ANNIVERSARY OF THE CHAPEL
HILL SHOOTING

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. ELLISON. Mr. Speaker, today marks one year since three young Americans were killed for their faith.

On February 10th, 2015, Deah Barakat, Yusor Abu-Salha, and Razan Abu-Salha were murdered in Chapel Hill, North Carolina. They were shot and killed because they were Muslim.

Yusor was a graduate of North Carolina State University and planned on enrolling at the UNC Chapel Hill School of Dentistry, where her husband, Deah, was studying to become a dentist. Razan, Yusor's sister, was a student at NCSU as well. She was only 19 years old.

These murders break my heart. They should be heartbreaking to every American.

The tragedy in Chapel Hill shows us the stark reality of anti-Muslim bigotry: hate speech and scapegoating has real life consequences. Children are bullied in schools, houses of worship are vandalized, and people are killed for the way they dress or how they pray.

Candidates for public office, public officials, and leaders are spewing hatred against American Muslims, calling for Muslim refugees to be banned from entering the country, or for Muslims living here—including some that were born and raised as American—should carry ID cards or register their names in a database. This type of rhetoric is why our young children are afraid to go to school and why people are being killed because of how they look or how they pray.

After the murder, some people in the press argued that it was over a parking dispute. I'm reminded of what Deah's brother, Farris, said:

"I can only accept Deah, Yusor, and Razan's murders as being over a parking dispute, if Rosa Parks's struggle was over a bus seat."

HONORING THE LIFE AND LEGACY
OF BUNNY STEINMAN

HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. MURPHY of Florida. Mr. Speaker, I rise today to honor the life and legacy of Bunny Steinman. Bunny was a unique and wonderful soul. Hardworking, fierce, and warm-hearted, she was a pillar of the Florida Democratic Party. Her energy was contagious and if I had to pick one word to describe her, I think "sparkplug" would be most fitting.

She wanted all Democrats to work hard—and led by being an outstanding example, with strength and a big heart. And those who worked with her like I did knew that she would never hesitate to let someone know if she saw them slacking. She pushed everyone to do their best out of love—because she knew that's what our party deserved.

We are all going to miss her—not just her leadership in our party, but also her spirit that encouraged us all to do more for our community and our party. Her contributions to creating a better world for others will last forever.

Bunny took so many people under her wing, and I am honored to be one of them. And it is through all of us that her memory lives on. Our community, the state of Florida, and our nation are better because of Bunny, as are the lives of countless individuals who knew her. I know that is true for me. I would not be where I am or who I am today without her support.

Mr. Speaker, Bunny was a patriot who loved our country, and I was proud to call her my friend. Bunny, may the road rise up to meet you. You will be missed.

LARGER THAN LIFE IN MEMORY
OF JUSTICE ANTONIN SCALIA

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. SESSIONS. Mr. Speaker, I rise today in memory and in sorrow of the passing of Justice Antonin Scalia, who was truly larger than life. He will go down in history as one of America's greatest Supreme Court Justices. He was a champion for freedom and the Constitution, a great family man and a devout man of faith. I submit this poem penned in his honor by Albert Carey Caswell.

Larger,
larger than life
America's son,
oh so very bright
Antonin,
for all of America you held the night
As you stood with all of our best in America's light
Same as all of our Forefathers in sight
Who shone in liberty's sheen so very bright
Of something which gleams into the night

Of this our most beloved document seen of
this sight

Who'd the United States Constitution recite
Which built this country,
not out of luck or by circumstance
But by the bedrock upon which all of us have
advanced

The very foundation upon which all of our
freedoms so stand

Of such consequence through the decades
which commands

To whether all of the storms,
and battle all of tyranny in all of its forms
For no other Nation in this entire world,
has had such freedoms upon its citizens unfurled

For you Justice Scalia,
were but the guardian for all of our children
and their future world

And even your detractors knew you were
larger than life,
while upon you their arguments they hurled
As you stood there with sword in hand
With your pen, your wit, your charm, and
your mind to take command

All so freedom could stand
For you had the gift,
of all of your opponents respect and love as
so was this

If only we had more men like you in this
world,

who against such divisiveness could rise
above like a pearl,

then we'd have such the bliss

And your greatest love of all,
was that of your magnificent family we saw
Of what you left behind,

to spread out through time
Your seeds of love to remind,
that the gift of love and life are oh so very
divine

And just like our Forefathers you were a
true man of God

For the freedom to worship they stepped
upon this very sod

No other country across the world,
has so been formed out of God
And your two greatest reads,
The Bible and The Constitution brought to
your soul such glee

To arm you in the battle for all you would
need

Now Marshall and all of the greats,
have another equal for history to so con-
template

Brilliant, Brilliant, Brilliant you were my
son in so many ways

Your written opinions and quest for justice,
disarmed all of those arguments and held
them at bay

Indeed it's a very sad day

For America's loss,
comes at such a high cost
Because such men like you Antonin are larg-
er than life,

and keep all of our freedom's burning bright
As our world just got little bit darker this
night

We pray that America too will follow your
light

Supreme,
at the top,
as into the future upon lips of lawyers and
law students,

your name shall never stop

Rest

Rest my son

Rise up to heaven Antonin where you so be-
long

As an Angel in The Army of our Lord so very
strong

To watch over us you American song

And larger than life,

and your memory will ever live on

God Bless you America's son,

as you did her the day you were born

Amén

A MEMORIAL TRIBUTE TO
BARBARA SYKES

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mr. SCHIFF. Mr. Speaker, I rise today to honor the memory of Barbara Sykes, of Burbank, California, an accomplished volunteer and community leader who passed away on Thursday, February 11, 2016.

