#### PERSONAL EXPLANATION

Mr. GUTIERREZ. Mr. Chair, I was unavoidably absent for votes in the House Chamber today. I would like the RECORD to show that, had I been present, I would have voted "yea" on rollcall vote 534 and "no" on rollcall votes 535, 536, 537, and 538.

AMENDMENT NO. 5 OFFERED BY MR. LAMBORN

Mr. LAMBORN. Mr. Chairman, I have an amendment at the desk.

The Acting CHAIR. The Clerk will designate the amendment.

The text of the amendment is as follows:

Page 23, line 4, strike "expended." and all that follows through "6864(a).", and insert "expended."

The Acting CHAIR. The gentleman from Colorado is recognized for 5 minutes.

Mr. LAMBORN. Mr. Chairman, my constituents in Colorado, like all Americans, are demanding that Congress cut spending. We must look for every opportunity, large and small, to

cut wasteful government programs. This amendment does just that.

The Weatherization Assistance Program, otherwise known as "Cash for Caulkers," and part of the failed stimulus package, has been plagued by bureaucratic mismanagement. This \$5 billion program was supposed to create jobs, but we all know that didn't work out so well. In fact, with unemployment ticking up for 2 months in a row, we must reverse course and cut all unspent stimulus dollars.

In the stimulus, \$5 billion was injected into "Cash for Caulkers" through the Department of Energy in an attempt to help lower the cost of energy and increase efficiency for people who qualified. The goal was to make 593,000 homes more energy efficient by March 2012.

This program, however, has been marked by mismanagement, fraud, waste, and abuse. Most notably is the case of Delaware, where Federal auditors found mismanagement issues and potential fraudulent activities. Reportedly, subsequent repairs and other inspections will cost the State a sizable amount of their remaining funds. Issues have arisen in other States as well.

When large sums of money are spent too quickly, the opportunities for waste and abuse are rampant. The Obama administration, in its haste to create government jobs, failed to thoughtfully and prudently assess how money was spent. In these tough fiscal times, we must have accountability for every dollar spent by the Federal Government.

□ 1920

States have until March of 2012 to use Cash for Clunkers funds or risk having them returned to the Treasury. I am concerned that this could leave a large slush fund of \$1.5 billion in the hands of federal bureaucrats. They could spend that money with very little Congressional oversight.

My amendment is simple. It will prevent the Secretary of Energy from re-allocating funds remaining from the American Recovery and Reinvestment Act from one State to another. This will leave up to \$1.5 billion that can be returned to the Treasury next March, thus reducing our massive deficit.

I urge support for this amendment.

Mr. Chairman, I yield back the balance of my time.

Mr. McCLINTOCK. I move to strike the last word.

The Acting CHAIR. The gentleman from California is recognized for 5 minutes.

Mr. McCLINTOCK. Mr. Chairman, this amendment strikes language in the bill that allows the Secretary of Energy to redirect unspent stimulus funds from one State to another. What they're really saying is this: \$1.5 billion is going to be taken from the States that decided not to use the money and give it to States that not only have spent their allocations but want to
