

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO SIGNIFICANT NARCOTICS TRAFFICKERS CENTERED IN COLOMBIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 112-65)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act, 50 U.S.C. 1622(d), provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the emergency declared with respect to significant narcotics traffickers centered in Colombia is to continue in effect beyond October 21, 2011.

The circumstances that led to the declaration on October 21, 1995, of a national emergency have not been resolved. The actions of significant narcotics traffickers centered in Colombia continue to pose an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States and cause an extreme level of violence, corruption, and harm in the United States and abroad. For these reasons, I have determined that it is necessary to maintain economic pressure on significant narcotics traffickers centered in Colombia by blocking their property and interests in property that are in the United States or within the possession or control of United States persons and by depriving them of access to the U.S. market and financial system.

BARACK OBAMA.
THE WHITE HOUSE, October 19, 2011.
