RECOGNIZING BLACK ARCHITECT  
JULIAN ABELE AND THE NAMING  
OF ABELE QUAD AT DUKE  
UNIVERSITY

**HON. G.K. BUTTERFIELD**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. BUTTERFIELD. Mr. Speaker, I rise today to recognize the contributions of Mr. Julian Abele, the African American architect of Duke University's original campus, located in Durham, North Carolina.

In recognition of Julian Abele's role at Duke University, a ceremony will be held on Friday, September 30, 2016 to celebrate the naming of the main quadrangle on West Campus as Abele Quad. In 2015, Duke students presented the need to recognize Abele and the Board of Trustees unanimously approved the naming of Abele Quad.

Mr. Speaker, Julian Abele is the youngest of eight children raised in Philadelphia, Pennsylvania. He studied at the University of Pennsylvania, where he became the first African American to graduate from the University's Graduate School of Fine Arts. Following graduation in 1906, Abele was hired as an architect at the firm of American architect Horace Trumbauer. There, Abele became chief designer in 1909. Abele was admitted into the American Institute of Architects in 1942.

Records indicate that Julian Abele provided the guiding vision for Duke's West Campus between 1924 and 1935. He is credited for the design of several well-known buildings on Duke's campus, including Duke Chapel, Cameron Indoor Stadium, and the West Campus quads. In 1988, a portrait of Abele was hung in the lobby of the Allen Building, which was Abele's last creation prior to his death in 1950.

Abele Quad will span the area from the steps leading to the Clock Tower Quad, Davison Quad, and the Chapel Quad—an area that is home to more than thirty buildings and spaces designed by Julian Abele. A marker will be placed at the center of the Quad to inform visitors that every surrounding building is the work of Abele's hand.

It is with great pride that I acknowledge the contributions of Mr. Julian Abele and the naming of Abele Quad on the campus of Duke University. Abele Quad will let everyone who studies, lives, works, and visits Duke's campus be reminded of Mr. Julian Abele, a talented Black architect who played a significant role in the University's creation during the country's darkest days of racial segregation.

TRIBUTE TO EAGLE SCOUT  
BRENNAN T. PLUMMER

**HON. DAVID YOUNG**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Brennan T. Plummer of Council Bluffs, Iowa for achieving the rank of Eagle Scout. Brennan is a member of Boy Scout Troop 249 in Council Bluffs.

The Eagle Scout designation is the highest advancement rank in scouting. Approximately five percent of Boy Scouts earn the Eagle Scout Award. The award is a performance-based achievement with high standards that have been well-maintained over the past century.

To earn the Eagle Scout rank, a Boy Scout is obligated to pass specific tests that are organized by requirements and merit badges, as well as completing an Eagle Project to benefit the community. Brennan's Eagle Project coordinated a work crew at Emanuel Lutheran Church. The work crew constructed a gaga pit for the church. Brennan has held several leadership roles in Troop 249 such as patrol leader, historian, and senior patrol leader. The work ethic Brennan has shown in his Eagle Project, and every other project leading to his Eagle Scout rank, speaks volumes of his commitment to serving a cause greater than himself and assisting his community.

Mr. Speaker, the example set by this young man and his supportive family demonstrates the rewards of hard work, dedication, and perseverance. I am honored to represent Brennan and his family in the United States Congress. I know that all of my colleagues in the U.S. House of Representatives join me in congratulating him on obtaining the Eagle Scout ranking, and I wish him continued success in his future education and career.

COMMEMORATING THE PASSING  
OF PAT GOGERTY

**HON. JIM McDERMOTT**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. McDERMOTT. Mr. Speaker, it is with great admiration that I rise today to honor the memory of my friend Pat Gogerty, who passed away August 26, 2016 at the age of 86. Pat was a pioneer in child welfare advocacy and created Childhaven, a program that changed the lives of countless abused children in Seattle and continues to serve as a national model for therapeutic child abuse programs.

Patrick "Pat" Gogerty was born September 12, 1929 in Oregon and raised in Seattle. Physically abused by his father, and placed in foster care several times, Mr. Gogerty had a natural understanding of the abused children for which he would become an advocate.

After serving in the Army, he became the director of Seattle Day Nursery in 1973 and fully transformed it from a daycare into an effective center for early intervention and therapy. The key tenets of the program continue to this day: three hot meals, an on-site nurse, speech, physical and play therapy, as well as support and education for parents.

