APPROPRIATE SITING ON CHAPLAINS HILL IN ARLINGTON CEMETERY

Ms. KLOBUCHAR. Mr. President, I ask unanimous consent that the Veterans' Affairs Committee be discharged

from further consideration of S. Con. Res. 4 and that the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will report the concurrent resolution by title.

The bill clerk read as follows:

A resolution (S. Con. Res. 4) expressing the sense of Congress that an appropriate site on Chaplains Hill in Arlington National Cemetery should be provided for a memorial marker to honor the memory of the Jewish chaplains who died while on active duty in the Armed Forces of the United States.

There being no objection, the Senate proceeded to consider the concurrent resolution.

Mrs. MURRAY. Mr. President, I would like to take a moment to speak on the passage of S. Con. Res. 4, as amended, which would allow for the establishment of a Jewish Chaplains Memorial on Chaplains Hill in Arlington National Cemetery.

Since their inclusion in the Chaplain Corps in 1862, Jewish Chaplains have played a vital role in supporting members of the Armed Forces. In Arlington National Cemetery, Chaplains Hill serves as a memorial for military chaplains who have died in service to their country.

Chaplains play a critical role in the lives of our Nation's soldiers, providing spiritual guidance and emotional support in their times of need. In addition to their spiritual role, chaplains still remain a part of the military and give their lives in the line of duty.

Mr. President, in particular, one story poignantly tells of the service and sacrifice that chaplains make on behalf of their fellow servicemembers. On January 23, 1943, the USAT Dorchester was attacked by an enemy submarine while off the coast of Newfoundland. Four Army chaplains remained on the sinking vessel ensuring that surviving crew members would be able to reach the lifeboats, even surrendering their own lifejackets to crewmembers in need. As the ship began to sink, the chaplains banded together to pray for the safety of the crew. In honor of that selfless act, Congress created the Chaplain's Medal of Honor, also known as the Four Chaplains Medal. One of the chaplains was Rabbi Alexander D. Goode, a lieutenant in the Army, who is one of the 13 Jewish Chaplains who would be honored by the memorial that this Resolution would establish.

I would like to thank the many groups and individuals involved in this project. Specifically, I would like to acknowledge the efforts of Rabbi Harold Robinson, RADM CHC USN Retired, Kenneth Kraetzer, Mr. Sol Moglen and Ms. Shelley Rood. Without the work of these dedicated individuals, the sacrifice Jewish Chaplains have made on behalf of this Nation would remain unmemorialized in Arlington National Cemetery.

Ms. KLOBUCHAR. I ask unanimous consent that the Murray amendment,

which is at the desk, be agreed to, the concurrent resolution, as amended, be agreed to, the preamble be agreed to, the motions to reconsider be laid upon the table, with no intervening action or debate, and any statements be printed in the RECORD.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment (No. 388) was agreed to as follows:

(Purpose: To express the sense of Congress on the establishment of an advisory commission on memorials at Arlington National Cemetery and facilitate evaluation and approval of future monuments and memorials at the cemetery)

In the resolving clause, insert before the period at the end the following: "and that, in order to preserve, protect, and maintain the limited amount of space available at Arlington National Cemetery and ensure that future proposals for commemorative works are appropriately designed, constructed, and located and reflect a consensus of the lasting national significance of the subjects involved, the President of the United States, as Commander in Chief, should establish an Arlington National Cemetery Memorial Advisory Commission and procedures for the evaluation and approval of new monuments and memorials comparable to those in chapter 89 of title 40, United States Code (commonly referred to as the 'Commemorative Works Act')".

The concurrent resolution (S. Con. Res. 4), as amended, was agreed to.

The preamble was agreed to.

The concurrent resolution, as amended with its preamble, reads as follows:

S. CON. RES. 4

Resolved by the Senate (the House of Representatives concurring), That it is the sense of Congress that an appropriate site on Chaplains Hill in Arlington National Cemetery should be provided for a memorial marker, to be paid for with private funds, to honor the memory of the Jewish chaplains who died while on active duty in the Armed Forces of the United States, so long as the Secretary of the Army has exclusive authority to approve the design and site of the memorial marker and that, in order to preserve, protect, and maintain the limited amount of space available at Arlington National Cemetery and ensure that future proposals for commemorative works are appropriately designed, constructed, and located and reflect a consensus of the lasting national significance of the subjects involved, the President of the United States, as Commander in Chief, should establish an Arlington National Cemetery Memorial Advisory Commission and procedures for the evaluation and approval of new monuments and memorials comparable to those in chapter 89 of title 40, United States Code (commonly referred to as the "Commemorative Works Act").

Ms. KLOBUCHAR. Mr. President, I suggest the absence of a quorum.

The PRESIDING OFFICER. The clerk will call the roll.

The bill clerk proceeded to call the roll.

Ms. KLOBUCHAR. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 172) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 172

Whereas in 2011, cancer remains one of the most pressing public health concerns in the United States, with 1,500,000 Americans expected to be diagnosed with cancer and more than 500,000 expected to die from the disease;

Whereas the term "cancer" refers to more than 200 diseases that collectively represent the leading cause of death for Americans under age 85, and the second leading cause of death for Americans overall;

Whereas the national investment in cancer research has yielded substantial returns in research advances and lives saved, with a scholarly estimate that every 1 percent decline in cancer mortality saves the United States economy \$500,000,000,000;

Whereas advancements in the understanding of the causes, mechanisms, diagnosis, treatment, and prevention of cancer have led to cures for many types of cancers and have converted other types of cancers into manageable chronic conditions;

Whereas the 5-year survival rate for all cancers has improved during the 30 years prior to the date of approval of this resolution to more than 65 percent, and as of 2011, there are more than 12,000,000 cancer survivors living in the United States;

Whereas partnerships with research scientists and the general public, survivors and patient advocates, philanthropic organizations, industry, and Federal, State, and local governments have led to advanced breakthroughs, early detection tools that have increased survival rates, and a better quality of life for cancer survivors; and

Whereas advances in cancer research have had significant implications for the treatment of other costly diseases such as diabetes, heart disease, Alzheimer's disease, HIV/AIDS, and macular degeneration: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the importance of cancer research and the invaluable contributions of the researchers in the United States and worldwide and who are dedicated to reversing the cancer epidemic;

(2) designates May 2011 as "National Cancer Research Month"; and

(3) supports efforts to make cancer research a national and international priority so that one day the more than 200 diseases known as cancer are eliminated.
