HONORING THE LIFE OF RUSSELL  
J. BRODE

**HON. TIM RYAN**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. RYAN of Ohio. Mr. Speaker, I rise today to honor the life of Russell J. Brode, 80, who passed away on February 19, 2016. He was born on April 11, 1935 in Ravenna, Ohio, a son of Ralph and Beulah Brode.

Russell had a career with Ohio Bell and AT&T for forty years. He was also a member of the Ravenna Volunteer Fire Department. Russell was a great patriot and proudly served the Naval Reserve Seabee Construction Force from 1951–1959. Russell loved his family. He had a warm heart and was always willing to help others.

The Reverend Deacon Russell Brode was ordained as a Permanent Deacon for the Diocese of Youngstown in 1995. From that point on, he served as a Deacon for the Immaculate Conception Parish in Ravenna, Ohio. Deacon Brode also shared his faith through his active service in the prison ministry at the Trumbull Correctional Institute. In addition to faith and family, Russ was dedicated to supporting the youth of the Ravenna area. He was a founder of the Portage, Stark and Summit County youth wrestling program, as well as an OHSAA wrestling official, and coached many different youth basketball and baseball teams over the years.

Russell will be deeply missed by his family. He leaves behind his wife of sixty years, Sandra (Winkler) Brode. Together, Russell and Sandra raised seven children, Kathleen (John) McHugh, David, Dennis, Robert (Liz), Russell, Kim Paull, and Linda (Robert) Corcoran. Russell also leaves behind his sister, Dolores (David) Middleton; twenty-three grandchildren; twenty-three great-grandchildren, many nieces and nephews, and countless friends.

It can be difficult to cope with a loss of such a great person as Russell, but we can all take comfort in the fact that he led a long and fulfilling life.

TRIBUTE TO THE COMMUNITY  
COLLEGES OF IOWA

**HON. DAVID LOEBSACK**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. LOEBSACK. Mr. Speaker, Mr. YOUNG and I rise today to recognize and congratulate the community colleges of Iowa for 50 years of outstanding service to the state. The community colleges of Iowa have expanded to become our largest provider of postsecondary education.

On June 7, 1965, Iowa Governor Harold Hughes signed the first bill into law allowing for the opening and operation of community colleges in the state of Iowa. The following institutions were officially designated the next year: Northeast Iowa, North Iowa Area, Iowa Lakes, Northwest Iowa, Iowa Central, Iowa Valley, Hawkeye, Eastern Iowa, Kirkwood, Des Moines Area, Western Iowa Tech, Iowa Western, Southwestern, Indian Hills, and Southeast Iowa.

These fine institutions now provide accessible and affordable education, not only to Iowans, but to students across the country and the world. Their offerings include a wide-ranging, diverse curriculum that serves Iowa's specific workforce needs, including Iowa businesses competing in a global market. Iowa businesses in need of highly trained, specialized workers turn to our community colleges to fill the new, high-paying, high-skilled positions of tomorrow.

Mr. Speaker, it is our honor to represent Iowa's community colleges in the United States Congress and it is with great pride that we recognize them today. We ask that our colleagues in the United States House of Representatives join us in congratulating Iowa's community colleges on celebrating their 50th year and for providing a high quality, affordable education for all Iowans. We wish them nothing but continued success in the years to come.

RECOGNIZING THE 69TH COM-  
MEMORATION OF TAIWAN'S "2-28  
MASSACRE"

**HON. SCOTT GARRETT**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. GARRETT. Mr. Speaker, I rise today to observe the 69th commemoration of Taiwan's "2-28 Massacre."

On February 28, 1947, the brutal arrest of a female civilian in Taipei led to large-scale protests by the native Taiwanese against the Chinese Nationalist government.

During the following days, government troops arrived from mainland China. These soldiers began capturing and executing leading Taiwanese lawyers, doctors, students, and other citizens. It is estimated that between 10,000 and 30,000 people lost their lives dur-

ing the turmoil. Throughout the following four decades, Taiwan remained under martial law that lasted until 1987.

The "2-28" Massacre had far-reaching implications. The Taiwanese democracy movement that grew out of the incident helped pave the way for Taiwan's momentous transformation from living under a dictatorship to a thriving democracy.

I urge other Members to join me in commemorating this important historical event.

HONORING MRS. SADIE MAE  
LUSTER ROYALL

**HON. JEB HENSARLING**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. HENSARLING. Mr. Speaker, today I am humbled to honor Mrs. Sadie Mae Luster Royall—a remarkable lady who resided in Henderson County, Texas.

As we celebrate "Black History Month," it is important that we take time to recognize African-Americans who made remarkable contributions to their family and community. "Mama Sadie," as she was affectionately referred to by those who knew her, was truly one of those people.

