

away at the age of 92 on September 18th, 2016.

Robert, a World War II flight engineer and tailgunner on B-24 bombers, chose to devote his life to education after serving his nation. He received his bachelor's degree from Davidson College and his master's in education administration from William & Mary. His first teaching experience came as a high school teacher in Georgia before he moved north to Virginia to continue his career. His time in education culminated with serving 19 years as the superintendent of schools in Loudoun County.

Coming from a family of educators, I appreciate the invaluable role that educators play in inspiring our students. Robert's long career in education allowed him to touch countless minds and aid them in pursuing their dreams. Furthermore, because of his success as superintendent, his legacy will continue to have an impact on young men and women in Loudoun County for many years to come.

Robert will be sincerely missed by all those who had the pleasure of knowing him both on a personal and a professional level. I know that he has impacted many in his life, and we are all grateful for having known him. He is survived by his wife, Elinor; their daughter, Karen Broaddus, his grandchildren Aaron, Anna, Jessica and Eliza, and his six great-grandchildren.

Mr. Speaker, I ask that my colleagues join me in celebrating the life of, and bidding farewell to, Robert Butt. May he rest in peace, and his family be comforted.

HONORING JUNE BLACK FOR TWENTY YEARS OF SERVICE TO THE HOUSE OF REPRESENTATIVES

HON. NIKI TSONGAS

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Ms. TSONGAS. Mr. Speaker, I rise today to recognize my District Director, June Black, who has been a steadfast member of my district staff for the past nine years.

Tomorrow marks June's 20th year in public service, having spent 9 years working in my office, and 11 years working for Marty Meehan, who previously represented this district.

In 2007, June was nominated by then-Congressman Marty Meehan for the 2007 Congressman John Joseph Moakley Award for Exemplary Public Service, which she won thanks to her years of dedication and service. The award is presented annually to a staff member from the New England congressional delegation "who works steadfastly on behalf of local constituents and significant issues and demonstrates the ideals of public service exemplified by Congressman Moakley himself."

Since she joined my office at the end of 2007, June has served with skill in a variety of roles as a member of my Congressional staff and a dedicated public servant. June joined my staff as regional director and ran my office in Lawrence, Massachusetts, a similar role to the one she held in Rep. Meehan's office. She also served as a guide and mentor to all of the caseworkers and economic development staff in the office. In recognition of her remarkable contributions and the relationships she has developed across the district, June subsequently has taken on the roles of Constituent Services Director and District Director where she has helped to ensure that constituents are well served and that the companies and communities I represent have an accessible federal partner.

June has been key to ensuring that accessibility to the people we represent is a hallmark of my office and that we provide prompt, respectful and excellent service to our constituents. During her tenure, she has overseen a casework operation that has responded to thousands of individual concerns and delivered millions of dollars back to my constituents, and she has played a principal role in helping the communities I represent see their economic development vision realized. She is an effective and knowledgeable federal liaison who helps constituents and communities better navigate and access the wide array of services provided by the federal government.

June is well-known and very well respected in the communities she represents; a reputation that is well earned after two decades of service to this region. That service and experience brings institutional knowledge, awareness and appreciation of the social and economic challenges facing our constituents. It also gives her a unique understanding of how to navigate federal services and long-standing familiarity of many of the district's economic development projects. She has deep and meaningful relationships with key stakeholders and elected officials throughout Essex County in the Northern part of my district and beyond.

As a native of Lawrence, Massachusetts, June's affinity for this region is evident in her commitment to her work and the mutual respect she shares with the constituents and community leaders with whom she interacts. She is someone who has dedicated her career to public service, particularly to having an impact on the city of Lawrence, and helping that city realize its potential.

Every day, June demonstrates a sincere commitment to the constituents of this district as well as to innovative methods of serving her community and our country. I am honored to have her on my staff and appreciate the opportunity to recognize a truly remarkable member of my staff, whose individual achievements are so deserving, on this notable milestone.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Jim Amdor of Corning, Iowa, for being selected as Adams County's 2016 inductee into the Iowa 4-H Hall of Fame.

