

This began in 1975 when she began recruiting volunteers for a nearly-defunct women’s center. This led to her becoming the executive director of the Voluntary Action Center, which is now known as Volunteer Fairfax and serves as a clearing house matching volunteers with area non-profits.

Following her tenure with Volunteer Fairfax, Ms. Carrera served in a variety of positions and capacities. She became volunteer coordinator for the Fairfax County Juvenile Court where she was responsible for recruiting and supervising programs for court-involved youths. In 1992, Ms. Carrera was asked to launch the Volunteer Interpreter Program to help the Juvenile Court staff better deal with youth and their families who were not proficient in English. This program received two National Association of Counties awards in recognition of its effectiveness and value. In 2002 she became the Language Access Coordinator in the Office of the County Executive and was responsible for policy and procedures on language issues within the county government.

Most recently Ms. Carrera has served as both Volunteer Resource Coordinator and a Partnership Developer for the County’s Office of Public-Private Partnerships. The Office of Public Private Partnerships (OP³) serves as a clearing house and point of contact for public agencies, non-profit organizations, and local businesses. OP³ creates and develops meaningful public private partnerships in county priority areas to leverage new resources and address community issues impacting the quality of life in Fairfax County. In addition to serving in these positions, Ms. Carrera has played a role in numerous special projects including elections outreach and the 2015 World Police and Fire Games. Ms. Carrera was recently honored by the Dulles Regional Chamber of Commerce as its 2014 Business Citizen of the Year.

Mr. Speaker, Angie Carrera’s accomplishments and the legacy she leaves behind in her community are worthy of our highest praise. Her selfless dedication has contributed greatly to the public good and the outstanding quality of life for residents of Fairfax County. I commend her for her decades of service and ask my colleagues to join me in wishing her well in retirement.

THE FERGUSON RIOTS: AN IMPORTANT EVENT THAT HAS CHANGED AMERICA, BY PHILLIP NGUYEN

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, April 15, 2016

Mr. OLSON. Mr. Speaker, I am privileged to interact with some of the brightest students in the 22nd Congressional District who serve on my Congressional Youth Advisory Council. I have gained much by listening to the high school students who are the future of this great nation. They provide important insight from across the political spectrum that sheds a light on the concerns of our younger constituents. Giving voice to their priorities will hopefully instill a better sense of the importance of being an active participant in the political process. Many of the students have written short essays on a variety of topics and I am pleased to share them with my House colleagues.

Phillip Nguyen attends Dawson High School in Pearland, Texas. The essay topic is: The Ferguson Riots: An Important Event That Has Changed America.

The year of 2015 has been a time of immense societal changes in America. The riots in Ferguson, Missouri exemplify one of the many events that have sparked such changes in the United States. From impacting the way society views minority groups to representing the shift in which the citizens of America demonstrate their protests, the Ferguson riots were a horrific event to be remembered throughout our country that has changed the way our society functions.

Beginning with the sudden death of Michael Brown by a police officer, the riots over the dispute of police brutality have become a catalyst for the newfound “black lives matter” movement. This event has sparked an immense change in our country in that the citizens have become much more focused upon the treatment of minorities (especially African Americans) by police officers. In addition, a large amount of citizens of all races have been advocating the idealistic values of non-violence after witnessing the incidents occurring during the riots (looting, fires, and destruction of property). The media has even become extremely centralized over the ongoing disputes between the black and white communities as well as police brutality. Furthermore, the event of the riots in Ferguson has incited a shift in the functionality of the police system, such as requiring on duty officers to have a working camera on their person. Not all changes were positive, however. The riots were indicative of the change in how Americans demonstrate their protests of today in comparison to the past. For example, the riots emerged from the protests pertaining to police brutality towards African Americans quickly turned violent (by the protestors), whereas in the past for American civil rights movements, the protests were centralized over the idealism of peace and non-violence and rarely have the protestors ever turned violent.

The Ferguson riots in Missouri were an event that shook the country as a whole and sparked a plethora of social changes in the American people. Moreover, it not only impacted the way in which people have viewed the African American community lately, but it has changed the way in which the police force functions.

CELEBRATING THE LIFE AND SERVICE OF MASTER SERGEANT TARA R. BROWN

HON. JOHN L. MICA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 15, 2016

Mr. MICA. Mr. Speaker, I rise to recognize and celebrate the life of Air Force Master Sergeant Tara R. Brown. A graduate of Deltona High School in Volusia County, Florida, Master Sergeant Brown gave her life defending our freedom on April 27, 2011. MSgt. Brown was the wife of Army Sgt. Ernest Brown and the daughter of Mr. Jim Jacobs of Deltona, Florida.

On Monday, April 18, 2016, in Central Florida, the street that serves as the entry to her alma mater, Daytona High School, will be named in her honor. This special recognition serves to honor and pay tribute to her service and devotion to the nation. Her family, friends and community will gather as we dedicate the corridor where she attended school in her memory.

