

public education. She began her impressive career as a 6th grade teacher, then served as Executive Director of Elementary Education at Katy ISD, and as Superintendent of Schools of Tulosso-Midday ISD before assuming her position as superintendent of schools for NISD. I salute Dr. Rue for her exemplary career and extend best wishes upon her retirement and future endeavors. It is my privilege to represent Northwest ISD in the U.S. House of Representatives. Dr. Rue's positive impact and dedicated service to Northwest ISD will not soon be forgotten.

HONORING YAZOO CITY ALUMNAE
CHAPTER OF DELTA SIGMA
THETA SORORITY, INC.

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a group of women who has shown what can be done through hard work, dedication and a desire to serve their community, Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. The Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. has served the Yazoo County community and the State of Mississippi through informational meetings, social and civic engagement.

The Yazoo City Alumnae Chapter was granted their 30th chartering in the state of Mississippi on February 2, 1997. Francine Wallace and Edwina Fox, in 1995, had the idea to create a chapter in Yazoo and placed an article in the local newspaper. Other Delta's in the area quickly responded, desiring to continue the mission to which they had pledged themselves in their college years and together they worked with the state leadership, the southern Region Manager and the national Headquarters to achieve this objective. Not being swayed, it took several attempts to acquire the approvals to establish the Yazoo City Alumnae Chapter. The Yazoo City Deltas traveled to the State Cluster to share their desire to focus on the high rate of teenage pregnancies in Yazoo County as it was the highest rate in the state of Mississippi. Relating their dedication to fighting this devastating trend, the Southern Region Manager, on their second attempt approved the chartering of the Yazoo City Alumnae Chapter. On February 2, 1997 at the St. Stephen United Methodist Church 12 members, Mary Ann Brewer, Teresa Bonner, Diane Delaware, Zellee Delaware, Sandra Younger, Tamara Dodd, Edwina Gordon-Fox, Marilyn Hathorne, Gloria Elayne Owens, Francine Wallace, the late Juanita Scott-Washington and Mary Joshua Young stood and committed to carry out the public service mission of their beloved sisterhood throughout Yazoo County. Thus, this was the beginning of the Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc.

Mr. Speaker, I ask my colleagues to join me in recognizing the Yazoo City Alumnae Chapter of Delta Sigma Theta Sorority, Inc. for its dedication to serving others and giving back to the community.

IN HONOR OF THE 51ST ANNIVERSARY OF PAYSON CONCRETE AND MATERIALS

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. GOSAR. Mr. Speaker, I rise today in honor of a business from my district, Payson Concrete and Materials, Incorporated.

Payson Concrete and Materials recently celebrated their 51st anniversary in business. George Randall opened the business in 1965. His brothers, Robert and Fred, joined him soon after and the family has been serving the communities of Payson, Pine and Tonto Basin ever since. Providers of concrete, asphalt and road paving services to eastern Arizona, the Randalls now employ 35 people, many of whom have been with the company for over 20 years. Their loyalty shows a commitment to excellence in every aspect of their company, from customer to employee. The Randall Brothers are also very active and generous in their community. Every year, they make major contributions to the local community. Robert Randall has also invested in the future of Pine. Mr. Randall, along with other local businessmen, has invested his own time and money into drilling a well with the capability of providing the citizens of Pine with a fresh source of water.

Payson Concrete and Materials is the type of family-owned and operated business that is all too rare in this day and age. It models the kind of community involvement that should be commonplace in our country. On behalf of the people of Arizona and the United States, we thank them for all that they do.

AMERICA'S HEALTH MEASURES
PROTECTION ACT

HON. JIM McDERMOTT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. McDERMOTT. Mr. Speaker, I rise today to introduce legislation to protect the health regulations of the United States, and thereby the health of Americans, from the pernicious use of the Investor-State Dispute Settlement mechanism that exists in free trade agreements like NAFTA and the TPP.

Abuses of the ISDS provision have already had harmful effects on the health of our Canadian neighbors, as an ISDS lawsuit essentially forced the Canadian government to abandon its ban of the gasoline additive MMT, a known human neurotoxin.

My legislation, which amends the Bipartisan Congressional Trade Priorities and Accountable Act of 2015, known as the TPA, makes it explicitly clear that protecting the health of Americans is a paramount trade negotiating objective of the United States. As it stands today, the TPA falls short of this goal.

During negotiations of the Trans Pacific Partnership, several nations demanded the ability to dismiss ISDS claims made against their tobacco control measures. This insistence was a tacit acknowledgment that companies use ISDS lawsuits to challenge reasonable state health regulations.

But why only single out tobacco control measures? What about safeguards for other public health measures like lower drug prices under Medicare, food safety regulations, clean air and water regulations, or the Toxic Substances Control Act recently passed by Congress? The fact that a last minute "tobacco carve-out" was inserted into the TPP is proof that the trade negotiating objectives currently in TPA are not explicit enough to protect the health of Americans.

