AMENDMENTS

Under clause 8 of rule XVIII, proposed amendments were submitted as follows:

H.R. 1304

OFFERED BY: MR. STEARNS

AMENDMENT NO. 2: Page 3, line 17, insert before the period the following: “, but only if such health care professionals have received prior approval for such negotiations from the Federal Trade Commission or the Assistant Attorney General pursuant to subsection (i).”

Page 6, after line 21, insert the following new subsection (and redesignate the succeeding subsection accordingly):

(i) PRIOR APPROVAL.—

(I) IN GENERAL.—Health care professionals who seek to engage in negotiations with a health plan as provided in subsection (a) must obtain approval from the Commission or the Assistant Attorney General prior to commencing such negotiations. The Commission or the Assistant Attorney General shall grant such approval if the Commission or Assistant Attorney General has determined that recognition under subsection (a) of the group of health care professionals for the purpose of engaging in collective negotiations with the health plan will promote competition and enhance the quality of patient care. The approval that is granted under this subsection may be limited in time or scope to ensure that these criteria are met. The Commission and the Assistant Attorney General shall make a determination regarding a request for approval under this paragraph within 30 days after the date it is received, if the request contains the information specified in regulations issued under paragraph (2). Failure by the Commission or Assistant Attorney General to make such determination within such 30-day period will be deemed to be an approval of the request by the Commission or the Assistant Attorney General.

(2) REGULATIONS.—The Commission, in consultation with the Assistant Attorney General, shall publish regulations implementing this subsection within six months of the effective date of this Act. Such regulations shall include the following:

(A) A description of the information that must be submitted by health care professionals who seek to obtain approval to engage in collective negotiations.

(B) Provisions for the opportunity for the public to submit comments to the Commission or the Assistant Attorney General for consideration in reviewing any request for approval by health care professionals to engage in collective negotiations under this section.

(C) Provision for a filing fee in an amount reasonable and necessary to cover the costs of the Commission and the Assistant Attorney General to implement this subsection. On an annual basis, this fee shall be updated to reflect any increases or decreases determined to be necessary to cover such costs.

(3) COORDINATION.—The Commission and the Assistant Attorney General shall coordinate so that an application is reviewed under this subsection by either the Commission or the Assistant Attorney General, but not both.

(4) EXEMPTION FOR SMALL GROUPS.—

(A) IN GENERAL.—Notwithstanding any other provision of this subsection (other than subparagraph (B)), no prior approval is required under this subsection in the case of a group of health care professionals who are acting collectively with respect to a negotiation if such group constitutes less than 20 percent of the health care professionals in a specialty (or subspecialty) in the market area involved, as determined under regulations of the Commission.

(B) OVERSIGHT.—The Commission shall establish a process under which, if it receives a bona fide request that alleges that the negotiations of a group described in subparagraph (A) has not promoted competition or has not enhanced the quality of patient care, the Commission will review the request and may take such action as the Commission determines to be appropriate. Such action may include ordering that the results of the negotiations be vitiated and that the exemption under subparagraph (A) not apply to such group for such period as the Commission may specify.

Page 8, after line 8, insert the following:

(4) COMMISSION.—The term “Commission” means the Federal Trade Commission.

(5) ASSISTANT ATTORNEY GENERAL.—The term “Assistant Attorney General” means the Assistant Attorney General in charge of the Antitrust Division of the Department of Justice.
