Messrs. MORAN, STARK, ELLISON, and AMASH changed their vote from “yea” to “nay.”

Messrs. CAPUANO, HONDA, and RUSH changed their vote from “nay” to “yea.”

So (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

The result of the vote was announced as above recorded.

Stated for:

Mr. FILNER. Madam Speaker, on rollcall 927, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted “yea.”

EXPLANATION OF INJURY

(Mr. FRANK of Massachusetts asked and was given permission to address the House for 1 minute.)

Mr. FRANK of Massachusetts. Madam Speaker, I deeply appreciate the solicitude of my colleagues on my appearance. I want to first assure them that there is much less here than meets the eye. I am going to explain that because, as much as I appreciate the solicitude, responding to it 400 times would seem to me a bit excessive, literally adding insult to injury.

I just want to explain that I discovered a torn ligament. We’re not exactly sure how it happened. It was easily repaired today. I am wearing this because the arm was blocked and is not mobile. It is simply to protect the arm.

Madam Speaker, I do want to anticipate any question. This had nothing to do with my retirement. I did not discover it until after my announcement of my retirement. And I would just add that at no point during my 31 years here was this ligament ever essential to the performance of my duties.
