STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. BOXER:

S. 1574. A bill to designate certain Federal lands in San Diego County, California, as wilderness, and for other purposes; to the Committee on Energy and Natural Resources.

Mrs. BOXER. Mr. President, I am proud to introduce the Beauty Mountain and Agua Tibia Wilderness Act of 2011. I am pleased to have worked with Representative DARRELL ISSA on this legislation.

My bill would add 13,635 acres to the Beauty Mountain Wilderness and 7,796 acres to the Agua Tibia Wilderness in northern San Diego County, preserving thousands of acres of natural habitat that are home to golden eagles, mountain lions, and other iconic species. The bill complements the Riverside County wilderness designations in the California Desert and Mountain Heritage Act, which I authored with Representative MARY BONO MACK and which was signed into law in 2009.

In addition to designating new wilderness, my bill would require the Bureau of Land Management to work

with The Conservation Fund to construct new recreational facilities at the Beauty Mountain Wilderness, promoting increased visitor access and enjoyment of this wonderful resource.

The proposed Beauty Mountain Wilderness additions in northern San Diego County serve as a vital biological corridor connecting the Palomar, San Jacinto, and Santa Rosa Mountains. With its captivating rock formations, rich chaparral, oak woodlands, and rolling hills, the name "Beauty Mountain" is only fitting to describe this area. These lands afford visitors many opportunities for recreation. The California Riding and Hiking Trail crosses the area, and during spring, aromas of sage, manzanita, and California lilac delight visitors.

The proposed Agua Tibia Wilderness additions span much of the scenic northern portion of the Palomar Mountain Range in the Cleveland National Forest. The landscape in this area is marked by deep canyons blanketed in coastal sage and chaparral. Seasonal streams wind through canyon valleys lined with willow, oak, and cottonwood trees, providing a cool haven for native species. Stately big cone Douglas firs and other conifers stand tall against the north-facing slopes of the area. The Cutca Trail passes through the wilderness for visitors to enjoy outdoor activities.

Protecting these areas is not only good for the environment, but also good for the economy. The Outdoor Industry Association estimates that outdoor recreation supports more than 400,000 jobs and contributes \$46 billion annually to California's economy. Based on the models of Colorado State University resource economists John Loomis and Robert Richardson, the relatively modest wilderness additions in my bill could generate nearly \$330,000 per year in local revenue.

That is why my bill has earned support from a diverse group of stakeholders, including the Cities of Ocean-side, Perris and Vista; Chambers of Commerce in Canyon Lakes, Lake Elsinore, Murrieta, Oceanside, Temecula, Vista and Wildomar; Off-Road Business Association; American Motorcycle Association District 37 Dual Sport; California Wilderness Coalition; The Wilderness Society; The Conservation Alliance; San Diego Audubon Society; San Diego River Coalition; Friends of the Santa Margarita River; and Sierra Club Santa Margarita Group.

By permanently protecting these natural treasures, we can preserve important habitat and migratory corridors, ensure that future generations can come to visit these places to recreate and revel in their scenic beauty, and help stimulate the local tourism and recreation economy in San Diego County. I look forward to working with my colleagues to enact this legislation.