Jim has been involved with 4-H since becoming a member of the Adams County Jasper Specialists in the 1950s. His family has a long history of volunteering with 4-H and Jim has carried on that family tradition well. He has lent his expertise in livestock to 4-H events by judging and speaking at various county fairs all throughout the state. The commitment that Jim has shown young people involved in 4-H is unparalleled. The entire 4-H organization is lucky to have someone of Jim's caliber inducted into their hall of fame.

Mr. Speaker, Jim's efforts embody the Iowa spirit and I am honored to represent him in the United States Congress. I ask that all of my colleagues in the United States House of Representatives join me in congratulating Jim for his achievements and wish him nothing but continued success.

RECOGNIZING CEDAR HILL COLLEGIATE'S COMMITMENT TO STEM EDUCATION

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, today I rise to congratulate the students, parents, and faculty of Cedar Hill Collegiate for their commitment to science, technology, engineering, and mathematics enrichment, and for participating in my annual Science and Technology Braintrust.

The teachers at Cedar Hill Collegiate are committed to ensuring that our country's youth is exposed to a STEM curriculum, which is paramount to the future of our country. A prevalent theme amongst successful STEM professionals is the curiosity and drive instilled by their teachers at a young age. We must continue to invest in schools that highlight a STEM education, so that all students will have an opportunity to one day be an astrophysicist, doctor, engineer, or a geologist.

Mr. Speaker, Cedar Hill Collegiate is a true advocate of STEM education and deserves recognition for its work. With great pride I can say that because of this school's commitment to STEM education, our country's youth is gaining the skills needed to compete in a rapidly globalizing world.

VOTING RIGHTS

SPEECH OF

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 21, 2016

Ms. LEE. Mr. Speaker, thank you to my friend, Congresswoman SEWELL, for leading this special order and for all her work to empower underrepresented voices in our country.

I also want to thank my good friend and colleague, Assistant Democratic Leader JAMES CLYBURN, for his tireless leadership of the Democratic Outreach and Engagement Task Force. I also want to thank him for coming to my district for the town hall meeting I hosted about voting rights. Under his guidance, the taskforce held forums across the country and heard from thousands of constituents.

Mr. Speaker, it is clear—we need to urgently protect voting rights.

That is why I rise today as a member of the Democratic Outreach and Engagement Task Force to challenge this House to do the right thing and protect the sacred right of Americans to vote.

Last summer, the Voting Rights Act celebrated its 50th anniversary. Tragically, five decades after this monumental legislation was passed, the voting rights of Americans are under unprecedented attack.

After the Supreme Court callously and carelessly gutted the Voting Rights Act in its *Shelby v. Holder* decision, Republicans in state legislatures have fallen over themselves to institute a wave of voting restrictions across the country.

Make no mistake, these restrictions amount to nothing more than a modern day poll tax.

We shouldn't be erecting unnecessary and dangerous barriers to the ballot box. We should empower Americans to participate in our democracy.

Yet, time and time again—this Congress and the Judiciary Committee have refused to take action. Instead of protecting our sacred right to vote, this Congress is allowing that right to be eroded.

Mr. Speaker, the American people deserve better. It's past time for us to do our job.

Right now, there is bipartisan legislation waiting for action. The Voting Rights Amendment Act (H.R. 885) would reinstate the much needed preclearance statute to ensure that infringements on voting rights are addressed long before Election Day. Long before an American is denied their right to vote, a right that millions have fought and died for—from the Revolution to Neshoba County.

Likewise, the Voting Rights Advancement Act (H.R. 2867) also re-establishes the preclearance system and our discharge petition has 181 signatories—I encourage all of my colleagues to sign it and help us protect the voting rights of all Americans.

