HONORING MS. MONICA  
ROSENTHAL

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Monica Rosenthal, whom I have named Woman of the Year in Lake County, California. In her two decades living in Middletown, California, Ms. Rosenthal has dedicated countless hours to community service, even while running a successful business.

Born in Hawaii and raised in towns across the country, Ms. Rosenthal settled in California after meeting her husband Dave. Together, Monica and Dave manage their 40 acre vineyard in Lake County. Beyond her business experience, Ms. Rosenthal invests her time and resources to improve the lives of her neighbors.

No stranger to organizing her neighbors in support of a cause, Ms. Rosenthal has served on two Save the Lake campaigns and assisted her community with recovery efforts after the Valley Fire devastated the southern portion of Lake County. Ms. Rosenthal drew on her experience as a small business owner and a community servant to plan a successful Economic Outlook and Forecast event in December 2015, which brought together government, business, education, and healthcare leaders to stimulate the economic recovery process.

Ms. Rosenthal has supported a wide range of both local environmental and social programs. She represented District 1 on the Lake County Planning Commission from 2007 to 2009, and, for the past five years, has represented District 1 on the Lake County Farm Bureau, lending her practical expertise to County leadership. Additionally, she supports foster youth and senior programs such as Redwood Children's Services and the Middletown Senior Center.

Mr. Speaker, Monica Rosenthal is a key part of the Lake County community and we thank her for her dedication to community service and her active participation in social programs. For this reason, it is fitting and proper that we honor her here today.

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mr. MESSER. Mr. Speaker, I rise today to honor Columbus North High School on its 2016 IHSA state championship in girls' gymnastics.

The Bull Dogs faced off against two-time defending champion Valparaiso High School on March 12th at Ball State University's Worthen Arena. During their tenth straight appearance at the state meet, the team made their mark by breaking the state record for total points and beating the runner-up Valparaiso Vikings 114.850 to 113.250. In fact, three of Columbus North's female gymnasts placed in the top five performances in Saturday's meet and Senior Katrina May was notably awarded the Mildred M. Ball Mental Attitude Award.

I am proud of these young women for not only their remarkable win, but also for the Hoosier sportsmanship that they displayed throughout their undefeated season. I want to commend Coaches Sandy Freshour and Bob Arthur as well as all of the assistant coaches who led these young women through this historic victory.

Congrats, Bull Dogs, on a perfect season.

THE LITTLE SISTERS OF THE  
POOR VS. THE FEDERAL GOV-  
ERNMENT

HON. WALTER B. JONES

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mr. JONES. Mr. Speaker, I speak today in defense of the Little Sisters of the Poor in their stand for religious liberty in America. Next week, the Supreme Court will hear oral arguments in the case between the Little Sisters of the Poor and the federal government. The Little Sisters' ministry is to care for the elderly poor all over the world. The Little Sisters here

in the United States run a nonprofit to take care of America's elderly poor. They are now fighting the federal government in order to be able to preserve their ministry.

The federal government's argument is this: The Little Sisters of the Poor must violate the tenets of their Catholic faith and authorize their third-party health care administrators to provide contraception, sterilization, and abortifacients to recipients of their health insurance. Never mind that the government has granted complete exemptions of this mandate to massive, secular companies such as Exxon and Pepsi. The government would rather force the Little Sisters of the Poor to reject their sincere and righteous religious beliefs than grant them a full exemption like larger, secular companies have received. The government would rather force the Little Sisters out into the streets when they can't pay the oppressive fines if they don't comply with this unjust mandate. It's morally disgusting, and it's insulting to any lover of freedom.

I urge my colleagues to pray with me that the Supreme Court upholds religious freedom in America and sides with the Little Sisters of the Poor.

He has a deep understanding of legislative and regulatory issues facing credit unions across the country. I am confident that his expertise and years of experience will benefit the NAFCU Board and local credit unions for years to come.

Mr. Grinnell has lived in the Corning community for 18 years, where he and his wife Melissa have raised their three children. Mr. Grinnell's commitment to our community is evident by his leadership on the Southern Tier Economic Growth Board of Directors and the Chemung County Chamber of Commerce Board of Directors.

CONGRATULATING THE CARMEL HIGH SCHOOL GIRLS SWIM TEAM ON THEIR NATIONAL RECORD BREAKING 30TH STATE CHAMPIONSHIP WIN

**HON. SUSAN W. BROOKS**

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to congratulate the Carmel High School Girls Swim team for winning the 2015–2016 Girls Swimming State Championship title. Last year, I was proud to honor this team for their 29th consecutive state championship title, which tied the national record for the most consecutive state championship wins in any sport. This year's win is even more momentous, as it marks their 30th consecutive state title and broke the national record for most consecutive state championship wins in any high school sport.

This tremendous national record breaking win has been 30 years in the making. This state championship concluded the Greyhounds' already impressive season, and marked the teams' place in history as the best sports program in our nation's history. The Lady Greyhounds won 9 out of 11 events at the State Championship for a total of 438 points, far overshadowing the second-place team, which finished with 193.5 points. In accomplishing their 30th state title, there were other notable individual achievements. Senior Veronica Burchill broke her own state record in the 100-yard butterfly event, which she set at last year's state championship. Senior Claire Adams won the 100-yard backstroke, making her the first woman to win the 100-yard backstroke all four years of her high school career and the first swimmer in Indiana history to win 16 state titles (4 team championships and 12 individual). Claire also took home the Mental Attitude Award.

