

WYDEN) submitted the following resolution; which was submitted and read:

S. RES. 159

Whereas, on May 1, 2011, United States personnel killed terrorist leader Osama bin Laden during the course of a targeted strike against his secret compound in Abbottabad, Pakistan;

Whereas Osama bin Laden was the leader of the al Qaeda terrorist organization, the most significant terrorism threat to the United States and the international community;

Whereas Osama bin Laden was the architect of terrorist attacks which killed nearly 3,000 civilians on September 11, 2001, the most deadly terrorist attack against our Nation, in which al Qaeda terrorists hijacked four airplanes and crashed them into the World Trade Center in New York City, the Pentagon in Washington, D.C., and, due to heroic efforts by civilian passengers to disrupt the terrorists, near Shanksville, Pennsylvania;

Whereas Osama bin Laden planned or supported numerous other deadly terrorist attacks against the United States and its allies, including the 1998 bombings of United States embassies in Kenya and Tanzania and the 2000 attack on the U.S.S. Cole in Yemen, and against innocent civilians in countries around the world, including the 2004 attack on commuter trains in Madrid, Spain and the 2005 bombings of the mass transit system in London, England;

Whereas, following the September 11, 2001, terrorist attacks, the United States, under President George W. Bush, led an international coalition into Afghanistan to dismantle al Qaeda, deny them a safe haven in Afghanistan and ungoverned areas along the Pakistani border, and bring Osama bin Laden to justice;

Whereas President Barack Obama in 2009 committed additional forces and resources to efforts in Afghanistan and Pakistan as “the central front in our enduring struggle against terrorism and extremism”;

Whereas the valiant members of the United States Armed Forces have courageously and vigorously pursued al Qaeda and its affiliates in Afghanistan and around the world;

Whereas the anonymous, unsung heroes of the intelligence community have pursued al Qaeda and affiliates in Afghanistan, Pakistan, and around the world with tremendous dedication, sacrifice, and professionalism;

Whereas the close collaboration between the Armed Forces and the intelligence community prompted the Director of National Intelligence, General James Clapper, to state, “Never have I seen a more remarkable example of focused integration, seamless collaboration, and sheer professional magnificence as was demonstrated by the Intelligence Community in the ultimate demise of Osama bin Laden.”;

Whereas, while the death of Osama bin Laden represents a significant blow to the al Qaeda organization and its affiliates and to terrorist organizations around the world, terrorism remains a critical threat to United States national security; and

Whereas President Obama said, “For over two decades, bin Laden has been al Qaeda’s leader and symbol, and has continued to plot attacks against our country and our friends and allies. The death of bin Laden marks the most significant achievement to date in our Nation’s effort to defeat al Qaeda.”: Now, therefore, be it

Resolved, That the Senate—

(1) declares that the death of Osama bin Laden represents a measure of justice and relief for the families and friends of the nearly 3,000 men and women who lost their lives on September 11, 2001, the men and women in

the United States and around the world who have been killed by other al Qaeda-sponsored attacks, the men and women of the United States Armed Forces and the intelligence community who have sacrificed their lives pursuing Osama bin Laden and al Qaeda;

(2) commends the men and women of the United States Armed Forces and the United States intelligence community for the tremendous commitment, perseverance, professionalism, and sacrifice they displayed in bringing Osama bin Laden to justice;

(3) commends the men and women of the United States Armed Forces and the United States intelligence community for committing themselves to defeating, disrupting, and dismantling al Qaeda;

(4) commends the President for ordering the successful operations to locate and eliminate Osama bin Laden; and

(5) reaffirms its commitment to disrupting, dismantling, and defeating al Qaeda and affiliated organizations around the world that threaten United States national security, eliminating a safe haven for terrorists in Afghanistan and Pakistan, and bringing terrorists to justice.

Mr. LEAHY (for himself, Mr. GRASSLEY, and Mr. COONS) submitted the following resolution; which was considered and agreed to:

S. RES. 161

Whereas the first United States patent was issued in 1790 to Samuel Hopkins of the State of Vermont for a process to make better fertilizer;

Whereas American inventors have contributed to advances in life sciences, technology, and manufacturing;

Whereas the Constitution specifically provides for the granting of exclusive rights to inventors for their discoveries;

Whereas the United States patent system is intended to implement that constitutional imperative and incentivize inventions;

Whereas American inventors benefit from an up-to-date and efficient patent system and the economy, jobs, and consumers of the United States benefit from the inventions;

Whereas the next great American invention could be among the 700,000 patent applications pending as of the date of approval of this resolution in the United States Patent and Trademark Office;

Whereas the last changes to the United States patent system were made nearly 60 years ago;

Whereas an updated patent system will unleash innovation and create jobs in the United States without adding to the deficit;

Whereas every May, a new class of inventors is inducted into the National Inventors Hall of Fame;

Whereas in the 112th Congress, a bill was introduced in the House of Representatives entitled the “America Invents Act” (H.R. 1249) to make reforms to the United States patent system; and
