

Madam Speaker, to ensure our access to emergency care is protected, we must address this issue. I believe the provisions in my bill, H.R. 1188, "Access to Emergency Medical Services Act" will help by developing emergency department boarding and ambulance diversion standards and quality measures. I urge their consideration as the bill moves forward through the legislative process.

Emergency care is the most overlooked part of the health care system. But it is the number one service that everyone depends on in their hour of need. It needs our attention now.

In addition, we need to think forward to ensure that our system also accommodates future needs. To do so, we must address the shortage of board-certified emergency physicians. The Society for Academic Emergency Medicine, in 2008, published an Assessment of Emergency Physician Workforce Needs in the United States. The authors reviewed 2005 data and found that the supply of emergency medicine residency-trained, board-certified emergency physicians will not meet future demand. Specifically, they found that only 55% of the demand for emergency medical board-certified physicians currently is met.

I agree with the need to enhance our prevention efforts and have introduced H.R. 3851, the "Physical Activity Guidelines for Americans Act" to help educate Americans of all ages regarding the need for physical activity, taking responsibility for one's health and staying fit. However, experience shows that not everyone will adhere to recommended guidelines, and genetic predisposition, trauma and seasonal flu or other illnesses such as H1N1 will continue to bring people to our nation's emergency rooms. Therefore, we must be sure emergency departments are equipped to handle our needs.

In June 2006, the Institute of Medicine (IOM) released three landmark reports on the "Future of Emergency Care in the United States Health System," detailing the challenges and concerns this nation faces in maintaining access to emergency medical services. The IOM reported that the nation's emergency medical system as a whole is overburdened, underfunded and highly fragmented.

Emergency care has long been overlooked and as a result it is stretched to a breaking point. As Congress focuses on health reform this year, I urge my colleagues to recognize the role emergency medicine plays in our safety net and support the provisions in the health reform bill that strengthen emergency care. Further, I urge my colleagues to work to adequately support our emergency medical system by further addressing boarding and diversion as the bill moves forward.

IN APPRECIATION OF SAN BRUNO
MAYOR LARRY FRANZELLA

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Ms. SPEIER. Madam Speaker, this week the City of San Bruno will see a changing of the guard as Mayor Larry Franzella steps down from the post he has held for a decade.

A native of San Francisco, Mayor Franzella moved to San Bruno as a boy and attended local schools, including Crestmoor High

School, Skyline College and the College of San Mateo. He's a classic example of "local boy makes good." He began a successful real estate career in 1975 and over three decades has risen through the ranks of his profession, serving as President of the San Bruno Chamber of Commerce, the Rotary Club of San Bruno and the San Mateo County Association of Realtors, and as Regional Vice-President of the California Association of Realtors. He currently serves as President of Prudential California Realty in San Bruno.

Larry Franzella has served his adopted city of San Bruno in a myriad of ways. Besides his aforementioned community and business associations, Larry served as a member of the Personnel Board and was a founding member of the city's Citizens Crime Prevention Committee. In 1987, the people of San Bruno elected Larry to his first of two terms on the city council. Then in 1999, after a two-year hiatus, voters chose Larry to serve as Mayor—a post he held for five consecutive two-year terms. In this role, he also represented San Bruno as a member of the regional Airport Roundtable.

Madam Speaker, everyone in this chamber knows how important it is to have dedicated, intelligent people serve on local boards, commissions and city councils. The work can be difficult, the hours long and the pay virtually non-existent, yet we ask these selfless public servants to give far more than they receive to assure that the residents and taxpayers under their care are provided for. Mayor Larry Franzella is one of those dedicated and selfless leaders.

Larry has certainly earned his retirement. However, knowing Larry like I do, I am sure that he will never retire from community service. On behalf of my colleagues in the United States House of Representatives, I want to thank Mayor Larry Franzella for his longtime service to the people of San Bruno and the County of San Mateo.

CELEBRATING THE 60TH WEDDING
ANNIVERSARY OF HERMAN AND
MARJORIE WILLIAMS

HON. ELIJAH E. CUMMINGS

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. CUMMINGS. Madam Speaker, I rise today along with my esteemed colleague from California, Barbara Lee, in order to congratulate Herman and Marjorie Williams of Baltimore, Maryland, as they celebrate sixty years of marriage. Since they exchanged their vows on November 24, 1949, these high school sweethearts have been extraordinary parents, friends, and members of their community.

Over the decades of their marriage, they contended against racism and segregation as they pursued their careers, Herman as one of the first black firefighters in Baltimore and Marjorie at Westinghouse. Their commitment to hard work and to their family never wavered.

Herman eventually became the nation's first African-American major-city fire chief and Marjorie retired after a long and exemplary career. Even after her retirement, Marjorie has volunteered her time with many charitable organizations, dedicating herself to helping the less for-

tunate. Always an adventuresome spirit, she has also continued to pursue her love of travel.