Throughout the years, the Lady Greyhounds have demonstrated incredible dedication to their sport—training year-round and putting in countless hours in the pool and the weight room. They have been supported by their committed parents, coaches, and trainers, and led by head coach Chris Plumb. Coach Plumb has been coaching the Lady Greyhounds since 2006, leading them to 10 of their last 30 consecutive titles. He works tirelessly to inspire, teach, and motivate his swimmers to dream big and reach their goals. High school sports are a special experience. They teach discipline, build character, and allow young men and women to have experiences they will remember for a lifetime. This team exemplifies the wonderful attributes that high school sports teach, and I am proud to represent such a hardworking and highly regarded group of young women and coaches.

The Greyhounds' 30th state championship title is momentous for each and every member of the Carmel High School swim team, both past and present. This team has been building a legacy for decades and I am thrilled that the current coaches and swimmers and all those that came before them are able to see this legacy come to fruition. I look forward to cheering the team on through another great season next year.

INTRODUCTION OF WOMEN AND MINORITIES IN STEM BOOSTER ACT

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, today I rise to introduce the Women and Minorities in STEM Booster Act—important legislation to address the troubling underrepresentation of these groups in growing career fields.

Companies that harness America's advantages in science and technology continue to grow and create high-paying jobs, yet the pipelines for these careers often leave out women and under-represented minorities. Indeed, according to the American Community Survey, women make up half of the workforce but hold only 26 percent of STEM-related jobs.

The STEM Booster Act tackles this disparity head-on through efforts to include women and minorities in the STEM workforce. The bill authorizes a competitive grant program so that professional organizations, universities, non-profits, and others can develop innovative programs to foster interest and participation in these subjects among young women and minorities.

Studies have shown that women and minorities have just as much interest in science and math as other students, but are much less likely to declare a STEM major or complete a degree in one of these subjects. Mentoring programs, internships, and outreach efforts can help to ensure that these students can translate an interest in STEM into a degree and a career.

I want to thank Sen. HIRONO for her partnership on this issue, and urge my colleagues to support this important effort.

**HONORING JEFFREY ALAN  
MACKAY, JR.**

**HON. SAM GRAVES**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize Jeffrey Alan Mackey, Jr. Jeffrey is a very special young man who has exemplified the finest qualities of citizenship and leadership by taking an active part in the Boy Scouts of America, Troop 1309, and earning the most prestigious award of Eagle Scout.

Jeffrey has been very active with his troop, participating in many scout activities. Over the many years Jeffrey has been involved with scouting, he has not only earned numerous merit badges, but also the respect of his family, peers, and community. Most notably, Jeffrey has earned the rank of Firebuilder in the Tribe of Mic-O-Say and become a Brotherhood Member of the Order of the Arrow. Jeffrey has also contributed to his community through his Eagle Scout project. Jeffrey coordinated the reconstruction of a large retaining wall in the resident's courtyard at the Excelsior Springs Convalescent Center in Excelsior Springs, Missouri.

Mr. Speaker, I proudly ask you to join me in commending Jeffrey Alan Mackey, Jr., for his

accomplishments with the Boy Scouts of America and for his efforts put forth in achieving the highest distinction of Eagle Scout.

**HONORING DR. QUENTIN YOUNG'S  
LIFE AND LEGACY**

**HON. JANICE D. SCHAKOWSKY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 17, 2016*

Ms. SCHAKOWSKY. Mr. Speaker, I rise today to remember my mentor and precious friend Dr. Quentin Young, who passed away last week.

Cook County Board President Toni Preckwinkle called him, "a relentless advocate of fairness and justice for all citizens." In his book, *County*, Dr. David Ansell describes Dr. Young as a "legend," a role model who attracted residents from all over the country to train with him at Chicago's Cook County Hospital. I am proud to have known Quentin Young as an advocate and as my personal physician.

Throughout his life, Quentin Young fought to eliminate discrimination and to create a society rooted firmly in justice. As a young doctor, he was deeply troubled by the segregation he saw in Chicago hospitals, and he founded the Committee to End Discrimination to end it. He founded the Medical Committee for Human Rights to provide medical care to civil rights and anti-war advocates. He served as president of the American Public Health Association. And he helped lead other physicians in the push for universal health care, creating the Physicians for a National Health Program, which continues his legacy for medical care where "everyone is in, and nobody is left out."

Quentin Young inspired many of us to agitate for social and economic change, to literally go the extra mile. In 2001, he walked 167 miles across Illinois to champion the call for universal health care.

Where Quentin Young saw problems, he also saw solutions. When patients came to him after suffering serious medical problems from back-alley abortions, he joined the battle to win legal abortion. Today, at a time when abortion rights continue to be attacked, it is important to remember his words to us, "It's not a choice of abortion or no abortion, but safe abortion or unsafe abortion."

Quentin Young also understood that the fight for universal health care is part of a larger fight: to eliminate poverty, to make sure that every child receives quality education and to guarantee democracy throughout our society. As a young man, he registered African American voters during Mississippi Freedom Summer and participated in one of the 1965 marches from Selma to Montgomery. Throughout his life, he pushed for voting rights and to make our electoral system responsive to the needs of voters, not the demands of the wealthiest campaign contributors.

In Chicago and across the country, there are countless individuals like me whose lives have been made better because of Quentin Young and who are committed to paying-forward the lessons he taught us. He has inspired us not just to fight for economic and social justice but to build the movements that will bring results. While he will be greatly missed, we will continue that fight.