The purpose of my legislation is to ensure that all health regulations in the United States are protected from unscrupulous abuses of trade arbitration mechanisms that fall outside of the United States justice system. My legislation instructs the United States Trade Representative to explicitly ensure that no trade agreement gives an investor group the power to hold the health of Americans hostage for monetary gain.

Trade is important to our society, but it should not come at the expense of the health of Americans. I urge my colleagues to support this legislation.

HONORING THE LIFE OF MRS.
VALERIE BENDER

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. COSTA. Mr. Speaker, I rise today to pay tribute to the life of Mrs. Valerie Bender. Mrs. Bender passed away on April 29, 2016, at the age of 60 as she valiantly battled breast cancer for seven years. Known by all who met her as a selfless individual, Mrs. Bender led a prolific career as a reporter and was loved deeply by friends and family.

Mrs. Bender began her journalism career as a reporter in Florida. After having moved to Virginia and working there for a short time, her merits earned her the esteemed role of managing editor at the Wilmington News Journal. Mrs. Bender went on to work at the Fresno Bee where she served for 20 years. While at the Fresno Bee, she held a variety of different positions that included serving as Features Editor, Assistant Managing Director, Director of Community Publications, and Vice President of Custom Publications. In February 2014 Mrs. Bender was named President and Publisher of the Merced Sun-Star, a role that was certainly well earned and deserved.

Among her many activities and passions, Mrs. Bender was an advocate for breast cancer awareness and was deeply passionate about art. She made it a point to promote mammogram examinations among the young women that she met and went on to become part of Sistah's Just Surviving, a support group for cancer survivors. Mrs. Bender was viewed as a role model by members of the group because of her genuine and loving persona. Furthermore, Mrs. Bender was on the board of trustees at the Fresno Art Museum and showed constant support for young up-and-coming artists in the community. She was able to take her passion for art and effortlessly apply it to her career. During her time at the Fresno Bee, she became so well known for her "eye-popping" art designs that she was called away by other McClatchy newspapers for assistance in making their papers more appealing for up to several weeks at a time.

Throughout her battle with cancer, Mrs. Bender continued to work tirelessly and contributed in numerous ways to the Fresno Bee. She was known for her kindness and fierce devotion to her friends and family. In the wise words of Mrs. Bender, "Life is precious and while it's easy to ask 'why me?' the most important thing is still family and friends . . . I have a husband and a daughter who love me."

Mr. Speaker, it is with great respect that I ask my colleagues in the House of Representatives to honor the life of Mrs. Valerie Bender. Often compared to feminist icon Rosie the Riveter, Mrs. Bender was a source of inspiration for all those she touched. She was a loving mother, wife, and journalist and everyone around her benefitted greatly by having her in their lives.

HONORING NORTH CAROLINA
STATE UNIVERSITY LIBRARIES:
2016 NATIONAL MEDAL FOR MU-
SEUM AND LIBRARY SERVICE

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. PRICE of North Carolina. Mr. Speaker, I rise today to congratulate the North Carolina State University Libraries on receiving the 2016 National Medal for Museum and Library Service. This prestigious award, offered annually by the Institute of Museum and Library Services, is the nation's highest honor given to museums and libraries for exceptional service to their communities.

The North Carolina State University Library system has transformed how libraries involve the community to understand, learn, and participate in a myriad of educational activities. The system strengthens North Carolina's K–12 education pipeline, increases the public's literacy, and prepares tomorrow's researchers with college- and workforce-ready skills.

Through cutting-edge programming at all of their locations, North Carolina State University has built a library system that can support the university's students and advanced research, while also serving as an incubator for Triangle businesses. This library was one of the first to leap into the digital age, and has been a terrific example for other academic research libraries around the world. Their creative recruitment tactics for librarians and their crowdsourcing of ideas from student committees have made this library an invaluable asset to our state.

There are several key spaces for students, faculty, and the community to utilize at the North Carolina State University Libraries. These include digital media editing and production spaces, as well as gaming spaces for creating simulations and virtual environments. Library patrons have access to the D.H. Hill Makerspace, which is equipped with 3D printers, scanners, and laser cutters for users to explore a variety of ideas. There is even an Immersion Theater where students and faculty can display their work on a panoramic screen—I recently had the opportunity to experience a fully recreated historic speech given by John Donne in 1622.

North Carolina State University Libraries are one of just ten recipients of the National Medal

for Museum and Library Service. NCSU Libraries have had a remarkable impact on the entire state of North Carolina. There were approximately 2.25 million visitors to the library last year, with nearly 12,000 registered visitors from 76 countries, 42 states, and 46 counties in North Carolina.

As we congratulate all the libraries' leaders, it is also important to recognize Susan K. Nutter, winner of the 2016 Association of College and Research Libraries' (ACRL) Academic/Research Librarian of the Year. As the Vice Provost & Director of Libraries, Susan has been instrumental in building the innovative library system we see today.

