

Order (the “order”) that takes additional steps with respect to the Government of Syria’s continuing escalation of violence against the people of Syria and with respect to the national emergency declared in Executive Order 13338 of May 11, 2004, as modified in scope and relied upon for additional steps taken in Executive Order 13399 of April 25, 2006, Executive Order 13460 of February 13, 2008, Executive Order 13572 of April 29, 2011, and Executive Order 13573 of May 18, 2011.

In Executive Order 13338, the President found that the actions of the Government of Syria constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and declared a national emergency to deal with that threat. To address that threat and to implement the SA, the President in Executive Order 13338 blocked the property of certain persons and imposed additional prohibitions on certain transactions with respect to Syria. In Executive Order 13572, I expanded the scope of that national emergency and imposed additional sanctions.

The order blocks the property and interests in property of the Government of Syria. The order also provides criteria for designations of persons determined by the Secretary of the Treasury, in consultation with the Secretary of State:

To have materially assisted, sponsored, or provided financial, material, or technological support for, or goods or services in support of, any person whose property and interests in property are blocked pursuant to the order;

To be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to the order.

The order also prohibits the following:

New investment in Syria by a United States person, wherever located;

The exportation, reexportation, sale, or supply, directly or indirectly, from the United States, or by a United States person, wherever located, of any services to Syria;

The importation into the United States of petroleum or petroleum products of Syrian origin;

Any transaction or dealing by a United States person, wherever located, including purchasing, selling, transporting, swapping, brokering, approving, financing, facilitating, or guaranteeing, in or related to petroleum or petroleum products of Syrian origin; and

Any approval, financing, facilitation, or guarantee by a United States person, wherever located, of a transaction by a foreign person where the transaction by that foreign person would be prohibited by section 2 of the order if performed by a United States person or within the United States.

I have delegated to the Secretary of the Treasury the authority, in consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA, as may be necessary to carry out the purposes of the order.

All agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the order.

I am enclosing a copy of the Executive Order I have issued.

BARACK OBAMA.
