CONGRATULATING THE BAYLOR
UNIVERSITY WOMEN'S BASKET-
BALL TEAM

(Mr. FLORES asked and was given permission to address the House for 1 minute.)

Mr. FLORES. Mr. Speaker, I rise today to commend the Baylor University women's basketball team on an outstanding 2011 season. I don't believe that there are many Members of this body who have the honor to represent two great schools that made it to the NCAA Elite Eight in this year's NCAA Women's Tournament. This trip to the Elite Eight is part of their winning tradition that includes a national championship in 2005.

Coach Kim Mulkey and the Lady Bears deserve high praise on winning this year's Big 12 Championship and advancing to the Elite Eight for the second straight year. Sophomore post Brittany Griner was also named as a first-team All American.

Congratulations to the Baylor Lady Bears on a great season, and Sic'em Bears.

HONORING JUDGE WILLIAM HART
RUFÉ III

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FITZPATRICK. Mr. Speaker, I rise today to honor Judge William Hart Rufe III for 36 years of outstanding service to the Heritage Conservancy based in my home of Bucks County.

Headquartered in the county seat of Doylestown, the Heritage Conservancy is an organization that specializes in open space preservation, planning for sustainable communities and natural resource protection. As a vocal advocate for the preservation of farmland, parkland and critical natural areas during my time as county commissioner, I have a personal appreciation for the mission of the conservancy.

Judge Rufe has been an important partner in working to stop suburban sprawl from transforming the beauty of the Bucks County landscape. His decades of leadership in this organization have been invaluable, and he will be missed as the Heritage Conservancy continues its important work.

AMERICAN FILM COMPANY

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, recent studies have shown that there is an epidemic of historical and political ignorance in our country and that an alarming 83 percent of Americans fail a basic test on knowledge of the American Revolution and the principles that have united all Americans. It is for this reason that I rise today to acknowledge the exciting work of the American Film Company, founded in 2008 by entrepreneur Joe Ricketts.

Mr. Ricketts founded the company on the belief that real life is often more compelling than fiction, and so he set out to produce films about the incredible true stories from America's past. Central to the company's filmmaking are prominent historians, assuring that each production remains true and historically accurate.

As a resident of the great State of Illinois, I was pleased that the first film produced by the American Film Company was "The Conspirator," which tells the true story of Mary Surratt, the lone woman accused of participating in the conspiracy to assassinate President Abraham Lincoln. Fittingly, the film premiered last Sunday at Ford's Theater.

I commend the American Film Company for finding an entertaining way to encourage and educate Americans about our country's important history, and I congratulate Mr. Ricketts as well.
