SEATBELTS FOR INCREASED BUS SAFETY

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Mr. POE of Texas. Madam Speaker, most of us are aware of the bus accidents that have been occurring around the country. Two years ago there was a fatal bus accident involving the Westbrook High School girls' soccer team in Beaumont, Texas. Just this year, there was an accident in Sherman, Texas, which involved several Vietnamese community members. Similar incidents occurred in Liberty, Missouri, Arlington, Virginia, New York City, and New Orleans, to name a few.

These tragic bus accidents demonstrate that school bus safety reform is an urgent issue. While school buses are among the safest mode of transportation, these re-occurring accidents are unacceptable. School buses need to be safer.

The widespread bus crashes have sparked a comeback in the idea of seatbelts in buses. Seatbelts raise the issue of whether they would increase bus safety.

According to the Texas Department of Transportation, Texas safety belt use has topped 90%, this being the third year in a row. The majority of people in Texas are wearing their seatbelts in cars and trucks. But few to no passengers are wearing their seatbelts in school buses! Currently, there is no federal mandate on seatbelts in buses.

Every state, except New Hampshire, requires by law that car and truck drivers and passengers wear seatbelts. This is because seatbelts work—they increase a passenger's chance of survival in a crash. In short, seatbelts save lives.

If laws require passengers of cars and trucks to wear seatbelts, why are there no requirements for buses to even include seatbelts? In many states there are variations of "Click it or Ticket" policies that threaten motorists who don't wear seatbelts, yet no such laws apply to the buses that carry our children and community members on a daily basis.

Certainly, buses are made very different from cars and trucks. For one, buses can carry many more passengers than any car. Some of these differences might lead one to believe that there should not be a mandate on seatbelts in buses. These differences have not stopped bus drivers from being required to wear seatbelts. So why not for school bus passengers as well?

Some claim that seatbelts may not be properly worn by passengers or cause injury. If anything, it shows that seatbelts should be made better. However, to completely disregard seatbelts as a safety precaution is absurd.

The answer appears to be that of common sense. While seatbelts are in no way a quick fix and there are many questions surrounding seatbelts in buses, they should be looked into as one of the very many necessary measures taken to ensure school bus safety.

RECOGNIZING ALCALDESSA ELIZABETH KEMP OF SONOMA, CALIFORNIA

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Mr. THOMPSON of California. Madam Speaker, I rise today, along with my colleague, LYNN WOOLSEY, to recognize Elizabeth Kemp, who has been named the City of Sonoma's 2009 Alcaldessa, or Honorary Mayor.

The title, "Alcalde" or "Alcaldessa" when referring to a woman, is the Spanish word for "Mayor." During the Spanish colonial period in California, the Alcalde was the primary civil authority. In modern times in the City of Sonoma, it is an honorary title and the contemporary Alcalde or Alcaldessa presides over ceremonial events for the city.

Alcaldes and Alcaldessas are nominated by the community and are representative of individuals with a long record of volunteer work. Ms. Kemp is no exception to this rule.

Ms. Kemp attributes her community activism to her early years in London during WW II. That experience led her to be aware of the needs of others and to an understanding that anyone's circumstances can change in a matter of minutes. She emigrated from England when she was 21 and has lived in Sonoma since 1969.

In 2000, Ms. Kemp recognized that many migrant workers had no place to live and were sleeping under bridges. She helped to organize one temporary camp, then joined with Vineyard Workers Services to create two more camps that are open during harvest. She currently serves as President of the Board of Directors of Vineyard Workers Services.

Ms. Kemp initiated the Brown Bagger program in 2004. The program prepares and distributes more than 180 nutritious lunches each week to the homeless and others who are unable to purchase food. This past summer, Ms. Kemp organized a group of volunteers to provide bag lunches to students who normally receive free lunches at school when school is in session and to their younger siblings. As a member of the Board of Directors of Sonoma Overnight Support, Ms. Kemp has also been involved in the development of the first permanent homeless shelter in Sonoma.

And, lest we think her interests are only parochial, Ms. Kemp is an active member of Friends of Turkana, a local group that raises funds for two medical missions in East Africa.

Madam Speaker, Elizabeth Kemp is a beloved and vitally important member of the community and it is appropriate that we acknowledge her today as Sonoma's Alcaldessa for 2009.

THROUGH UNITY, STRENGTH—
TRAGEDY AT TEXAS A&M

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 24, 2009

Mr. POE of Texas. Madam Speaker, the Texas A&M Aggies are known to boast many mottos, but a saying less famous than "Gig 'em" or "Hullabaloo" is one they lean on during times of hardship: "Through Unity, Strength." Last month, the student body was struck with another tragedy and two of Texas' warriors were taken from their families, friends and fellow students. The student body has banded together to get through this tragedy and in that unity they, once again, are finding their strength. I would like to take this opportunity to honor the two men who dedicated their lives to serving this country and whose time was cut short by a tragic accident.

On January 12th, during routine helicopter training on Texas A&M's campus, two soldiers were killed in the accidental crash. Lieutenant Zachary Cook was a recent A&M graduate and had just been commissioned as a United States Army officer. His temporary assignment was with Texas A&M's ROTC program which was holding the training demonstration for some ROTC cadets. Zachary, 22, was a former member of the Corps of Cadets Company D-1 and had just received his degree in December. There has already been an outpouring of support for this young man from A&M's student body and there will assuredly be hundreds of voices answering "Here" during roll call at the university's memorial service known as "Muster" in April.

Sergeant Charles Mitts, 42, of Spring, TX also died in the helicopter crash. Sergeant Mitts had served his country dutifully his entire adult life. After graduating from high school in Killeen, TX Charles served in both the Gulf War and Operation Iraqi Freedom. During his deployment to Iraq he served in General Petraeus' personal helicopter unit and he was currently enlisted in the Texas Army National Guard. Sergeant Mitts devoted his life to serving this country and is one of the many warriors that Texas is proud to call its own.

Madam Speaker, we honor these soldiers and their oath to serve us and protect all that we hold dear. Across the entire state Texans are honoring Sergeant Mitts, Lt. Cook and their families. As P.H. Duval Jr. put it so eloquently in his famous poem "The Last Corps Trip"—

It was Judgment Day in Aggie land
And tenseness filled the air;
All knew there was a trip at hand,
But not a soul knew where . . .
. . . And the band poured forth the anthem,
In notes both bright and clear
And ten thousand Aggie voices
Sang the song they hold so dear.
And when the band had finished,
St. Peter wiped his eyes
And said, "It's not so hard to see
They're meant for Paradise."
And the colonel of the Cadet Corps said
As he stiffly took his stand,
"It's just another Corps Trip, boys,
We'll march in behind the band.

And that's just the way it is.
