

and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(4) All other requests—Where a request seeks disclosure of records to a person or entity other than one coming within paragraphs (d) (1), (2) and (3) of this section, the requester shall be charged the full cost of search and duplication. However, the first two hours of search time and the first 100 pages of duplication shall be furnished without charge.

(e) *Aggregating of requests.* If there exists a solid basis for concluding that a requester or group of requesters has submitted a series of partial requests for disclosure of records in an attempt to evade assessment of fees, the requests may be aggregated so as to constitute a single request, with fees charged accordingly.

(f) *Unsuccessful searches.* Except as provided in paragraph (d) of this section, the cost of searching for a requested record shall be charged even if the search fails to locate the record or it is determined that the record is exempt from disclosure.

(g) *Interest.* In the event a requester fails to remit payment of fees charged for processing a request under this part within 30 days from the date those fees were billed, interest on the fees may be assessed beginning on the 31st day after the billing date, to be calculated at the rate prescribed in 31 U.S.C. 3717.

(h) *Advance payments.* (1) If, but only if, it is estimated or determined that processing of a request for disclosure of records will result in a charge of fees of more than \$250.00, the requester may be required to pay the fees in advance in order to obtain completion of the processing.

(2) If a requester has previously failed to make timely payment (i.e., within 30 days of billing date) of fees charged under this part, the requester may be required to pay those fees and interest accrued thereon, and to make an advance payment of the full amount of estimated fees chargeable in connection with any pending or new request, in order to obtain processing of the pending or new request.

(3) With regard to any request coming within paragraphs (h) (1) and (2) of this section, the administrative time limits set forth in §§502.11 and 502.12 of this part will begin to run only after the requisite fee payments have been received.

(i) *Non-payment.* In the event of non-payment of billed charges for disclosure of records, the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365), including disclosure to consumer credit reporting agencies and referral to collection agencies, may be utilized to obtain payment.

(j) *Waiver or reduction of charges.* Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where—

(1) It is determined that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester; or

(2) It is determined that the cost of collection would be equal to or exceed the amount of those fees. No charges shall be assessed if the fees amount to \$8.00 or less.

(a) An individual whose request for amendment of a record pertaining to the individual is denied may request a review of that determination. The request must be addressed to the Chair of the Commission, and must specify the reasons for which the refusal to amend is challenged.

(b) If on appeal the refusal to amend the record is upheld, the Commission will permit the individual to file a statement setting forth the reasons for disagreement with the determination. The statement must also be submitted within 30 days of receipt of the denial. The statement will be included in the system of records in which the disputed record is maintained and will be marked so as to indicate:

(1) That a statement of disagreement has been filed, and

(2) Where in the system of records the statement may be found.

§ 503.9 Fees.

(i) The categories of sources of records in each system.

Subpart B—Government in the Sunshine Regulations

AUTHORITY: 5 U.S.C. 552b.

§ 503.20 Definitions.

For purposes of this part: *Closed meeting* and *closed portion of a meeting* mean, respectively, a meeting or that part of

§ 503.21

a meeting designated as provided in § 503.27 as closed to the public by reason of one or more of the closure provisions listed in § 503.24.

Commission means the Foreign Claims Settlement Commission, which is a collegial body that functions as a unit composed of three individual members, appointed by the President with the advice and consent of the Senate.

Meeting means the deliberations of at least two (quorum) members of the Commission where such deliberations determine or result in joint conduct or disposition of official Commission business.

Member means any one of the three members of the Commission.

Open meeting means a meeting or portion of a meeting which is not a closed meeting or a closed portion of a meeting.

Public observation means the right of any member of the public to attend and observe, but not participate or interfere in any way, in an open meeting of the Commission within the limits of reasonable and comfortable accommodations made available for such purpose by the Commission.

§ 503.21 Notice of public observation.

(a) A member of the public is not required to give advance notice of an intention to exercise the right of public observation of an open meeting of the Commission. However, in order to permit the Commission to determine the amount of space and number of seats which must be made available to accommodate individuals who desire to exercise the right of public observation, those individuals are requested to give notice to the Commission at least two business days before the start of the open meeting of the intention to exercise that right.

(b) Notice of intention to exercise the right of public observation may be given in writing, in person, or by telephone to the official designated in § 503.29.

(c) Individuals who have not given advance notice of intention to exercise the right of public observation will not be permitted to attend and observe the open meeting of the Commission if the available space and seating are necessary to accommodate individuals

45 CFR Ch. V (10–1–20 Edition)

who gave advance notice of such intention.

§ 503.22 Scope of application.

The provisions of this part 503, §§ 503.20 through 503.29, apply to meetings of the Commission, and do not apply to conferences or other gatherings of employees of the Commission who meet or join with others, except at meetings of the Commission to deliberate on or conduct official agency business.

§ 503.23 Open meetings.

Every meeting of the Commission will be open to public observation except as provided in § 503.24.

