CONVEYING SUBMERGED LANDS TO NORTHERN MARIANA ISLANDS

The SPEAKER pro tempore. The unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 670) to convey certain submerged lands to the Commonwealth of the Northern Mariana Islands in order to give that territory the same benefits in its submerged lands as Guam, the Virgin Islands, and American Samoa have in their submerged lands, on which the yeas and nays were ordered.

FURTHER MESSAGE FROM THE
PRESIDENT

A further message in writing from the President of the United States was communicated to the House by Mr. Williams, one of his secretaries.

MOTHER OF ALL TERRORISTS

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, the Palestinian Authority has a new face for its movement for statehood. It's Latifa Hmeid. Palestinians praise her as the "mother of seven prisoners" and the mother of a person called "Martyr."

These sons of hers are in prison for crimes against humanity. Rather than mother of the year, it turns out she is really mother of all terrorists. One of her sons, the Martyr, was a member of the military wing of Hamas, who planned and conducted the ambush and murder of an Israeli intelligence officer. Her other sons are serving a total of—get this—18 life sentences in prison. They have committed crimes, including attempted murders, the murder of seven Israeli citizens, and the involvement in numerous terrorist attacks.

This is the person the Palestinians have leading the movement for statehood at the United Nations. Having Mother Terrorist as the representative for Palestinian statehood shows an obvious hatred and bigotry against Jews, the State of Israel, and the notion of peace. The Palestinians need to quit murdering in the name of religion and start honest bilateral negotiations with Israel in the name of peace. The U.N. should not unilaterally allow Palestinian statehood. Terrorists don't deserve a seat at the table.

And that's just the way it is.

LEMONT FIRE DEPARTMENT'S
125TH ANNIVERSARY

(Mrs. BIGGERT asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. BIGGERT. Mr. Speaker, I rise today to congratulate the Lemont Fire Department as it celebrates 125 years of service.

In 1886, the town fathers of Lemont adopted an ordinance that created a volunteer fire department that consisted of 22 volunteers split into two companies: the hose company and the hook and ladder company. Since then, the Lemont Fire Department has grown from a handful of volunteers to a force of 85 fire, EMT, administrative, and support personnel. Every day, they protect the towns of Lemont, Darien, Bolingbrook, Homer Glen, and portions of Woodridge, Illinois—an area that is roughly 40 square miles.

In the early years of the Lemont Fire Department, the volunteers had to drag their firefighting equipment to

the fires and brave nearly insurmountable odds to save their neighbors. The bravery that inspired those men to save their neighbors is a trait that has come to define the Lemont Fire Department and the men and women who serve in it.

Mr. Speaker, the Lemont Fire Department has worked very hard to become a pillar of service in my congressional district. I would like to join my colleagues in congratulating them for 125 years of distinguished service.

JUVENILE DIABETES RESEARCH

(Mr. OLSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. OLSON. Mr. Speaker, I rise today to raise awareness about the importance of juvenile diabetes research.

Approximately 3 million Americans suffer from type 1 diabetes, also known as juvenile diabetes. More than 30,000 new people are diagnosed annually, including 15,000 children. These individuals must take insulin daily to stay alive and must undergo multiple injections or have insulin delivered through a pump.

The Juvenile Diabetes Research Foundation is a leader in type 1 diabetes research worldwide. The goals of juvenile diabetes research are straightforward: to cure type 1 diabetes, to develop better ways to treat type 1 diabetes, and to prevent type 1 diabetes from occurring in those most susceptible. This research means taking scientific developments and translating them into cures, treatments, drugs, and therapies.

Mr. Speaker, by keeping our taxpayer investment in juvenile diabetes research, one day soon we will find a cure.

RECOGNIZING BOB SCHOENFELDT
FOR HIS DISTINGUISHED CAREER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize a great friend and colleague, Bob Schoenfeldt, for his long and distinguished career in the field of agriculture.

After more than 34 years of service, Bob will be retiring this year from USDA, where he served as the area director for rural development in northwestern Pennsylvania, which is home to a diverse array of the Commonwealth's agriculture industry.

Bob has been at the forefront of ensuring agriculture continues to play a key role throughout Pennsylvania, especially through rural economic development. He has been a committed advocate for Pennsylvania's agriculture and family farmers across our State.

Like new shoes or hunting boots, I'm sure Bob's retirement will at first be

stiff and uncomfortable for a little while; but after such a long, distinguished and committed career, it's about time he put those feet up and relaxed for once.

Thank you, Bob, for your commitment to our State, the Nation, and the agriculture community. Congratulations on such an esteemed career. We wish you happiness and the best of luck in future endeavors.

NEW UNION AND NONUNION JOBS
TO BE CREATED

(Mr. DREIER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DREIER. Mr. Speaker, today is a great day for many reasons.

First and foremost, the American worker is going to have an opportunity, I believe, to gain access to new markets in Colombia, Panama, and South Korea. Union and nonunion jobs are going to be created.

Another reason it's a great day is that, in just a few minutes, led by the distinguished chair of the Trade Subcommittee of the Ways and Means Committee, my friend from Houston (Mr. BRADY), who has been such a great champion of trade, is going to talk about the tremendous benefits that we're going to see. I see that he's going to be joined at least by Mr. CANSECO, Mrs. BIGGERT, Mr. SMITH, Mr. DAVIS, Dr. BOUSTANY, Mr. HERGER, Mr. REICHERT, Mr. GRIFFIN, Mr. DOLD, maybe Ms. JENKINS, and maybe even Angela Ellard for all I know, but lots of other people. Oh, my gosh. Who else have we got? TOM REED, of course, is in the back of the Chamber, and he's going to be a part of this.

Mr. Speaker, we are coming together in a bipartisan way. The President has just hours ago set up these agreements so that, again, union and nonunion workers are going to have a chance to have more jobs created as we open up these markets.

I wish all of my colleagues were going to participate in this. Godspeed, and thank you, thank you, thank you for coming together for the American people.

INSULTING AND DEMEANING
COMMENT BY MR. HERMAN CAIN

(Ms. JACKSON LEE of Texas asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE of Texas. Mr. Speaker, all of us value constructive conversation and dialogue. In fact, I believe the Republican debates that have been occurring are valuable and insightful for the American people. I have no quarrel with the First Amendment and one's right to speak as one desires.

But I take issue with Mr. Herman Cain's very insulting and demeaning
