

The impact of these financial pressures was not fully anticipated at the time the BBA was enacted. Other financial pressures such as declining Medicaid enrollment have had a significant impact on these safety net hospitals, thereby adding to the rapidly rising number of Americans without health insurance. At a time when our Nation's uninsured rate continues to climb above 44 million, it makes little sense to be reducing much-needed Medicaid DSH payments to our nation's safety net hospitals.

Hospitals in Rhode Island will absorb \$400 million in reductions as a result of changes made to the Medicare and Medicaid programs in the BBA. Ten out of fourteen hospitals in my State had operating losses in 1999. After the BBA was enacted, it was predicted that cuts in federal Medicare and Medicaid payments would cost hospitals in Rhode Island \$220 million over 5 years; however, this estimate has proven to be about \$180 million off the mark. Every other State is experiencing similar problems. Since the BBA was signed into law, the American Hospital Association commissioned a study by the Lewin Group, which estimated that there would be \$71 billion less paid to hospitals nationwide over 5 years. The original estimate of the impact of the BBA was \$18 billion. While the Balanced Budget Refinement Act of 1999 provided some relief to our Nation's financially strapped hospitals, that relief was targeted to the Medicare program. Clearly, more needs to be done to keep our vulnerable safety net hospitals from continuing on this downward spiral.

This legislation we are introducing today represents a commonsense compromise that will help prevent the further erosion of our Nation's safety net hospitals and the long-term viability of our country's health care system.

I urge my colleagues to join me in supporting this important legislation and I ask unanimous consent that the legislation be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

Mr. MCCONNELL (for himself, Mr. BINGAMAN, Mr. BENNETT, Mr. CONRAD, Mr. DORGAN, Mr. DODD, Mr. TORRICELLI, Mr. BYRD, and Mr. LIEBERMAN) proposed the following amendment to the joint resolution (S.J. Res. 14) proposing an amendment to the Constitution of the United States authorizing Congress to prohibit the physical desecration of the flag of the United States; as follows:

Strike all after the resolving clause and insert the following:

SECTION 1. SHORT TITLE.

This Act may be cited as the "Flag Protection and Free Speech Act of 1999".

SEC. 2. FINDINGS AND PURPOSE.

(a) FINDINGS.—Congress finds that—

(1) the flag of the United States is a unique symbol of national unity and represents the values of liberty, justice, and equality that make this Nation an example of freedom unmatched throughout the world;

(2) the Bill of Rights is a guarantee of those freedoms and should not be amended in a manner that could be interpreted to restrict freedom, a course that is regularly resorted to by authoritarian governments which fear freedom and not by free and democratic nations;

(3) abuse of the flag of the United States causes more than pain and distress to the overwhelming majority of the American people and may amount to fighting words or a direct threat to the physical and emotional well-being of individuals at whom the threat is targeted; and

(4) destruction of the flag of the United States can be intended to incite a violent response rather than make a political statement and such conduct is outside the protections afforded by the first amendment of the Constitution.

(b) PURPOSE.—The purpose of this Act is to provide the maximum protection against the use of the flag of the United States to promote violence while respecting the liberties that it symbolizes.

SEC. 3. PROTECTION OF THE FLAG OF THE UNITED STATES AGAINST USE FOR PROMOTING VIOLENCE.