§ 503.24 Grounds for closing a meeting.

(a) Except in a case where the Commission determines otherwise, a meeting or portion of a meeting may be closed to public observation where the Commission determines that the meeting or portion of the meeting is likely to:

(1) Disclose matters that are:

(i) Specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign policy and

(ii) In fact properly classified pursuant to such Executive order;

(2) Relate solely to the internal personnel rules and practices of the Commission;

(3) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552) provided that such statute:

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(4) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of the records or information would:

(i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of the Commission;

(9) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Commission, provided the Commission has not already disclosed to the public the content or nature of its proposed action, or is not required by law to make the disclosure on its own initiative prior to taking final action on the proposal; or

(10) Specifically concern the Commission's issuance of a subpoena or the Commission's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Commission of a particular case of formal agency adjudication pursuant to the procedures in 5 U.S.C. 554, or otherwise involve a determination on the record after opportunity for a hearing.

(b) If the Commission determines that the public interest would require that a meeting to be open, it may nevertheless so hold.

§ 503.25 Announcement of meetings.

(a) The Commission meets in its offices at 600 E Street, NW, Washington, DC, from time to time as announced by timely notice published in the FEDERAL REGISTER.

(b) At the earliest practicable time, which is estimated to be not later than eight days before the beginning of a meeting of the Commission, the Commission will make available for public inspection in its offices, and, if requested, will furnish by telephone or in writing, a notice of the subject matter of the meeting, except to the extent that the information is exempt from disclosure under the provisions of § 503.24.

§ 503.26 Procedures for closing of meetings.

(a) The closing of a meeting will occur when:

(1) A majority of the membership of the Commission votes to take that action. A separate vote of the Commission members will be taken with respect to each Commission meeting, a portion or portions of which are proposed to be closed to the public pursuant to § 503.24, or with respect to any information which is proposed withheld under § 503.24. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning that series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. The vote of each Commission member participating in the voting will be recorded and no proxies will be allowed.

(2) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close that portion to the public for any of the reasons referred to in § 503.24(e), (f), or (g), the Commission, upon request of any one of its Commission members, will take a recorded vote, whether to close that portion of the meeting.

(b) Within one day of any vote taken, the Commission will make publicly available a written copy of the voting

§ 503.27

reflecting the vote of each member on the question and a full written explanation of its action closing the entire or portion of the meeting together with a list of all persons expected to attend the meeting and their affiliation.

(c) The Commission will announce the time, place and subject matter of the meeting at least eight days before the meeting.

(d) For every closed meeting, before the meeting is closed, the Commission's Chair will publicly certify that the meeting may be closed to the public, and will state each relevant closure provision. A copy of the certification, together with a statement setting forth the time and place of the meeting, and the persons present, will be retained by the Commission.

§ 503.27 Reconsideration of opening or closing, or rescheduling a meeting.

The time or place of a Commission meeting may be changed following the public announcement only if the Commission publicly announces such changes at the earliest practicable time. The subject matter of a meeting, or the determination of the Commission to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement only if a majority of the Commission members determines by a recorded vote that Commission business so requires and that no earlier announcement of the changes was possible, and the Commission publicly announces the changes and the vote of each member upon the changes at the earliest practicable time.

§ 503.28 Record of closed meetings, or closed portion of a meeting.

(a) The Commission will maintain a complete transcript or electronic recording adequate to record fully the proceedings of each closed meeting or closed portion of a meeting, except that in the case of a meeting or portion of a meeting closed to the public pursuant to § 503.24(d), (h), or (j), the Commission will maintain either a transcript or recording, or a detailed set of minutes.

(b) Any minutes so maintained will fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any rollcall vote. All documents considered in connection with any action will be identified in the minutes.

(c) The Commission will promptly make available to the public, in its offices, the transcript, electronic recording, or minutes, of the discussion of any item on the agenda of a closed meeting, or closed portion of a meeting, except for the item or items of discussion which the Commission determines to contain information which may be withheld under § 503.24. Copies of the transcript or minutes, or a transcription of the recording, disclosing the identity of each speaker, will be furnished to any person at the actual cost of duplication or transcription.

(d) The Commission will maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each closed meeting or closed portion of a meeting for a period of two years after the date of the closed meeting or closed portion of a meeting.

(e) All actions required or permitted by this section to be undertaken by the Commission will be by or under the authority of the Chair of the Commission.

§ 503.29 Requests for information.

Requests to the Commission for information about the time, place, and subject matter of a meeting, whether it or any portions thereof are closed to the public, and any requests for copies of the transcript or minutes or of a transcript of an electronic recording of a closed meeting, or closed portion of a meeting, to the extent not exempt from disclosure by the provisions of § 503.24, must be addressed to the Administrative Officer, Foreign Claims Settlement Commission, 600 E Street, NW, Room 6002, Washington, DC 20579, telephone (202) 616-6975.