The two of them together raised four wonderful and successful children: Marjorie, Clolita, Montel, and Herman. Marjorie and Herman have a fierce dedication to their family, and the values they instilled led their children to prominent careers in the arts, education, civil service, and broadcast media.

The Williams have been an inspiration to their friends, their family, to their community, and to everyone determined to triumph in the face of adversity.

On November 28, 2009, they celebrated their anniversary along with family and friends. Please join us in wishing them the best of luck as they continue to spend their lives loving and supporting each other and bringing joy and happiness to their family and friends.

HONORING BRIAN AND DORIE
BARKEY

HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. KILDEE. Madam Speaker, on Wednesday, December 2nd, the Tall Pine Council—Boy Scouts of America is bestowing its Distinguished Citizen Award on Brian and Dorie Barkey. A dinner will be held in their honor in Grand Blanc, Michigan.

Dorie Barkey retired from the Red Cross in 1999 and the Crim Race Director asked her to direct the Crim Adult Training Program. Brian became the volunteer training program coordinator about the same time. Under their leadership the training program set all time records for the following 8 years. Between 1999 and 2008 Dorie and Brian had enrolled 7200 trainees in the program. The training program is known nationally as the largest training program for a single event in the world.

Brian, a Genesee County attorney with over 37 years of law practice, served on the Crim Board of Directors for 15 years and was President of the Board for 4 years. Active with the Genesee County Bar Association, he served as editor of its publication, Bar Beat, for 3 years. He was recognized for his work in 2002 and was awarded the Genesee County Distinguished Mediator of the Year Award. The following year he served as the Genesee County Bar Association's President and he currently serves as the "chairman for life" of the Bar Association's Community Holiday Dinner. The Michigan State Bar Association bestowed its Unsung Hero Award on Brian for his work with the Crim Race in 2009.

Madam Speaker, I ask the House of Representatives to join me in congratulating Dorie and Brian Barkey as they receive the Distinguished Citizen Award. The Tall Pine Council grants the award to those persons that exemplify Scouting values and have made a significant impact in the community. Both Dorie and Brian Barkey have spent their lives working to build a better community and I wish them the best as they continue to assist the people of the Flint area.

SPECIAL OLYMPICS MASSACHUSETTS AND MR. DON DOWD

HON. PATRICK J. KENNEDY

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. KENNEDY. Madam Speaker, today I rise to commend Special Olympics, Massachusetts and longtime friend Donald J. Dowd. Both Special Olympics, Massachusetts and Mr. Dowd have been fixtures in New England and wonderful contributors to the people and culture of our region.

As my colleagues know, Special Olympics provides year-round sports training, athletic competition and other related programming for athletes with intellectual disabilities.

This organization founded by my Aunt Eunice Kennedy Shriver in 1968, contributes to the physical, social, and psychological development of people with intellectual disabilities. It is a global force for change with over 2.5 million athletes participating world wide representing over 140 countries.

In Massachusetts and Rhode Island, Special Olympics does amazing things for the people of New England. Special Olympics Massachusetts also offers Unified Sports, an initiative that combines approximately equal numbers of Special Olympics athletes and athletes without intellectual disabilities, called Partners, on sports teams for training and competition.

One of Special Olympics' greatest supporters has been Donald Dowd, or Don as I affectionately call him. He worked for and volunteered for my Father in the Other Body for over 40 years, as well as for my uncles. He was responsible for coordinating the opening of the John F. Kennedy Presidential Library and has served as a member of the John F. Kennedy Library Foundation Board since its inception, helping to found the Friends of the Kennedy Library.

He is a lifelong resident of Springfield, Massachusetts, began his career in public service as President Kennedy's Assistant Regional Director of the U.S. Postal Service for the six New England States, and was a political advisor to U.S. Senator Robert F. Kennedy. I am proud to call him a friend and thank him for his dedication to my family, to Special Olympics, to our region and to our country.

PERSONAL EXPLANATION

HON. NEIL ABERCROMBIE

OF HAWAII

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. ABERCROMBIE. Madam Speaker, I regret that I missed rollcall vote No. 902–904 and vote No. 911–913. Had I been present, I would have voted “yea” on all rollcall votes.

HONORING WORLD AIDS AWARENESS DAY

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mr. RANGEL. Madam Speaker, I rise today to recognize World AIDS Awareness Day. This

awareness initiative started on December 1, 1988 with the purpose of raising money, increasing awareness, fighting prejudice, and improving education on HIV/AIDS topics. The World AIDS Day theme for 2009 is “Universal Access and Human Rights,” serving as an important reminder that HIV/AIDS has not gone away, and that there are many things still to be done.

