

Mr. GUTKNECHT. I would just thank the gentleman again for this special order. If I could just say that the two of us came in 1994 and hopefully, with the blessing of our voters in our district, we are going to be back next year to continue to fight in that Teddy Roosevelt tradition, to create more competition, whether it is in the pharmaceutical industry, whether it is with packers and stockyards, because at the end of the day one of the rules of the Federal Government is to ensure that there will be adequate competition, that there will be a level playing field, and that everybody has a chance to succeed in this marketplace.

□ 1000

So we are going to be back next year, regardless of what happens on either of these issues. We are going to continue to press the envelope, and the spirit of Teddy Roosevelt is still alive and well here in Washington.