Shortly after graduating from Deltona High School, MSgt. Brown enlisted in the Air Force and reported to Basic Military Training School at Lackland Air Force Base. She continued her training at Keesler Air Force Base in Mississippi where she attended technical school and was subsequently assigned to Kadena Air Base, Japan where she began working in information management.

Brown continued her service to our country during several overseas assignments. In November 2006, she was assigned to Headquarters, Air Force Office of Special Investigations and her service later took her to Eskan Village, Kingdom of Saudi Arabia with and Kandahar Air Field, Afghanistan. In January 2011, she deployed to Kabul, Afghanistan as a communications squadron advisor for the North Atlantic Treaty Organization (NATO) Air Training Command-Afghanistan.

Mr. Speaker, Master Sgt. Brown selflessly answered her nation’s call to serve, and performed with distinction for over fifteen years. Her impeccable service record further reflects her outstanding character and dedication to her fellow men and women in uniform and to our country. As a testament to her decorated career, MSgt. Brown was posthumously awarded the Bronze Star Medal, Purple Heart, Meritorious Service Medal, Air Force Combat Action Medal, and the NATO Article Five Medal. In her local community, the citizens of Deltona, Florida have renamed the southern portion of the road formerly known as Forrester Edge Drive to MSgt. Tara Jacobs Brown Ave.

In addition to her father and husband, Brown is survived by her mother, Gladys Vereen of New York; brothers Jim Jacobs of Kissimmee, Dominic Jacobs of New York, and Michael Jacobs of Deltona; and sister, Laguanda Jacobs of Maryland.

Mr. Speaker, I ask that my colleagues join me in remembering and celebrating the decorated service of Master Sergeant Tara R. Brown, and ask that God bless her soul and the souls of all our fallen heroes that have given their lives so we may enjoy the freedoms we all hold dear.

HONORING TROY HAGER

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, April 15, 2016

Ms. SPEIER. Mr. Speaker, I rise to honor Troy Hager who is being recognized with the Community Care Award by the Associated Parents Group of Hillsborough, California. Mr. Hager has been a highly respected and popular teacher in the Hillsborough City School District for 16 years. He not only values creativity and independence in his students, he fosters and instills these qualities in them.

Mr. Hager came to Crocker Middle as the new technology teacher in 1999. Within a year, he had a vision for what would become his signature class: a newscast produced, directed, anchored, reported and videotaped by the HTV Newsteam, a group of 7th and 8th graders. Hillsborough Television (HTV) already existed as a local access cable station broadcasting content such as important district information, school presentations, musicals, theatrical performances and events produced by the school district, but the idea of a newscast fully produced by students was new. Mr. Hager pitched the idea to the principal, got the green light and then went to work to build the studio—from scratch. He built Teleprompters, news sets and painted the walls. This is not exactly what you would expect of a technology teacher, so it is important to understand Mr. Hager's background. He grew up in Ventura without a TV. Instead, the family did projects where they turned a closet into a dark room, restored cars, and built cabinets and aquariums. As a child, Troy helped his father build several grandfather clocks. His wife Karen says he is a Renaissance man, just like his father.

Once the studio was built, Mr. Hager started teaching the class in 2000. Students compete to get in the class and submit applications, just like in the real television world. There are more than fifteen different jobs involved in producing the newscast and the students rotate so that they can learn every single job, but there is only one person who is teaching all of those skills: Mr. Hager. I had the great pleasure to see this extraordinary teacher at work when my children attended Crocker and were on the news team. They learned invaluable lessons and developed both technical and creative skills.

Mr. Hager was also one of the creators of the One-To-World Chromebook program at Crocker Middle School that began in 2011. It supplies students with their own laptops. His vision to prepare our children for the future in the digital world they will live and work in is characteristic of Mr. Hager. He is always one step ahead and constantly striving for excellence.

In addition to these outstanding accomplishments, Mr. Hager serves as an advisor to the Crocker Coding Club and a coach on the Executive Board of the Hillsborough American Youth Soccer Organization.

But Mr. Hager doesn't only serve the students. He also does the IT support for all of the teachers and staff at Crocker. Calls to repair broken or frozen computers are part of his every day. He welcomes those calls and sees them as opportunities to embrace technology. To him computers are interactive tools that

connect teachers and students and open up new channels of learning. He has the ideal temperament for his job; he is even-keeled, mellow and loves working with teenagers.

He and Karen, his wife of 19 years, have two teenagers of their own, Brooke who is 15 and Sage who is 13 and currently attending Crocker Middle School.

Troy Hager grew up in Ventura and attended Ventura High School. He received his Bachelor's degree in Psychology from UC Berkeley and his teaching credential from San Francisco State University. Before teaching at Crocker Middle School, he taught at Franldin Elementary School in Burlingame.

Mr. Speaker, I ask that you and the members of the House of Representatives rise with me to honor Troy Hager, an exceptional teacher and devoted husband and father. I can't think of a more deserving person to receive the 2016 Hillsborough Community Care award.
