IN HONOR OF RILETTA L. CREAM

HON. DONALD NORCROSS

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. NORCROSS. Mr. Speaker, I rise today to honor Mrs. Riletta L. Cream, a woman of strength, character and commitment, on the occasion of her 90th birthday. Mrs. Cream has been a friend, mentor and educator to many individuals in southern New Jersey, including myself, and it only seems fitting that we honor someone who has dedicated herself to public service on the floor of the House of Representatives.

Mrs. Cream was born and raised in Camden City, and after graduating from Glassboro State College, now Rowan University, she was a teacher, supervisor and principal at an elementary school before the Mayor of Camden City recruited her to be the principal at Camden High School.

Mrs. Cream led Camden High through the tumultuous seventies all the way through 1987—serving proudly as a role model to students, teachers and administrators alike.

After retiring from Camden High School, she became an administrator for BPUM, Inc. Day Care Centers and later an Adjunct Professor and Supervisor of Student Teachers at both Rowan and Rutgers Universities.

In 1994, she was appointed to the Board of Chosen Freeholders in the County of Camden, New Jersey. She was reelected to that position four times, shepherding many projects like the Tech 2000 program, which put computers in every classroom and supplied distance learning equipment for students and teachers and expanding the County's Library System. She retired in 2011.

Mrs. Cream created a scholarship program to ensure students in Camden were given the opportunity to continue their education. She is always focused on giving back to her community and her students, even now, long after she retired as an educator.

Mr. Speaker, Mrs. Cream continues to encourage and inspire everyone who knows her and those she continues to meet. I hope that you will all join me in wishing this incredible woman, Mrs. Riletta L. Cream, a wonderful birthday.

H.R. 3590

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. VAN HOLLEN. Mr. Speaker, I rise in opposition to H.R. 3590, which repeals one of the funding mechanisms for the Affordable Care Act (ACA). The nonpartisan Congressional Budget Office has estimated that this bill would add \$33 billion to the nation's deficit.

House Republicans have once again created a double standard, asking Congress to add \$33 billion to the national deficit with unpaid tax cuts while insisting on offsets for public health emergencies like the Zika virus, opioid epidemic, and crisis in Flint, Michigan. H.R. 3590 has made House Republicans' priorities very clear—to dismantle the ACA. This is the latest effort to undermine the ACA, which provides affordable health care to millions of Americans.

I have put forward a proposal to provide tax relief to working Americans with a Paycheck Bonus Tax Credit and updates to the tax code to benefit those who earn their paychecks through hard work instead of those who make money off of money. If Republicans are serious about tax reform to help American workers they would support my proposal to limit tax breaks that encourage corporations to move American jobs overseas. Rather than work on behalf of our constituents who are counting on Congress to pass common sense laws on logical tax reform and to address public health emergencies, House Republicans have chosen to fight old battles by once again introducing legislation which would undermine the ACA.

I oppose this bill and urge my colleagues to vote no.

RECOGNIZING TRISHA PRABHU

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. ROSKAM. Mr. Speaker, today I honor sixteen year old Trisha Prabhu of Naperville, IL for her creative and enterprising efforts to combat teen cyberbullying. Having partnered with entrepreneurs Mark Cuban and Lori Greiner through the hit TV show "Shark Tank", Trisha is expanding her efforts on a national level.

As a thirteen year old, Trisha decided to take a stand when she heard about students younger than herself who committed suicide after experiencing cyberbullying. Drawing on neuroscience research and her own research in school, Trisha created an app designed to warn students when they are about to send a text message that might be hurtful. The app, called ReThink, gives users an opportunity to edit, cancel, or send the message.

After piloting the app in a 1,500-person trial, Trisha found that ReThink resulted in teens changing their messages a stunning 93 percent of the time. Already, the app has been downloaded by thousands of users and has had a significant impact on the community.

With her initiative and clear vision, Trisha models the best in our youth by stepping out to prevent—not just remedy—a serious problem that her own communities face.

Trisha has been featured at the White House Science Fair and as a global finalist at the Google Science Fair and received numerous honors including the International Princess Diana Award and awards from MIT and the George H. W. Bush Foundation.

Mr. Speaker, please join me in recognizing this special occasion as we celebrate the ingenuity and spirit of Trisha Prabhu.

IN RECOGNITION OF THE AMERICAN CANCER SOCIETY OF HANFORD, CALIFORNIA

HON. DAVID G. VALADAO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. VALADAO. Mr. Speaker, I rise today to commend the American Cancer Society of Hanford, California on its twentieth successful Relay For Life event and for raising over \$1,065,000 to date to fight cancer.

More than 5,000 Relay For Life events take place across the world every year. However, Relay For Life has been a staple in Hanford for the past two decades. The twenty-four hour event aims to raise funds to improve cancer survival, decrease the incidence of cancer,

and improve the quality of life for cancer patients and their caretakers.