Mr. Speaker, once again, I offer congratulations to the North Carolina State University Libraries—and each of the nine other National Medal winners—for achieving this distinction for their path-breaking innovations and dedication to serving their communities.

HONORING JALEXIS EVANS

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable student, Ms. Jalexis Evans.

Jalexis is the daughter of Latoya Lee and Samuel Evans and the granddaughter of Shirley Evans and the late Glenda Nelson. She is a native of Mound Bayou, Mississippi where she attended John F. Kennedy Memorial High School before being accepted into the Mississippi School for Mathematics and Science in Columbus, Mississippi. While attending John F. Kennedy she was class president, the founder of the mentorship program, "Girl Talk", and a cheerleader. In her spare time, she volunteers in her community with organizations such as St. Gabriel's Mercy Center, New Life Church, and local nursing homes.

One of the greatest impacts she believes she has made is with the mentoring program she initiated. Girl Talk was created solely to help empower, encourage, and equip young girls in the community. They've done things such as visit nursing homes, make Christmas with kindergartners, and host a tea party for young ladies in middle school to teach proper etiquette.

Jalexis also spends time playing piano and guitar. During her tenure at John F. Kennedy she played the trumpet in the marching band.

A passion of Jalexis is caring for the youth in her community. Though she believes involvement in the community is crucial, she also believes her education will take her far. She works diligently to ensure that her future goals are within her grasp. Attending the Mississippi School for Mathematics and Science has granted her many more opportunities to do so. At this school, she receives the best education possible for high schoolers in the Magnolia state while enriching her knowledge on cultural diversity. Jalexis aspires to enroll into Tulane University where she desires to attend the Tulane Accelerated Physician-Training Program and earn her medical degree. She plans to become a pediatric oncologist after attending medical school. She has yearned to be a doctor since the young age of three. Her love for children pushed her to-

wards the field of pediatrics and her grandmother's fight with cancer led to her interest and passion for oncology. It also instilled within her a strong determination to find a cure for cancer.

She pursues success in her everyday life by continuing to be an example and role model to her sisters: SaMaria, Cilyse, and London, and to be helpful in anyway she can while still achieving her goals day by day.

Mr. Speaker, I ask my colleagues to join me in recognizing Ms. Jalexis Evans for her educational achievements and dedication to other youths.

HONORING THE WORLD WAR II
AND KOREAN WAR VETERANS
OF ILLINOIS

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 9, 2016

Mr. QUIGLEY. Mr. Speaker, I rise to honor the World War II and Korean War veterans who traveled to Washington, D.C. on June 8, 2016 with Honor Flight Chicago, a program that provides World War II and Korean War veterans the opportunity to visit their memorials on The National Mall in Washington, D.C. These memorials were built to honor their courage and service to their country.

The American Veteran is one of our greatest treasures. The Soldiers, Airmen, Sailors, Marines, and Coast Guardsmen who traveled here on June 8th answered our nation's call to service during one of its greatest times of need. From the European Campaign to the Pacific Asian Theater to the African Theater, these brave Americans risked life and limb, gave service and sacrificed much, all while embodying what it is to be a hero. We owe them more gratitude than can ever be expressed.

I welcome these brave veterans to Washington and to their memorials. I am proud to submit the names of these men and women for all to see, hear, and recognize, and I call on my colleagues to rise and join me in expressing gratitude.

Harold C. Aichholzer, Donald G. Alpers, Sidney R. Anderson, George D. Aurand, O. Robert Baccega, Daniel T. Barker Sr., Richard W. Bernardini, Claude T. Bjork, Julien F. Bloom, Paul Bobolia, Anthony F. Boecker, Robert George Bollman, Joseph E. Borowiak, Richard H. Burns, Thomas Calhoun, Robert G. Callaghan, Libero F. Calzavara, Paul T. Carrano, Charles A. Clark, Fred P. Claussen, John Considine, Donald E. Cramer, Robert E. Cutts, Allan D. Danielson, Charles Joseph Doherty, Robert L. Drennen, William N. Drish, Sr., Milton L. Duehr, Richard Eldorado, Ronald K. Erickson, Jerry R. Forst, Jr., William F. Galambos, Robert M. Gerhold, William Gilkey, Lawrence L. Gurtowski, James Guzzaldo, Donald E. Hahn, Roy L. Halvorsen, Raymond A. Handley, Robert P. Havlik, Albert W. Hellwig, Frank J. Hochman, Robert J. Horn, George E. Jaffke, (Oury L. Johnson, Jr., Thomas L. Kelliher, James M. Kirk, John A. Kotan, Jr., Anthony J. Kowalczyk, Louis F. Kuelzto, Jr., Donald Larsen, Ruel F. Lehman, Jr., Stuart Letchinger, Marvin Daniel Levy, Robert T. Lewandowski, Burton A. Lewis, John H. Lichter, Ronald F. Lotz, Joseph B. Lyznicki, Robert Magnuson, Frank Mangels, Raymond J. Manista, Sherwin Marks, Jon R.