Mrs. Royall always had high aspirations and dreams. It was her desire to help and care for people in their time of need that led her to put herself through, what was then, Henderson County Junior College. After becoming a Licensed Vocational Nurse, Mrs. Royall became the first African-American nurse to work for the Henderson County Memorial Hospital in Athens, Texas. For an extraordinary 42 years, "Mama Sadie" cared for and comforted countless patients and their families, and was known for her incredible work ethic. Though it was her desire to make an impression on her daughters that drove her, there is no doubt this remarkable woman made an indelible impact on her community as well.

Mrs. Royall—who sadly passed away on December 3, 2015 at the age of 90—was a life-long resident of Athens, Texas. She married her beloved husband, Robert Lee Royall, on September 4, 1941. They were blessed with four daughters—Mary Royall, Betty Allen, Bobbie Royall, and Alice Lynch—and six grandchildren—Terry Royall, Russell Allen, D'Undra Wasson, Marcus Royall, Chris Lynch, and Kevin Lynch.

It is truly an honor to represent remarkable individuals like Mrs. Sadie Royall. There is no doubt that her legacy lives on through her family and in the community she loved and served.

ROCHESTER INSTITUTE OF TECH-  
NOLOGY'S GRAVITATIONAL  
WAVE DISCOVERY

**HON. LOUISE MCINTOSH SLAUGHTER**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Ms. SLAUGHTER. Mr. Speaker, two weeks ago, our understanding of the universe leapt forward when gravitational waves were first detected. I rise today to recognize that

achievement and honor six researchers from the Rochester Institute of Technology (RIT) who were part of one of the most significant scientific discoveries in a century.

While hundreds of scientists worked together to make this discovery, I am especially proud of the researchers from RIT—James Healy, Jacob Lang, Carlos Lousto, Richard O'Shaughnessy, John Whelan, and Zhang Yuanhao. All of these researchers are members of RIT's Center for Computational Relativity and Gravitation, which is led by Manuela Campanelli. Her team was one of the first groups to initially solve Albert Einstein's strong field equations describing black hole mergers. Because of this legacy, it is fitting that the recent discovery helps further confirm Einstein's general theory of relativity.

As the only microbiologist in Congress, I know that every scientist hopes to have their predictions verified by direct observation. I also know that this is relatively rare, so I stand in awe of this RIT team that accurately modeled the merger of two black holes and predicted the gravitational waves that were detected. This monumental achievement marks yet another chapter in Rochester's rich history as a center of scientific innovation and discovery.

Rochester has helped pioneer important research and develop innovative products such as the Kodak Brownie camera, the Norden bombsight, and myriad high-powered lasers. Established in 1829, RIT has not only played a critical role in Rochester's past, it continues to ensure that Rochester remains a global center of excellence. RIT makes invaluable scientific contributions to the research community, but it is also a cornerstone of the Rochester community and helps provide local businesses with the talent they need to flourish.

Perhaps one of the most exciting aspects of this discovery is that it allows us to pose new questions and push the bounds of our collective knowledge. There's no doubt in my mind that RIT will play an essential role in these forthcoming discoveries, and I am proud that millions of people will continue learning about the world around us thanks to the contributions of researchers like Dr. Campanelli and the other members of her team.

Mr. Speaker, I ask my colleagues to join me in applauding all of the individuals who helped contribute to this monumental discovery and especially the six researchers from RIT. These Rochesterians have helped fundamentally change our understanding of the world, and I am proud to support their work in Congress.

RECOGNIZING THE 70TH  
ANNIVERSARY OF VFW POST 5277

**HON. DANIEL WEBSTER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. WEBSTER of Florida. Mr. Speaker, this year, the Veterans of Foreign Wars (VFW) Post 5277, William Alfred Suggs Memorial Post in Clermont, Florida, celebrates 70 years of service to veterans and their families.

The Veterans of Foreign Wars (VFW) is a strong advocate for veterans ensuring they receive their earned entitlements and the care they deserve. The history of the VFW dates back to 1899 when veterans of the Spanish-

American War and the Philippine Insurrection founded organizations to assist wounded and sick veterans with securing benefits as there was no medical care or veterans' pension. Some of these veterans collaborated and started organizations which would be known as the VFW. The first chapters, founded in Ohio, Colorado, and Pennsylvania, quickly expanded reaching over 5,000 members by 1915; by 1936, membership had grown to nearly 200,000.

The VFW was an instrumental voice in the establishment of the Department of Veterans Affairs, GI Bill for the 20th century, national cemetery system, and compensation for Vietnam veterans exposed to Agent Orange and veterans diagnosed with Gulf War Syndrome. The VFW championed the 21st century GI Bill, passed in 2008, providing educational benefits to active-duty service members, and members of the Guard and Reserves.

