

not by raising taxes but by raising taxpayers, and we do that by putting people to work and creating a stronger economy. It's absolutely critical for the future of this Nation. We can't keep going down this road.

The National Endowment for the Arts and the National Endowment for the Humanities, I've heard all the arguments, and for the Smithsonian Institute and other things that a lot of people think are very beautiful and nice, just like that luxury automobile, but we need to stop it. The future of our Nation depends upon it. I'm fighting for America. I'm fighting for the future of our children and my grandchildren. Funding for the National Endowment for the Arts does not need to be a priority in the midst of these trying times, and I urge my colleagues to support a very simple request to reduce its funding by 10 percent.

I yield back the balance of my time.

Mr. SIMPSON. Mr. Chairman, I move that the Committee do now rise.

PARLIAMENTARY INQUIRY

Mr. MORAN. Mr. Chairman, may I make a parliamentary inquiry?

The Acting CHAIR. State your inquiry.

Mr. MORAN. If the Committee does now rise, an amendment has been offered, would not the body, the Committee of the Whole, take up the conclusion of that amendment when we reconvene on the same bill the next time the bill is brought up, whether it be tomorrow, Friday, or Saturday?

The Acting CHAIR. The amendment will still be pending.

The question is on the motion to rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. BROUN of Georgia) having assumed the chair, Mr. PAULSEN, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 2584) making appropriations for the Department of the Interior, environment, and related agencies for the fiscal year ending September 30, 2012, and for other purposes, had come to no resolution thereon.
