Our goal was to reach all the people and to keep a universal atmosphere—to create positive energy. All of our songs had that positive energy. To create uplifting music was the objective." Maurice's goal was easily recognized by all who heard and loved his work. President Barack Obama stated, "Only Maurice could make such sophisticated songs so catchy. Only he could inspire generations of such diverse artists. And only he could get everyone—old and young, black and white—to let the groove move them on the dance floor."

Maurice's universal sound was remembered by Flea, bassist for Red Hot Chili Peppers, who said, "In my junior high school, the white kids loved Zeppelin, the black kids loved funk [Parliament Funkadelic], the freaky kids loved Bowie, but everyone loved Earth, Wind & Fire. They were just undeniable. Old people loved 'em, kids loved 'em, every race and economic class loved 'em. They just crossed every line with the power of incredible music and amazing performances." Tributes from artists from all genres include mentions of Maurice as a genius, a king, a masterful artist, a leader and a teacher.

Maurice White passed away on February 3, 2016 in Los Angeles at 74 years of age. He was diagnosed with Parkinson's disease in 1992. The music community has lost one of the greatest musical minds of our time. Maurice White's influence cannot be denied and his contributions are lasting. Maurice White was a true "shining star" and his legacy will shine on for generations to come.

#### RECOGNIZING DOMINION HIGH SCHOOL STUDENTS FOR THEIR DISTRACTED DRIVING CAMPAIGN

#### HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mrs. COMSTOCK. Mr. Speaker, I rise today to recognize three students from Dominion High School who recently led a Distracted Driving Campaign at Dominion High School in Sterling, Virginia. Kirsten Chun, Bryce Griffin, and Joseph Pavich took on this campaign as part of their Creative Marketing Project, which focused on Distracted Driving and Joshua's Hands. Joshua's Hands is a non-profit organization based in the 10th District whose mission focuses on community service and teen safe driving, founded in memory of Joshua Guthrie who died in a car accident. Their mission is to keep roads safe and to educate teens about the consequences of distracted driving. To create a visualization to meet this awareness goal, these students removed 15 students from classes throughout the day and instructed them to dress in black and not interact with their classmates. This exercise served to represent the 15 people that are killed each day due to distracted driving. Ms. Chun, Mr. Griffin, and Mr. Pavich utilized the school announcement system to convey their message, in addition to selling t-shirts which said "Take Action STOP the Distraction." Students at Dominion also took a distracted driving survey in order to gain a better understanding of their peers' views of distracted driving. These students partnered with Chantilly Autobody in addition to Joshua's Hands for their project.

Driving while distracted seems to plague many of our drivers today, and young people are particularly susceptible to this. I am honored to recognize these students today for their mission to educate their peers about the grave consequences of texting while driving. It is my sincere hope that their project will facilitate more awareness in the future about the growing problem of distracted driving so that our community will remain safe.

CONGRATULATING LAURA KRAUS  
ON HER VOLUNTEER WORK WITH  
THE LEARN TO READ PROGRAM

**HON. ANDER CRENSHAW**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mr. CRENSHAW. Mr. Speaker, I rise today to honor Laura Kraus for her outstanding service to her country through her volunteer work with the Learn to Read program.

Since 1975, Laura's volunteer work has exemplified her love for people and her tireless efforts to give back to the community. Her commitment was no secret: the neighborhood held banquets in her honor, television stations recognized her, and even the nation's leaders honored her service. President Barack Obama signed a letter of recognition and Neal Bush presented the Presidential Bronze Medal of Volunteering Service.

Still, she found the most satisfaction seeing the impact from the people she helped themselves. Her work has always extended to those in the greatest need regardless of physical or psychological obstacles. Volunteering with the Arthritis Foundation, Laura spent time with physically disabled members of the community through Horses for Therapy. In addition, victims of domestic abuse in a Hubbard House, a 24-hour hotline and emergency shelter, were touched by her support as well.

Laura began her training with the Learn to Read program as an intern, eager to assist adults and already willing to persist with compassion and patience through the challenges that were to come. Only a year and a half into the work with her first student, the impact that Laura had on her student was not only evident but incredibly touching, particularly for Laura herself.

Anthony was only 23 years old when he became Laura's first student in the Learn to Read program, struggling to read because of a learning disability. Yet Anthony was dedicated to his goal to create a better future and he never failed to be prompt and respectful every session. After a year and three months of the hour and a half routine, he articulated a simple and profound truth representative of the impact Laura's work has had for many: "Miss Laura, you have changed my life."