Born in 1960, Barbara grew up in Toluca Lake, California. Barbara married Dave Golonski and they raised their three children in Burbank, where she and her husband became deeply involved in their community.

Barbara was active in various charitable organizations, before, during and after Dave's service on the Burbank City Council. Generous with their time and resources, Barbara and Dave frequently hosted events at their home for several organizations that raised money for both local causes and others in need—I always looked forward to their annual holiday party that benefitted the Burbank Coordinating Council, Five Acres, the El Faro and Hacienda Orphanages of Tijuana, Mexico and the Kids International Foundation, of which Barbara was a founding member.

Ms. Sykes had a passion for charities that benefitted children, and to that end, she was a founding board member of the Boys & Girls Club of Burbank and the Greater East Valley, an organization that she was steadfastly dedicated to and active in for over twenty years. Ms. Sykes was a longtime volunteer with the Family Service Agency of Burbank and the Burbank Coordinating Council, where she served as one of the key organizers for their holiday basket program, and created the council's "Coins for Campers" program. In addition, Barbara raised funds for the Condor Squadron, founded by her father, Richard T. Sykes, a local organization of aviation enthusiasts which flies World War II and other military airplanes in formation over veterans' events, memorial ceremonies and parades throughout the region.

Barbara is survived by her mother, JoAnn Sykes, husband, Dave Golonski, children, Randi, Russell and John, son-in-law, Nathan Lowery, grandchildren, Grant and JoAnn, and her brothers and sisters, Edmond, Jeanne, Carol, Gene, Richard, John and Mary.

Barbara is an irreplaceable member of the Burbank community, and her loss will be deeply felt by the many people whose lives she touched. I ask all Members to join me in remembering one of Burbank's most beloved citizens, Barbara Sykes.

HON. EARL L. "BUDDY" CARTER

Tuesday, February 23, 2016

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize former mayor of Hinesville, James Thomas, Jr., for his exceptional job as mayor as well as his endless support for our nation's military.

Elected mayor in 2007, Mr. Thomas has dedicated his life to public service. RECOGNIZING DR. SUSAN GORDON

HON. NITA M. LOWEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, February 23, 2016

Mrs. LOWEY. Mr. Speaker, I rise today to recognize Dr. Susan Gordon, a nationally recognized pediatrician, teacher, and equal rights advocate from Pomona, New York, who passed away January 25.

Dr. Gordon opened her pediatric office in Haverstraw, New York after graduating from Howard University College of Medicine in Washington, D.C. In 1958 she started a 25-year career as an associate professor of pediatrics, first at New York Medical College and then at Columbia University's College of Physicians and Surgeons. Dr. Gordon served as a

member of the National Panel on the Measurement of the Program Effects of Head Start and a member of the Board of Trustees of Nyack Hospital. Dr. Gordon was also a member and past president of the board at the Lexington School for the Deaf, and the School's Health Center was named in her honor.

Dr. Gordon and her husband, Dr. Edmund W. Gordon, were champions for equal educational opportunity, working with a small group of concerned citizens in the late 50's and 60's to integrate the schools in the East Ramapo Central School District. Dr. Gordon was very active in the PTA and later was elected a member of the East Ramapo Central School District Board of Education, where she was elected and served as President for three years. The Drs. Gordon combined their medical and educational knowledge and talents to found the Harriet Tubman Child Health and Guidance Clinic in Harlem in the 1950's, and helped establish the Psycho-Educational Diagnostic Clinic for children at Columbia Presbyterian Medical Center (referred to as the Ambulatory Pediatrics Division).

In addition to her work in medicine and education, Dr. Gordon devoted her time and talents to serving the Rockland County community, and her accomplishments brought her well-deserved recognition. Dr. Gordon was a long-standing board member and served as President of the Martin Luther King Multi-Purpose Center Board of Trustees, and on January 22, 2000, the classrooms and computer center at the Martin Luther King Multi-Purpose Center were dedicated as the Susan G. Gordon, M.D. Education Corridor. She was also one of three women recognized at the African American Chamber of Commerce of Westchester & Rockland Counties, Inc.'s 2000 Women's History Month luncheon. Dr. Gordon was the recipient of the 1999 "Children's Champion Award," given by the Early Child Consortium of Rockland County, and in 2006 was inducted, along with her husband, into the Rockland County Civil Rights Hall of Fame.

Most recently, the Drs. Gordon founded Gordon and Gordon Associates in Human Development, and their children established the CEJES Institute and Library in Pomona to continue their parents' life work in the promotion of social justice, particularly as it pertains to health, education, and the environmental and material well being of marginalized communities.

Mr. Speaker, I am proud to recognize the many outstanding accomplishments of my constituent, Dr. Susan Gordon. I urge my colleagues to join me in honoring her exceptional life.
