It's a sign of strength, not weakness, to seek assistance. It is my hope that this message will be heard. SENATE RESOLUTION 203—RECOGNIZING "NATIONAL FOSTER CARE MONTH" AS AN OPPORTUNITY TO RAISE AWARENESS ABOUT THE CHALLENGES OF CHILDREN IN THE FOSTER CARE SYSTEM, AND ENCOURAGING CONGRESS TO IMPLEMENT POLICY TO IMPROVE THE LIVES OF CHILDREN IN THE FOSTER CARE SYSTEM

Ms. LANDRIEU (for herself, Mr. GRASSLEY, Mrs. GILLIBRAND, Mr. FRANKEN, Mr. CARDIN, Mr. BEGICH, Mr. AKAKA, Mr. COCHRAN, Ms. COLLINS, Mr. LEVIN, Mr. NELSON of Nebraska, Mr. LAUTENBERG, Mrs. MURRAY, Mr. KERRY, Mr. INHOFE, Ms. SNOWE, and Mr. CASEY) submitted the following resolution; which was considered and agreed to:

S. RES. 203

Whereas "National Foster Care Month" was established more than 20 years ago to bring foster care issues to the forefront, to highlight the importance of permanency for every child, and to recognize the essential role that foster parents, social workers, and advocates have in the lives of children in foster care throughout the United States;

Whereas all children deserve a safe, loving, and permanent home;

Whereas the primary goal of the foster care system is to ensure the safety and well-being of children while working to provide a safe, loving, and permanent home for each child;

Whereas there are approximately 420,000 children living in foster care;

Whereas there are 115,000 children in foster care awaiting adoption;

Whereas 57,000 children are adopted out of foster care each year;

Whereas children of color are more likely to stay in the foster care system for longer periods of time and are less likely to be reunited with their biological families;

Whereas the number of available foster homes is declining, and there are only 2.8 foster homes for every 10 children in foster care;

Whereas children entering foster care often confront the widespread misperception that children in foster care are disruptive, unruly, and dangerous, even though placement in foster care is based on the actions of a parent or guardian, not the child;

Whereas foster care is intended to be a temporary placement, but children remain in the foster care system for an average of 2 years;

Whereas children in foster care experience an average of 3 different placements, which often leads to disruption of routines, and the need to change schools and move away from siblings, extended families, and familiar surroundings;

Whereas more than 29,000 youth "age out" of foster care without a legal permanent connection to an adult or family;

Whereas the number of youth who "age out" of foster care has steadily increased for the past decade;

Whereas children who "age out" of foster care lack the security or support of a biological or adoptive family and frequently struggle to secure affordable housing, obtain health insurance, pursue higher education, and acquire adequate employment;

Whereas on average, 8.5 percent of the positions in child protective services remain vacant;

Whereas due to heavy caseloads and limited resources, the average tenure for a worker in child protection services is just 3 years;

Whereas States, localities, and communities should be encouraged to invest resources in preventative and reunification services and post-permanency programs to ensure that more children in foster care are provided with safe, loving, and permanent placements;

Whereas the Fostering Connections to Success and Increasing Adoptions Act of 2008 (Public Law 110-351; 122 Stat. 3949) provides for new investments and services to improve the outcomes of children and families in the foster care system; and

Whereas much remains to be done to ensure that all children have a safe, loving, nurturing, and permanent family, regardless of age or special needs: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes "National Foster Care Month" as an opportunity to raise awareness about the challenges that children in the foster care system face;

(2) encourages Congress to implement policy to improve the lives of children in the foster care system;

(3) supports the designation of May as "National Foster Care Month";

(4) acknowledges the special needs of children in the foster care system;

(5) honors the commitment and dedication of the individuals who work tirelessly to provide assistance and services to children in the foster care system; and

(6) reaffirms the need to continue working to improve the outcomes of all children in the foster care system through title IV of the Social Security Act (42 U.S.C. 601 et seq.) and other programs designed to help children in the foster care system reunite with their biological parents or, if the children cannot be reunited with their biological parents, find permanent, safe, and loving homes.

Whereas the report entitled "Household Food Security in the United States, 2009" and published by the Economic Research Service of the Department of Agriculture found that in 2009, the most recent year for which data exist—

(2) 21.3 percent of all households with children in the United States experienced food insecurity at some point during the year; and

Whereas the problem of hunger and food insecurity can be found in rural, suburban, and urban portions of the United States, touching nearly every community of the United States;

Whereas, although substantial progress has been made in reducing the incidence of hunger and food insecurity in the United States, many Americans remain vulnerable to hunger and the negative effects of food insecurity;

Whereas the people of the United States have a long tradition of providing food assistance to hungry individuals through acts of private generosity and public support programs;

Whereas the Federal Government provides nutritional support to millions of individuals through numerous Federal food assistance programs, including—

(2) the child nutrition program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.);

(3) the special supplemental nutrition program for women, infants, and children established by section 17 of the Child Nutrition Act of 1966 (42 U.S.C. 1786);

(4) the emergency food assistance program established under the Emergency Food Assistance Act of 1983 (7 U.S.C. 7501 et seq.); and

(5) food donation programs;

Whereas there is a growing awareness of the important role that community-based organizations, institutions of faith, and charities play in assisting hungry and food-insecure individuals;

Whereas more than 50,000 local, community-based organizations rely on the support and efforts of more than 1,000,000 volunteers to provide food assistance and services to millions of vulnerable people; and

Whereas all people of the United States can participate in hunger relief efforts in their communities by—

(1) donating food and money to hunger relief efforts;

(2) volunteering for hunger relief efforts; and

(3) supporting public policies aimed at reducing hunger: Now, therefore, be it

Resolved, That the Senate—

(1) designates June 7, 2011, as "National Hunger Awareness Day"; and

(2) calls on the people of the United States to observe National Hunger Awareness Day—

(A) with appropriate ceremonies, volunteer activities, and other support for local anti-hunger advocacy efforts and hunger relief charities, including food banks, food rescue organizations, food pantries, soup kitchens, and emergency shelters; and

(B) by continuing to support programs and public policies that reduce hunger and food insecurity in the United States.
