

how busy she was as CEO, Betty would always take the time out to get to know all of her employees personally. Others fondly recalled how she was never too busy to mentor younger employees and helped inspire them to pursue their dreams and demonstrate their fullest potential. In addition, there are testimonials from those who worked with her on her charitable endeavors, those who were friends, and even those who had never met her, but who were inspired by her success in business and her service to the community. On a personal level, Betty Hollander and my mother were great friends—two great Jewish mothers—and I have always treasured having had the opportunity to know her.

If we are to be judged in life by the effect we have on others, than Betty Hollander's life was a sterling success!

We honor Betty Hollander's memory and cherish her decency and friendship. I extend my deepest sympathies to Betty's beloved "Miltie" Hollander and all of Betty's friends and family on their irreplaceable loss. They will be in my thoughts and prayers during this difficult period.●