With the help of his brother, Seattle Deputy Mayor Bob Gogerty, Pat obtained funding for the program. Mr. Gogerty worked to identify abused children under the age of five. When parents were unable or unwilling to bring them to the center, he arranged for them to be transported to the center in a van. At the time, treating children regardless of parental participation was a revolutionary concept, but Mr. Gogerty proved it effective. In 1979, he commissioned a longitudinal study that found after 10 years, the children from Seattle Day Nursery were found to be significantly less likely to be involved in criminal activity than children from other state programs.

Mr. Gogerty became a master of public relations and Seattle Day Nursery began to receive national attention. Shortly before changing its name to Childhaven, it was the subject of a major article in Life magazine. When funding for the program was threatened in 1985, I stood on the State House floor and read the story featured in the article, a child saved by Childhaven. The boy had broken his arm saving his brother, who had been put in the dryer by their mother as punishment for wetting his pants. Childhaven subsequently retained its funding.

In 1992, The Patrick L. Gogerty branch of Childhaven opened in the city of Auburn, WA. Upon his 1998 retirement, Mr. Gogerty was recognized in a Seattle Times editorial titled "Fighting for Kids Unable to Fight for Themselves."

Mr. Speaker, Mr. Gogerty was an advocate for the defenseless. His legacy will live on in the Childhaven, its renowned model of care and the children whose lives he helped change. His lifetime of kindness and advocacy left an indelible mark on the state of Washington and he will be dearly missed.

IN HONOR OF THE NEW MOUNT  
PLEASANT MISSIONARY BAPTIST  
CHURCH 126TH ANNIVERSARY

**HON. MIKE ROGERS**

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. ROGERS of Alabama. Mr. Speaker, I ask for the House's attention to recognize the 126th Anniversary of the New Mount Pleasant Missionary Baptist Church.

During the early years of the church, services were held in a log building under the leadership of Rev. Tom Williams. Many years have passed since then, and pastors have come and gone. The church has seen more than a century of change and growth. Much of that growth would not have been realized without the leadership of two of the church's most recent pastors, William Jones and Anthony Williams.

In William Jones' 27 years as pastor, his accomplishments were many. Improvements to the church included the additions of a Junior Usher Board and a third Sunday service. Most notably, he was able to secure a property to build a more up-to date church that could better accommodate the recent growth. The dedication service for the new location on County Road 13 was held on November 27, 2005, and is still in use today.

Since 2012, Rev. Anthony Williams has proudly served the church. Taking over where

Jones left off, he continues to improve and grow the church. Pastor Williams added a modern touch, introducing morning devotion via text and email to better keep in contact with the church family. In addition to this, Pastor Williams has implemented more community programs and outreach. The church has an active role in helping to strengthen and improve the community.

In this 126th year of New Mount Pleasant Missionary Baptist Church, progress is still being made for the betterment of the church.

Please join me in congratulating them on their 126th anniversary.

RECOGNIZING HOWARD UNIVERSITY MIDDLE SCHOOL'S COMMITMENT TO STEM EDUCATION

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, today I rise to congratulate the students, parents, and faculty of Howard University Middle School for their commitment to science, technology, engineering, and mathematics enrichment, and for participating in my annual Science and Technology Braintrust.

The teachers at Howard University Middle School are committed to ensuring that our country's youth is exposed to a STEM curriculum, which is paramount to the future of our country. A prevalent theme amongst successful STEM professionals is the curiosity and drive instilled by their teachers at a young age. We must continue to invest in schools that highlight a STEM education, so that all students will have an opportunity to one day be an astrophysicist, doctor, engineer, or a geologist.

Mr. Speaker, Howard University Middle School is a true advocate of STEM education and deserves recognition for its work. With great pride I can say that because of this school's commitment to STEM education, our country's youth is gaining the skills needed to compete in a rapidly globalizing world.

TRIBUTE TO DAVID FULTON

**HON. LUKE MESSER**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. MESSER. Mr. Speaker, I rise today to pay tribute to the life, legacy and accomplishments of David Fulton of Centerville, Indiana. At the age of 73, David passed away surrounded by his loved ones.

A longtime educator and volunteer in Wayne County, David was the fourth chancellor of Indiana University East and recipient of the IU President's Medal for Excellence in honor of his 36-year-long career of service to the university.

Beginning his teaching career at Earlham College in 1971, David was promoted to an assistant professor in history and political science and held several administrative positions before becoming Indiana University East's chancellor in 1995. Fulton is credited with fostering local partnerships in the commu-

nity as well as managing significant campus growth, most notably the construction of Springwood Hall in Richmond, the Connersville Center and the Danielson Learning Center in New Castle. He held this role until his retirement in 2007.