It is my distinct pleasure to commend the VFW Post 5277 on their 70th anniversary, and I join the VFW in expressing appreciation for our veterans and those currently serving in the United States military.

COL. WILLIAM BARRETT TRAVIS  
LETTER

**HON. TED POE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. POE of Texas. Mr. Speaker, I submit the following letter:

COL. WILLIAM BARRETT TRAVIS LETTER  
FEBRUARY 24, 1836

There are those in history that paid for our freedoms with their lives. In 1836 Texas was fighting for its independence from the dictator of Mexico, Santa Anna. A small band of 180 patriots from numerous nations and states, of several races, stood defiant at the Alamo (in now San Antonio,) from Santa Anna's enormous invading army. The leader of the Texian patriots was a 27 year old lawyer from South Carolina by the name of William Barrett Travis. Surrounded by the enemy, Travis penned his famous letter seeking aid for the defense of liberty. It was 180 years ago:

BEJAR, FEBY. 24TH. 1836

COMMANDANCY OF THE ALAMO,

TO THE PEOPLE OF TEXAS & ALL AMERICANS IN THE WORLD—FELLOW CITIZENS & COMPATRIOTS—I am besieged, by a thousand or more of the Mexicans under Santa Anna—I have sustained a continual Bombardment & cannonade for 24 hours & have not lost a man—The enemy has demanded a surrender at discretion, otherwise, the garrison are to be put to the sword, if the fort is taken—I have answered the demand with a cannon shot, & our flag still waves proudly from the walls—I shall never surrender or retreat.

Then, I call on you in the name of Liberty, of patriotism & everything dear to the American character, to come to our aid, with all dispatch. The enemy is receiving reinforcements daily and will no doubt increase to three or four thousand in four or five days.

If this call is neglected, I am determined to sustain myself as long as possible & die like a soldier who never forgets what is due to his own honor & that of his country—Victory or Death.

WILLIAM BARRETT TRAVIS,

*Lt. Col. Comdt, The Alamo.*

Mr. Speaker, Col. Travis and his Texians all died defending our freedom at the Alamo.

Sixty days later General Sam Houston and his Texians defeated Santa Anna in the marshy plains of San Jacinto, winning independence from Mexico, once and for all. Travis's letter is a remarkable and inspirational statement for freedom and the spirit of liberty. Col. Travis is one reason my oldest grandson is named "Barrett Houston."

And that is just the way it is.

IN RECOGNITION OF DAVID  
BIEGLER

**HON. PETE SESSIONS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 25, 2016*

Mr. SESSIONS. Mr. Speaker, I rise today to recognize the work of an outstanding Texan, David Biegler, as he completes his distinguished work as the long-term Chairman of the Board for Children's Health System of Texas (CHST). While serving as Chairman for Children's Health System of Texas, Mr. Biegler served as Chairman of the Board of Directors of Southcross Energy since 2011 and has more than 47 years of experience within the energy industry.

Children's Health Systems of Texas' original location is in Dallas and has now grown to include the more than 30 other specialty and pediatric care centers located throughout North Texas. Children's Health Systems of Texas remains the seventh largest pediatric health care provider in the country—with more than 850,000 patient encounters annually and performing more than 28,600 surgeries at its two full-service campuses in Dallas and Plano. Children's Health is the only academic healthcare system in the Dallas-Fort Worth area dedicated solely to the comprehensive care of children from birth to age 18. Children's Health has also been recognized as (1) one of the most connected hospitals in the nation for its excellence in patient safety, patient engagement and clinical connectedness; (2) one of only six STS three-star designations for congenital heart surgery; (3) a Level IV Neonatal Intensive Care Unit—the highest qualification for such programs; and (4) a Level 1 Trauma Center for pediatric care.

I have seen the power of Children's Health System of Texas as both a Member of Congress and as the father of a patient. Our region is blessed to have the resources and expertise of CHST medical professionals and staff available to meet the needs of our children. So much of the CHST success story is due to the involved engagement of civil leaders like David Biegler. Together, those leaders have ensured the children of our region would never have to leave home to have the best possible medical care.

I have personally had the opportunity to work with Mr. Biegler over the years in Dallas on a number of issues important to our community, region and state. Besides serving as the Chairman of the Board at CHST, David has served as a director of Southwest Airlines Co. and Trinity Industries, Inc. David has also been recognized as an outstanding board member of CHST time and time again. In 2015 alone, he was recognized by the Texas Healthcare Trustees as an outstanding board member and by the Dallas-Fort Worth Hospital Council with the Kerney Laday, Sr. Trustee of
