s) and time(s) of the enforcement period of the special local regulation and the geographical area, in the Local Notices to Mariners and by Broadcast Notice to Mariners over VHF-FM marine band radio. In the case of inclement weather or other just cause found by the respective COTP, the event may be conducted within 30 days before or after the date(s) listed in paragraph (i) of this section. Subpart F—Ninth Coast Guard District

§ 100.900 [Reserved]

§ 100.901 Great Lakes annual marine events.

Permanent special local regulations are hereby established for the marine events listed in Table 1. These regulations will be effective annually, for the duration of each event, on or about the dates indicated in Table 1. Annual notice of the exact dates and times of the effective period of the regulations with respect to each event, the geographical description of each regulated area, and details concerning the nature of the event and the number of participants and type(s) of vessels involved will be published in local notices to mariners. To be placed on the mailing list for such notices, contact: Commander(oan), Ninth Coast Guard District, 1240 E. Ninth St., Cleveland, OH 44199–2060. *Sponsors of events listed in Table 1 must still submit an application each year in accordance with 33 CFR 100.15.*

(a) The Coast Guard will patrol the regatta area under the direction of a designated Coast Guard Patrol Commander. The Patrol Commander may be contacted on Channel 16 (156.8 MHz) by the call sign “Coast Guard Patrol Commander.” Vessels desiring to transit the regulated area may do so only with prior approval of the Patrol Commander and when so directed by that officer. Vessels will be operated at a no

wake speed to reduce the wake to a minimum, and in a manner which will not endanger participants in the event or any other craft. The rules contained in the above two sentences shall not apply to participants in the event or vessels of the patrol operating in the performance of their assigned duties.

(b) The Patrol Commander may direct the anchoring, mooring, or movement of any boat or vessel within the regatta area. A succession of sharp, short signals by whistle or horn from vessels patrolling the area under the direction of the U.S. Coast Guard Patrol Commander shall serve as a signal to stop. Vessels so signaled shall stop and shall comply with the orders of the Patrol Commander. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(c) The Patrol Commander may establish vessel size and speed limitations and operating conditions.

(d) The Patrol Commander may restrict vessel operation within the regatta area to vessels having particular operating characteristics.

(e) The Patrol Commander may terminate the marine event or the operation of any vessel at any time it is deemed necessary for the protection of life and property.

(f) Patrol Commander means a Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to monitor a regatta area, permit entry into the regatta area, give legally enforceable orders to persons or vessels within the regatta area, and take other actions authorized by the Captain of the Port.

§ 100.1106 Special Local Regulation; Mavericks Surf Competition.

(a) *Location.* This special local regulation establishes a regulated area on the waters of Half Moon Bay, located in the vicinity of Pillar Point, excluding the waters within Pillar Point Harbor. This regulated area is defined in paragraph (c) of this section.

(b) *Enforcement period.* This section will be enforced between 6 a.m. and 6 p.m. on Competition day, which if defined wave and wind conditions are met, will occur for one day between November 1 of each year and March 31 of the following year. Notice of the specific enforcement date of this section will be announced via Broadcast Notice to Mariners and issued in writing by the Coast Guard in a Boating Public Safety Notice at least 24 hours in advance of Competition day.

(c) *Definitions.* As used in this section—

Competition day means the one day between November 1 of each year and March 31 of the following year that Mavericks Surf Competition will be held. The Mavericks Surf Competition will only be held if 15 to 20 foot waves are sustained for over 24 hours and are combined with mild easterly winds of no more than 5 to 10 knots.

Competitor means a surfer enrolled in the Maverick's Surf Competition.

Patrol Commander or *PATCOM* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer, or a Federal, State, or local officer designated by the Captain of the Port San Francisco (COTP), to assist in the enforcement of the special local regulation.

Regulated area means the area in which the Maverick's Surf Competition will take place. This area is bounded by an arc extending 1000 yards from Sail Rock (37°29'34" N., 122°30'02" W.) excluding the waters within Pillar Point Harbor. All coordinates are North Amer-

ican Datum 1983. Within the regulated area, at least two zones will be established and marked by buoys on the day of the competition. Due to the dynamic and changing nature of the surf, the exact size and location of the zones will not be made public until the competition day. The zones will be prominently marked by at least 8 buoys, placed and maintained in place throughout the course of the event by the event sponsor in a pattern approved by the PATCOM. In addition, the USCG will notify the public of the zone locations via Broadcast Notice to Mariners on the day of the event.

Spectator vessel means any vessel or person, including human-powered craft, which is not designated by the sponsor as a support vessel.

Support vessel means a vessel, including jet skis, which is designated and conspicuously marked by the sponsor to provide direct support to the competitors. Support vessels must be pre-designated and approved to serve as such for this event by the OCMI prior to the competition.

Zone 1 means the competition area within the regulated area. Zone 1 will generally be located to the northwest of a line drawn between Sail Rock (37°29'34" N., 122°30'02" W.) and Pillar Point Entrance Lighted Gong Buoy 1 (37°29'10.410" N., 122°30'21.904" W.).

Zone 2 means the area within the regulated area where the Coast Guard may direct the movement of all vessels, including restricting vessels from this area. Zone 2 will generally be located to the southeast of a line drawn between Sail Rock (37°29'34" N., 122°30'02" W.) and Pillar Point Entrance Lighted Gong Buoy 1 (37°29'10.410" N., 122°30'21.904" W.).

(d) *Special Local Regulations.* The following regulations apply between 6 a.m. and 6 p.m. on the competition day.

(2) Entering the water in Zone 1 by any person other than the competitors is prohibited. Competitors may enter the water in Zone 1 from authorized support vessels only.

(3) Spectator vessels and support vessels within Zone 2 must maneuver as

directed by PATCOM. Given the changing nature of the surf in the vicinity of the competition, PATCOM may close Zone 2 to all vessels due to hazardous conditions. Due to weather and sea conditions, the Captain of the Port may deny access to Zone 2 and the remainder of the regulated area to all vessels other than competitors and support vessels on the day of the event

(4) Entering the water in Zone 2 by any person is prohibited.

(5) Rafting and anchoring of vessels are prohibited within the regulated area.

(6) Only vessels authorized by the PATCOM will be permitted to tow other watercraft within the regulated area.

(7) Spectator and support vessels in Zones 1 and 2 must operate at speeds which will create minimum wake, in general, 7 miles per hour or less.

(8) When hailed or signaled by the PATCOM by a succession of sharp, short signals by whistle or horn, the hailed vessel must come to an immediate stop and comply with the lawful directions issued. Failure to comply with a lawful direction may result in additional operating restrictions, citation for failure to comply, or both.

(9) During the events, vessel operators may contact the PATCOM on VHF–FM channel 23A.