According to the United Nations Joint Programme on HIV/AIDS, there are 33.4 million cases of HIV/AIDS worldwide. Approximately 1.1 million of these cases are in the United States, according to the Centers for Disease Control and Prevention, and there are more than 50,000 new HIV/AIDS infections reported each year in America. Sadly, minority communities face the brunt of its reach. African American are the most affected, representing half of the total 1.1 million cases in the United States. Blacks are 8 times more likely to have AIDS than their White counterparts. The racial disparities are clear, with HIV being the main cause of death for both Black men and women between the ages of 25 to 44. It is of utmost importance that we take action and stand together to stop this pandemic from spreading further.

Congress has played its part in trying to stop the HIV/AIDS epidemic. I applaud the House for passing the Ryan White HIV/AIDS Treatment Extension Act. The Ryan White program has been serving people with AIDS and HIV for nearly two decades. It provides care, treatment, and support services to nearly half a million people—most of whom are low-income. This bill increases the authorization level for each part of the Ryan White program by 5 percent a year for the next four years, making important investments in care and treatment services to ensure the highest quality of life for HIV/AIDS patients, while also funding prevention and outreach programs. I have myself introduced H.R. 1964, The National Black Clergy for the Elimination of HIV/AIDS Act of 2009, which seeks funds for the prevention, testing, education, treatment and care of HIV/AIDS.

Although great efforts have been made to fight HIV/AIDS, much is left to be done by both, the government and citizens. World AIDS Awareness Day is about prevention, education, and increasing awareness of this pandemic that is affecting millions around the globe. This day will bring to many the education necessary to create the awareness necessary to prevent HIV/AIDS, as well as give us a moment to recognize and remember those who have suffered from this disease.

HONORING THE RESOLVE AND TEAMWORK OF THE NORTH BRANCH HIGH SCHOOL VARSITY GIRLS VOLLEYBALL TEAM

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 2, 2009

Mrs. MILLER of Michigan. Madam Speaker, I rise today to acknowledge the hard work, determination and teamwork displayed by the 2009 North Branch Varsity Girls Volleyball Team. These young women endured a grueling 83 match season and in the end came out on top as the Class B Michigan State Cham-

pions! They collected an impressive overall record of 76–5–2. This was a historic accomplishment because it was the first sports title ever in the school's history.

Coach Jim Fish did a tremendous job leading the team and bringing them together as a cohesive unit to accomplish a common goal—winning a state title. I commend all the assistant coaches, support staff, teachers, parents and fans in the community for their help and making this a season to remember.

However, the road to the state finals at Kellogg Arena in Battle Creek was anything but a walk in the park. Despite graduating eight players from the 2008 squad, the Lady Broncos rolled through the regular season winning the Tri-Valley East Conference Title. Nonetheless, the Lady Broncos did hit a slight speed bump when they fell to Bloomfield Hills Marian. But in all fairness, I must state that Bloomfield did go on to win the Class A State Title. Now some teams might have taken this defeat as a negative experience, but not the Lady Broncos. They learned from this loss and rebounded to attain a number one ranking for most of the season.

North Branch realized the conference championship brought them just a step closer to their ultimate goal so the team once again pulled up their sleeves, laced up their shoes and got back to work.

The Lady Broncos continued their memorable quest as they picked additional trophies for the school's display case winning the district title and regional title and an eventual spot in the state quarterfinals.

Here the team faced-off against a feisty Cadillac Team. The Lady Broncos proved their tenacity and resilience as they beat Cadillac in four hard fought sets. Next North Branch was matched up against Delton Kellogg. But unfortunately for Kellogg, it just was not in the cards for them to win on this Saturday because destiny was on the side of the Lady Broncos. There was nothing Kellogg could do on the court to prevent North Branch from raising the championship trophy in glorious triumph. The Lady Broncos were determined to finish what they had started since the first practice of the season. And through all the sweat, injuries and difficult training sessions, the Lady Broncos saw their dreams come to fruition as they were crowned the Michigan Volleyball Class B State Champs!

Teamwork, dedication and friendship all helped deliver this first-ever championship in the schools sports history. The entire North Branch community and Lapeer County should take pride in what these young women accomplished.

I certainly share that pride and want to offer my congratulations to everyone who contributed to this team effort. First starting with the co-captains Kara Stuewer and Jordan Fish and team members—Katie Smillie, Danika Racknor, Taylor Wiegele, Layne Molosky, Samantha Garza, Hailey Smillie, Catherine Brusie, Laura Johnson, Macaela Deshetskys, Shanel Johnstone, Katie Owens, Stephanie Marsh, and Angela Root. You all should be extremely proud of this achievement.

In addition, I must mention that not only were these young women champions on the court but in the classroom as well. The volleyball team compiled an outstanding 3.49 GPA and achieved an all-state academic recognition.

My hat also goes off to Head Coach Jim Fish—Assistant Coaches Curt June, Chris