Mr. Speaker, I ask you and Members of Congress to join me in recognizing Laura Kraus for her tireless dedication to serving each person with the care and opportunities that they deserve as a citizen of this great nation.

HONORING THE NAPA COUNTY  
LIBRARY

**HON. MIKE THOMPSON**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor the Napa County Library (NCL), which is celebrating its 100th anniversary as a county library system.

In 1916, the California State Legislature authorized the creation of free county libraries around the state. As a result, in February of that year, the unincorporated areas of Napa County gained library services when the Napa County Board of Supervisors established the Napa County Free Library.

The NCL offers reading programs for all ages, outreach services, literacy initiatives, job-search and small business resources, information services, computer training, Internet access, and other means of community support and enrichment. More generally, the library enables individuals to make informed decisions about their self-governance by promoting unrestricted access to information and by serving as a community center for lifelong learning. In the last fiscal year, over 18,000 people received technology-related help, while 567,192 individuals visited the NCL. And over 4,000 adults, children and teens participated in the NCL's summer reading program.

The library's importance extends beyond its bookshelves. Basic literacy and computer-proficiency programs have broad and positive effects on local economies, bolstering the capabilities of local workers and businesses. Furthermore, the NCL's myriad child- and employment-focused initiatives help children and adults find, evaluate and use information they need for their jobs, health, education and success.

Mr. Speaker, the NCL is a dynamic civic resource that promotes free and open access to information, while providing valuable materials and services to all members of the community. The Napa County Library continues to benefit its community immensely, and it is fitting and proper that we honor it here today.

HONORING THE LIFE OF MR. DINO  
ANTONIO PETRUCCI

**HON. JIM COSTA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mr. COSTA. Mr. Speaker, I rise today to honor the life and service of Mr. Dino Antonio Petrucci of Madera, California who recently passed away on January 4, 2016, at the age of 85. Mr. Petrucci was a remarkable farmer, teacher, and business owner of Petrucci's catering. His commitment to family and to his community will forever live in lives of the people he touched.

Dino Antonio Petrucci was born to Italian immigrant parents, Vincenzo and Ilide Petrucci, on January 17, 1930. His parents were members of the large Italian community who helped settle and pioneer Madera, California with its rich agricultural history. A life-long resident, he attended Madera schools and enrolled at Cal Poly San Luis Obispo, where he received his bachelor's degree in crop production. In 1951, he married the love of his life, Peggy Hayes, and they would have celebrated 65 years of marriage this March.

As an Agriculture Education instructor, he found joy in teaching and in expanding students' minds by showing them what they were capable of. All in all, Dino spent 40 plus years of his life devoted to Vocational Agriculture and Education. Although he was a fulltime teacher, Dino would spend evenings, and weekends helping his brother Enzo on the family grape farm.

Dino was also passionate about cooking and in 1974, he initiated his catering business, Petrucci's Catering. He expanded and bought the Howard School building and used it to host events. Saturday's were his favorite, because he loved being at the old school house serving barbecue tri tip, chicken and side dishes. His favorite place to be was at the end of the buffet line greeting everyone, and making sure their plates were full. Dino's love for food was so strong he developed his own barbecue sauce, "Petrucci's Secret Sauce" and a dry meat rub that are sold locally.

Civil service and giving back to his community were two other areas of interest to Dino. He was active in The Young Farmers, Lions Club and Italo-American Club of Madera. He served on the boards of the Madera County Farm Bureau, Madera County Food Bank, and Madera Unified School District Board of Education. In 1999, he was honored as the Madera County Senior Farmer of the Year by the Madera Chamber of Commerce.

Without question, Dino's integrity, honor, and long-lasting involvement in the Central Valley made him a reputable man; he was well known, well-liked, and shown enormous appreciation by anyone who had the pleasure of calling him a friend. Dino lived his life to the fullest surrounded by family and friends. He leaves behind his loving family, including his wife, Peggy, his two children, and grandchildren. It is my honor to join his family in celebrating the life of this amazing man, who will never be forgotten.

Mr. Speaker, I ask my colleagues in the House of Representatives to join me in honoring the life of Mr. Dino Antonio Petrucci. We are all better for having known Dino Petrucci, a remarkable Californian, and Central Valley Native.