However, it's past time that we do more. We must empower voters, every day Americans, to have a stronger, more powerful voice in our democracy.

That's why I am so proud to have co-sponsored the Voter Empowerment Act (H.R. 12) offered by the great Civil Rights champion, Congressman JOHN LEWIS. This legislation would empower voters by modernizing voter registration and utilizing new technologies at the ballot box.

Mr. Speaker, it's past time to pass these bills. It's past time to do our jobs.

As our great drum major for peace and justice, Dr. King, once said: "Give us the ballot, and we will fill our legislative halls with men of goodwill."

Mr. Speaker, let's show the American people some goodwill and allow them to vote, unobstructed.

TRIBUTE TO BOBBI AND JIM
WILLIAMS

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Bobbi and

Jim Williams of Greenfield, Iowa, for being selected as Adair County's 2016 inductees into the Iowa 4-H Hall of Fame.

Bobbi Williams began her career in 4-H as a member of the Lee Blue Ribbons, the club her great-grandmother organized. She enjoyed home improvement and food and nutrition projects, but most wanted to show livestock. She joined the boys' 4-H club and began showing Hereford steers at the county and state fair. She was leader of her daughter's club, Adair County Wing Walkers, and was honored as a 4-H Alumna in 2010.

Jim Williams has volunteered with a number of 4-H committees and events throughout the years. He has been especially committed to the youth of Adair County, and has dedicated his time to Adair County 4-H Youth Action Committee. He promotes and supports youth activities by encouraging local businesses and individuals to provide whatever support they can.

Mr. Speaker, Bobbi and Jim Williams' efforts embody the Iowa spirit and I am honored to represent them in the United States Congress. I ask that all of my colleagues in the United States House of Representatives join me in congratulating Bobbi and Jim for their achievements and wish them nothing but continued success.

RECOGNIZING CHILDREN'S HUNGER
FUND ON THEIR 25TH ANNIVERSARY

HON. TONY CÁRDENAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 22, 2016

Mr. CÁRDENAS. Mr. Speaker, I rise to congratulate Children's Hunger Fund on the celebration of their 25th anniversary.

I am proud of what this organization has accomplished over their long tenure of service to our community. Children's Hunger Fund was established in 1991 by president and founder Dave Phillips. Since then, CHF has delivered food and, ultimately, hope to children and families in need in the U.S. and around the world for 25 years.

Children's Hunger Fund located in Sylmar, is in my district in the San Fernando Valley, the neighborhood right next door to Pacoima, where I grew up.

After the Northridge earthquake struck in 1994, Children's Hunger Fund was instrumental in making sure Valley families had blankets and food.

The help provided by Children's Hunger Fund is felt at home and also around the world. In 1998, CHF sent aid to Chernobyl children and boots and blankets to boys in Siberian prisons.

CHF helped victims and families after the attacks on the World Trade Center in New York, and after the 2004 tsunami.

The vision started in the San Fernando Valley has been replicated all around the country. In just 25 years, CHF has built a global network of aid, while never forgetting the need in our local communities.

While I regret not being able to attend in person, I am honored to congratulate Children's Hunger Fund on their 25th Anniversary Celebration this Saturday, September 24, 2016.

I hope they will continue their record of delivering food and hope to children and families in the San Fernando Valley and across the world.

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Ted Benshoof of Winterset, Iowa for being selected as Madison County's 2016 inductee into the Iowa 4-H Hall of Fame. The Iowa 4-H Foundation hosts the 4-H Hall of Fame induction ceremony at the Iowa State Fair each year.

Iowa counties select Hall of Fame inductees for their contributions to the lives of 4-H members and the overall 4-H program. Ted has left a lasting impact on the Madison County 4-H program through his unwavering commitment as a volunteer. On pig weigh-in days at the Madison County 4-H/FFA show, he has been known to go around to each member's home, making sure those who are unable to make it still have the opportunity to weigh-in their entries. His actions are a testament to his
