Whereas John Roll, a Pennsylvania native who was 63 years old, began his professional career as a bailiff in 1972, was appointed to the Federal bench in 1991, and became chief judge for the District of Arizona in 2006, was a devoted husband to his wife Maureen, father to his 3 sons, and grandfather to his 5 grandchildren, and heroically attempted to shield Ron Barber from additional gunfire;

#### SENATE RESOLUTION 15—DESIGNATING THE WEEK OF AUGUST 1 THROUGH AUGUST 7, 2011, AS “NATIONAL CONVENIENT CARE CLINIC WEEK”, AND SUPPORTING THE GOALS AND IDEALS OF RAISING AWARENESS OF THE NEED FOR ACCESSIBLE AND COST-EFFECTIVE HEALTH CARE OPTIONS TO COMPLEMENT THE TRADITIONAL HEALTH CARE MODEL

Mr. INOUYE (for himself and Mr. COCHRAN) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 15

Whereas convenient care clinics are health care facilities located in high-traffic retail outlets that provide affordable and accessible care to patients who might otherwise be delayed or unable to schedule an appointment with a traditional primary care provider;

Whereas millions of people in the United States do not have a primary care provider, and there is a worsening primary care shortage that will prevent many people from obtaining one in the future;

Whereas convenient care clinics have provided an accessible alternative for more than 15,000,000 people in the United States since the first clinic opened in 2000, continue to expand rapidly, and as of June 2010, consist of approximately 1,100 clinics in 35 States;

Whereas convenient care clinics follow rigid industry-wide quality of care and safety standards;

Whereas convenient care clinics are staffed by highly qualified health care providers, including advanced practice nurses, physician assistants, and physicians;

Whereas convenient care clinicians all have advanced education in providing quality health care for common episodic ailments including cold and flu, skin irritation, and muscle strains or sprains, and can also provide immunizations, physicals, and preventive health screening;

Whereas convenient care clinics are proven to be a cost-effective alternative to similar treatment obtained in physician offices, urgent care, or emergency departments; and

Whereas convenient care clinics complement traditional medical service providers by providing extended weekday and weekend hours without the need for an appointment, short wait times, and visits that generally last only 15 to 20 minutes: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates the week of August 1 through August 7, 2011, as “National Convenient Care Clinic Week”;

(2) supports the goals and ideals of National Convenient Care Clinic Week to raise awareness of the need for accessible and

cost-effective health care options to complement the traditional health care model;

(3) recognizes the obstacles many people in the United States face in accessing the traditional medical home model of health care;

(4) encourages the use of convenient care clinics as a complimentary alternative to the medical home model of health care; and

(5) calls on the States to support the establishment of convenient care clinics so that more people in the United States will have access to the cost-effective and necessary emergent and preventive services provided in the clinics.

Mr. INOUE. Mr. President, today I rise to recognize all of the providers who work in retail-based Convenient Care Clinics in a Resolution to designate August 1 through August 7, 2011 as National Convenient Care Clinic Week. National Convenient Care Clinic Week will provide a national platform from which to promote the pivotal services offered by the more than 1,100 retail-based convenient care clinics in the United States.

Today, thousands of nurse practitioners, physician assistants, and physicians provide care in convenient care clinics. At a time when Americans are more and more challenged by the inaccessibility and high costs of health care, convenient care offers a vital high-quality primary care alternative.

A Senate Resolution will help pave the way for this effort. I ask my colleagues to join me in supporting this tribute to Convenient Care Clinics.

**SENATE RESOLUTION 17—DESIGNATING THE MONTH OF NOVEMBER 2011 AS “NATIONAL MILITARY FAMILY MONTH”**

Mr. INOUE submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 17

Whereas military families, through their sacrifices and their dedication to the United States and its values, represent the bedrock

upon which the United States was founded and upon which the country continues to rely in these perilous and challenging times: Now, therefore, be it

*Resolved,* That the Senate—

(1) designates November 2011 as “National Military Family Month”; and

(2) encourages the people of the United States to observe National Military Family Month with appropriate ceremonies and activities.

Mr. INOUE. Mr. President, today I rise to honor all our military families by introducing a Resolution to designate November as National Military Family Month. As we all know, memories fade and the hardships experienced by our military families are easily forgotten unless they touch our own immediate family.

Today, we have our men and women deployed all over the world, engaged in this war on terrorism. These far-ranging military deployments are extremely difficult on the families who bear this heavy burden.

To honor these families, the Armed Services YMCA has sponsored Military Family Week in late November since 1996. However, due to frequent “short week” conflicts around the Thanksgiving holidays, the designated week has not always afforded enough time to schedule observances on and near our military bases.

I believe a month long observation will allow greater opportunity to plan events. Moreover, it will provide a greater opportunity to stimulate media support.

This resolution will help pave the way for this effort. I ask my colleagues to join me in supporting this tribute to our military families.

**SENATE RESOLUTION 18—EXPRESSING SUPPORT FOR PRAYER AT SCHOOL BOARD MEETINGS**

Mr. VITTER submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 18

Whereas the freedom to practice religion and to express religious thought is acknowledged to be a fundamental and unalienable right belonging to all individuals;

Whereas the United States was founded on the principle of freedom of religion and not freedom from religion;

Whereas the Framers intended that the First Amendment to the Constitution would prohibit the Federal Government from enacting any law that favors one religious denomination over another, not prohibit any mention of religion or reference to God in civic dialogue;

Whereas in 1983 the Supreme Court held in *Marsh v. Chambers*, 463 U.S. 783, that the practice of opening legislative sessions with prayer has become part of the fabric of our society and invoking divine guidance on a public body entrusted with making the laws is not a violation of the Establishment Clause of the First Amendment, but rather is simply a tolerable acknowledgment of beliefs widely held among the people of the Nation;

Whereas voluntary prayer in elected bodies should not be limited to prayer in State legislatures and Congress;