In addition to teaching, David will also be remembered for his devoted volunteer efforts on behalf of the Starr-Gennett Foundation. David joined the nonprofit foundation's board in 1999, served as president from 2001 to 2003, and then worked as treasurer for 13 years before his passing. The organization tirelessly promotes Richmond's musical heritage, and Fulton's involvement at Starr-Gennett mirrored his passion for showcasing Richmond's musical talent nationwide. Specifically, David had a vital role in the development of the Gennett Walk of Fame, honoring artists who recorded at Gennett's local studio. Additionally, he was heavily involved in generating a working partnership between Starr-Gennett and the Archives of Traditional Music at IU Bloomington, digitizing over 600 songs recorded at the studio.

Fulton also served his community in many other capacities, including his membership on the Wayne Bank and Trust, the Planning Group CEO Roundtable of the Richmond Wayne County Chamber of Commerce, the IU Foundation Development Committee, the Board of Historic Landmarks of Indiana and the Greater Richmond Progress Committee. Further, Fulton served on the Community Services Council, Social Services Planning Board, and he was a member of the Reid Hospital and Health Care Services Board from 2001 to 2004.

I thank David for his steadfast commitment to the community, and I know both the residents of Wayne County and the student body of IU East will always be grateful for his selfless contributions.

Today, it is my privilege to honor the life of David Fulton, who is survived by his loving wife Marilyn. My thoughts and prayers go out to David's family, and may God comfort those he left behind with His peace and strength.

RECOGNIZING THE IMPORTANCE OF ADVOCATING FOR THOSE WITH ALZHEIMER'S AND DEMENTIA

**HON. MICHAEL G. FITZPATRICK**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 21, 2016*

Mr. FITZPATRICK. Mr. Speaker, I include in the RECORD the following letter by Michael Ellenbogen.

I am so thankful to be still here. Many of my friends who were living with dementia have died and others are no longer capable of speaking. I am one of the lucky ones. My Alzheimer's is progressing very slowly. While that is good news it is also bad news. I will be forced to endure the worst part of this disease even longer than most. Knowing what I know now that will be like being tortured until I die. While I try to stay positive these days and live life to the fullest, I am in pain every day from the frustration of not being able to be the person I was once. I continue to decline in to a childlike state.

Dementia, including Alzheimer's, is the most expensive disease we face. It is costing us more than heart disease and cancer. It is

the third cause of death in the United States; more than 500,000 people die from Alzheimer's each year! We all get caught up in the big numbers, so I will break them down so they are more relatable.

41,666 is the average monthly death rate;

9,615 is the average weekly death rate;

1,369 is the average daily death rate;

57 is the average hourly death rate.

This is equivalent to almost three 747s crashing every day. Yet there is much neglect and discrimination regarding funding for Alzheimer's and related dementia research.

Preventative measures for breast cancer, heart disease and HIV have all made tremendous progress since the federal government made significant investments into research. Comparable investments must be made for dementia so we can accomplish the same successes, while saving millions of lives and trillions of dollars.

If we don't act now this disease has the potential to bankrupt this county. This is the most expensive disease in America. In 2016 \$236 billion will be spent on Alzheimer's in terms of care and medication, with Medicaid and Medicare spending \$160 billion. And unless you take action, the cost to Medicare alone will increase 365 percent to \$589 billion by 2050.

Our investment today will lead to huge savings for the government and public, not to mention the lives saved. People with dementia are faced with discrimination at many levels and they lose their civil rights. That must change; we are still people and deserve to be treated as such. A person with cancer would never be treated the way we are. We need you to start making more of an effort to educate the public and restore our rights.

A few years ago I would have said I had no hope, but that has changed to 2.5 percent. I do believe we are closer to a cure today based on what has been learned from all the failures. I am so grateful that the budget has been increased to \$991 million, but that is still far short of the two billion dollars that was said was needed years ago.

In my opinion we need a czar for dementia just like Vice President Joe Biden is to cancer and it sure worked for HIV. We are definitely at the tipping point. You have the power to make this happen. Please, I implore the House of Representatives, the Senate and the respective appropriations committees: Make the hard choices; increase funding for Alzheimer's disease by at least one billion dollars. Do everything necessary to ensure that Alzheimer's disease gets the exposure, commitment and funding necessary to change the course of the disease.

If you have not yet been touched by this devastating and debilitating disease it's just a matter of time.

Regards,

MICHAEL ELLENBOGEN,  
(Advocate for all of those living with dementia, who can no longer speak, write, or have passed).

*Wednesday, September 21, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Janet and Robert Kessler on the very special occasion of their 60th wedding anniversary.