While events vary by community, Hanford's Relay For Life consists of food, games, and family-friendly activities as well as several meaningful celebrations. The event begins with the Survivors Lap, which honors cancer survivors and celebrates their victory over cancer. During the Luminaria Ceremony, participants remember those lost who lost their battle with cancer as well as those who are still fighting. The final ceremony is the Fight Back Ceremony, which inspires participants to take action in the fight against cancer.

Hanford Relay For Life is completely organized and executed by nearly two hundred volunteers from the local community who, on average, raise over \$120,000 each year. The dedication and compassion each volunteer exhibits is admirable and truly makes the Central Valley a remarkable community.

Mr. Speaker, I ask my colleagues in the United States House of Representatives to join me in commending the American Cancer Society of Hanford and all the volunteers who work to make the Relay For Life event successful each and every year.

HONORING DR. ROBERT ADAMS

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Ms. LEE. Mr. Speaker, I rise today to honor the extraordinary career and legacy of Dr. Robert "Bobby" Adams. A career counselor and administrator, Dr. Adams has made a lasting contribution to the education of generations of college students in Los Angeles and the Bay Area.

Dr. Adams attended Los Angeles City College and Philander Smith College in Little Rock, Arkansas before receiving his bachelor's Degree in psychology from Loyola Marymount University, a Master of Education from the University of Southern California, and a Doctorate in Education Management from Pepperdine University.

After the completion of his education, Dr. Adams worked as a counselor and administrator at Santa Monica College (SMC) for 33 years. He began his professional career at SMC in 1974, serving as a counselor in outreach and the Extended Opportunities Program and Service (EOPS). He also served as Counseling Department Chair from 1981 to 1986, was Dean of Student Life from 1986 to 1996, and Associate Vice President of Student Affairs from 1996 to 1998. Prior to his retirement from SMC in 2007, Dr. Adams served for several years as the Vice President of Student Affairs.

After he left Santa Monica College in 2007, Dr. Adams was hired as the President of Merritt College in Oakland where he served until his retirement in 2012.

While at Merritt College, Dr. Adams established the Maximum Achievement Project (MAP), which was visited and recognized by United States Secretary of Education Arne Duncan. Through the MAP program, Merritt increased its retention and graduation rates for students, with a focus on African American males. MAP students raised their GPA from 1.5 to 3.1 in less than two years.

During his tenure at Merritt, Dr. Adams was also instrumental in building a new \$50 million dollar facility focused on STEM education that I was honored to have named the Barbara Lee Science and Allied Health Center.

On a personal note, Bobby is the epitome of a citizen of the world, who "thinks globally, and acts locally". I had the privilege to travel to Africa with him, and was impressed by his commitment to the education of all students when I saw that soon after we returned he established a partnership to bring African students to study at the Peralta colleges. For that I am truly grateful.

The Santa Monica College Foundation has now established the Dr. Bobby Adams Leadership Award to honor Bobby's lifetime of mentorship and leadership in the education field.

On behalf of California's 13th Congressional District, I join the family and friends of Dr. Adams as we celebrate his career and contributions to the education of countless young people.

HONORING THE LATE JOHN L.
BEISSER OF PENNSYLVANIA

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. PERRY. Mr. Speaker, today I honor John L. Beisser, formerly of Lemoyne, a Pennsylvania Railroad Police Officer who died in the line of duty on October 20, 1916.

On that day, Officer Beisser and fellow Railroad Police Officer Harry Chubb spotted two vagrants attempting to hop a freight train along the Pennsylvania Railroad. As Officer Beisser walked towards the men to ask where they were headed, one of the men fatally shot Officer Beisser and wounded Officer Chubb. The assailant was captured and later convicted for his crime.

Prior to his service with the Pennsylvania Railroad Police, Officer Beisser was a veteran of the Spanish American War. His legacy of service to our community and Nation truly was admirable.

On behalf of Pennsylvania's Fourth Congressional District, we honor John L. Beisser for his selfless service on the 100th anniversary of his death in the line of duty.

HON. ROB WOODALL

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 15, 2016

Mr. WOODALL. Mr. Speaker, November 18, 2016 marks the inaugural event of Gwinnett County's Red, Blue and You celebration. This event honors the brave men and women in our community who have chosen to dedicate their lives to ensuring the safety and wellbeing of others around them.

I stand here today, Mr. Speaker, with the great honor of recognizing these heroic men and women who put their lives in harm's way to keep our communities, families, visitors, and businesses safe.

Each day, Gwinnett's finest put on their uniforms with pride, kiss their loved ones goodbye and head to work not knowing what the day has in store for them.

These dedicated public servants, Mr. Speaker, are the first on the scene when duty calls, and they must make quick decisions in difficult situations and oftentimes with limited information.

That, Mr. Speaker, requires true leadership and genuine zeal to serve others.

The history of our nation, and communities alike, reveals the importance of first responders and their ever-enduring role to serve and protect.

These courageous and selfless men and women work tirelessly and honorably to enforce and uphold the law to ensure that all of Gwinnett's citizens are protected.

Mr. Speaker, it is important to note that these fine men and women of Gwinnett who
