

provide wages and employment for thousands—particularly for minority workers. Each day, successful minority entrepreneurs fulfill an even more vital function by serving as teachers, mentors, and models for young Americans who are our business and civic leaders of tomorrow.

There is room in the free enterprise system for anyone who has the skill and the determination to compete. Therefore, it is fitting that we encourage all Americans to participate in business enterprise, create their own wealth, and promote the general welfare. Minority business women and men have proven time and again that they possess the talent and dedication required for success. By improving the availability of capital sources for business starts and expansions in the minority community, by increasing access to state-of-the-art information resources for minority business owners, by promoting the minority entrepreneur's entrance into new domestic and international markets, and by opening all doors to economic progress for minority citizens, all of American society will benefit.

Now, Therefore, I, William J. Clinton, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim the week of October 3 through 9, 1993, as Minority Enterprise Development Week. I heartily encourage the people of the United States to commemorate this important event with appropriate ceremonies and celebrations.

In Witness Whereof, I have hereunto set my hand this thirteenth day of September, in the year of our Lord nineteen hundred and ninety-three, and of the Independence of the United States of America the two hundred and eighteenth.

To the Congress of the United States:

In accordance with the District of Columbia Self-Government and Governmental Reorganization Act, I am transmitting the District of Columbia Government's fiscal year 1994 budget amendment request and fiscal year 1993 supplemental budget amendment request.

The District of Columbia Government has submitted a request to decrease its fiscal year 1994 general fund spending authority by \$36.968 million with a reduction of 832 FTE positions. In addition, the District's fiscal year 1993 supplemental amendment request includes an increase of \$7.367 million in general fund spending authority. The amendments are needed to address a projected operating deficit for fiscal year 1993 and fiscal year 1994 that was not addressed in the District's original budget submission pending congressional action.
