The PRESIDING OFFICER. The clerk will report the bill by title.

The legislative clerk read as follows:

A bill (S. 2386) to extend a Stamp Out Breast Cancer Act.

There being no objection, the Senate proceeded to consider the bill.

Mr. LEVIN. Mr. President, I am pleased that today the Senate is taking up, as an amendment to the reauthorization of the Breast Cancer Research Stamp, the Semipostal Act, an amendment I sponsored with Senators FEINSTEIN and HUTCHISON.

My amendment is very similar to the McHugh bill that we sent to the President yesterday, which establishes the authority to issue semipostals in the U.S. Postal Service. However, it is different in that it requires the Postal Service to recoup the full costs associated with the stamp. This bill will ensure that the Postal Service recovers its costs before funds are made available to the agency to carry out the designated program. We do not want the Postal Service using its own budget to fund contributions to causes designated by semipostals. Only the true net profit from the sale of the semipostals will be made available to

the appropriate agency. This bill also gives the Congress the power to reject a stamp proposal chosen by the Postal Service, if for example, the stamp subject is deemed inappropriate.

Mr. President, I am pleased that we are giving the authority to issue semipostal stamps to the Postal Service, which is where these decisions belong.

AMENDMENT NO. 4029
