GENERAL LEAVE

Mr. LANKFORD. I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oklahoma?

There was no objection.

Mr. LANKFORD. I yield myself such time as I may consume.

Mr. Speaker, H.R. 2149, introduced by the gentlelady by Hawaii (Ms. HANABUSA), would designate the facility of the United States Postal Service located at 4354 Pahoia Avenue in Honolulu, Hawaii, as the Cecil L. Heftel Post Office Building.

This bill was introduced on June 13 and was reported from the Committee on Oversight and Government Reform on June 22.

Cecil L. Heftel was born September 30, 1924. He was an accomplished businessman and a politician who served his community for many years. Mr. Heftel was a well-known figure in Honolulu, Hawaii, and served five terms as a Member of the House of Representatives.

In the 1960s, Mr. Heftel began his career in Hawaii when he started Heftel Broadcasting and took over the KGMB television station. In 1976, Mr. Heftel ran for Congress, won five consecutive terms and then resigned from Congress in 1986 to run for Governor, but was defeated in the primary.

Mr. Heftel returned to the broadcasting business until 2004. He then returned to his community to serve as a member of the board of education. Cecil Heftel died February 4, 2010, at the age of 85. His service to the Honolulu community will never be forgotten. I urge my colleagues to support the passage of the bill.

With that, I reserve the balance of my time.

Mr. DAVIS of Illinois. It is my pleasure to yield such time as she might consume to the gentlewoman from Hawaii (Ms. HANABUSA), the author of this measure.

Ms. HANABUSA. I thank the gentleman for yielding, and I thank the ranking member for affirmatively looking upon H.R. 2149.

Mr. Speaker, I rise today to recognize the tremendous career of the late Representative Cecil L. Heftel. H.R. 2149 is a bill which designates the facility of the United States Postal Service located at 4354 Pahoia Avenue in Honolulu, Hawaii, as the Cecil L. Heftel Post Office Building.

Representative Heftel was a very unusual person and a very accomplished man. He was known for his prowess in building radio and television broadcasting stations in Hawaii. Many of us grew up in Hawaii with his creations, like "Checkers and Pogo," which was the most popular children's show; J. Akuheab Pupule, one of the most popular radio personalities; and the legends themselves, who still rule our airwaves in the show of "Perry & Price," Michael W. Perry and my good friend Coach Larry Price. They still are the first and the highest-ranking radio shows in Hawaii.

Cecil Heftel was elected to the 95th Congress to represent the First Congressional District of Hawaii. While in Washington, Representative Heftel's first assignment was to the Education and Labor Committee and, ironically, the Post Office and Civil Service Committee. Representative Heftel was re-elected four times, serving for a total of five terms in this body. During the 96th Congress, Representative Heftel was elected to the Ways and Means Committee where he stayed until his resignation in 1986 to run for Governor of our beautiful State of Hawaii.

While in office, Representative Heftel sponsored 160 bills, and it is important

to note this because these bills evidenced his vision and farsightedness. He was a champion of tax reform and energy independence, an issue that is very popular today, but may not have been as popular back then, always showing aloha for his constituency.

In response to President Reagan's tax cut proposal, Representative Heftel said, "I cannot support a tax proposal which would benefit me so much more than those of my constituents who earn less than \$30,000 a year." Similar statements are being made today. This is what defined Cecil Heftel both as a Member of Congress and a person from Hawaii.

In 1983, Representative Heftel was involved in a car crash near the Lincoln Memorial which left him with severe injuries. The accident occurred before cars were legally required to have airbags. This experience helped shape Representative Heftel's view of government regulation and the private sector. Remember where he came from, a very successful businessman. After the accident, Representative Heftel unsuccessfully filed suit against General Motors, blaming his accident on faulty breaks in his Oldsmobile. It is important to note that after the accident, he received a letter saying there may be something wrong with his brakes.

Though Representative Heftel, as a businessman, probably was not in favor of regulations, it is important to note that in the 99th Congress, he introduced legislation that would provide criminal penalties for manufacturers who failed to notify owners of motor vehicle safety defects, something that we have all come to expect and are protected by today. This shows you who Representative Heftel was and the fact that he always placed the public, the people, and his constituents first. He went through his service here in the Congress displaying this kind of independence and courage, looking to these important issues.

I want to say that on a personal note, I was able to meet Mr. Heftel in the year 2004. It was at a dinner event where, actually, I met his daughter Susan first. And when we spoke of her father, she told me, I think my dad would like to meet you. So we sat at dinner first and had several meetings after that. And he told me about his experiences in Congress.

But more important than that, he shared with me his passion for education and how he believed that he still had it in him to come and make change in the education system in Hawaii.

So in that same year, at the age of 80, Cecil Heftel was successfully elected to the State Board of Education for the Oahu-at-large seat, and there he served for 4 years, making an effort to leave his mark on education, as he did as a Member of Congress and also as the greatest communications person we will see in the State of Hawaii.

Mr. Speaker, I urge my colleagues to support H.R. 2149, naming the facility

of the United States Postal Service located at 4354 Pahoia Avenue in Honolulu, Hawaii, in honor of Cecil Heftel. I do this not only to honor him and to pay our respects to someone who served the State so well, but I do this because I want for especially the youth of today, when they go by that post office and they see the name Cecil L. Heftel to ask, Who was Cecil L. Heftel? And I believe that when they learn his story and they see how he served in this body and how over time his experiences shaped his legislation, legislation that we may not have thought that would be something he would have supported, and how he put his constituents first, and also his genius, his absolute genius in communications and his creation of all the legends over time, that they will be inspired, and that among them, one day, we may see another Cecil L. Heftel.

Mr. DAVIS of Illinois. Mr. Speaker, I commend the gentlelady for her introduction of this very thoughtful measure, I urge its passage, and yield back the balance of my time.

Mr. LANKFORD. Mr. Speaker, I urge all Members to support the passage of H.R. 2149, and I also yield back the balance of my time.

Ms. HIRONO. Mr. Speaker, I rise in support of Congresswoman HANABUSA's bill to designate the post office in the neighborhood of Kahala in Honolulu as the Cecil L. Heftel Post Office Building.

Cec Heftel, as he was known to everyone in Hawaii, is remembered for his keen business sense, his pursuit of excellence as a broadcaster, and his decade of service representing Hawaii's 1st Congressional District. He passed away in February 2010.

In looking over the legislation that Congressman Heftel introduced during his tenure, I was interested to see that he introduced forward-looking bills to provide incentives for renewable energy and to establish a comprehensive research and development program for domestic hydrogen fuel capability. He also introduced legislation to restore the wartime recognition to the Filipino veterans of World War II to entitle them to the benefits they earned. The Congress finally acted on this issue in 2009, giving these veterans a measure of long-awaited justice.

I am sure that the naming of the post office in Cec's memory in the community where he lived means a great deal to his widow, Rebecca Heftel, his children, grandchildren, and his many friends, former colleagues, and employees.
